## **Egypt And Israel Coming Together:**

*Egypt on the Pentateuch's Ideological Map* Franz V. Greifenhagen, 2003-04-01 This book explores the references to Egypt in the Pentateuch twice as dense as in the rest of the Hebrew Bible in the context of the production of the text's final form during the Persian period Here as Greifenhagen shows Egypt functions ideologically as the primary other over against which Israel's identity is constructed while its role in Israel's formation appears as subsidiary and as a superseded stage in a master narrative which locates Israel's ethnic roots in Mesopotamia But the presentation of this powerful neighbour is equivocal a dominant anti Egyptian stance coexists with alternative though subordinate pro Egyptian views suggesting that the Pentateuchal narrative was produced within a context of ideological conflict over attitudes towards a land that provided a home for Jewish fugitives and emigrants

**Coming Out of Egypt** K.C. Stricker, 2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua's resurrection

The Word of the Lord Came to the Prophets Rev. Harold E. Petersen, 2022-05-07 The Bible the Word of God has been a part of my life We had family devotions mornings and evenings Sunday school and worship services These continued to draw me into the Word When I was in high school I started to read the Bible through in a year which I have continued down to the present times It was when I was in the seminary that I was inspired to mark a special verse in every chapter of the Bible Some chapters were so full of gems of truth that I chose several The prophets are a source of amazing truth about life and our relationship with the Lord God The prophets have influenced my life in many ways Isaiah is full of good news Jeremiah speaks volumes about how I live Ezekiel draws me into the drama of faithfulness The other prophets have enriched me in many ways

**The Israeli-Egyptian Peace Process in the Reporting of Western Journalists** Mohammed el-Nawawy, 2002-01-30 Of the enormous number of books published on the Arab Israeli conflict most focus on its history or the political dimensions of the current peace process None however has provided an in depth look at the relationship between those who shape the events and the Western journalists who cover them In this bold new study Mohammed A el Nawawy explores the ways in which government officials try to manipulate the news media how the reporters contend with

such interference the professional and newsmaking roles of the journalists and how their demographic and educational backgrounds influence their coverage of this crucial time and place Through interviews with 168 Western correspondents 94 in Israel and 74 in Egypt who together represent more than 88 percent of the whole population of foreign correspondents in the Middle East the author provides an invaluable source of information on the day to day activities of reporters in the region as well as their interactions with government officials *Recent Developments in Egypt and Lebanon* United States.
