*E. H. Harriman* George Kennan,1999-12      E.H. Harriman George Kennan,2005-01-01 Born Edward Henry Harriman in 1848 of an ordained deacon father in the Presbyterian Church and well connected socialite mother Young Edward attended private school in New Jersey and New York but dropped out at age 14 to take a job as a Wall Street errand boy He moved up rapidly to become a managing clerk and ultimately became a stockbroker with a seat on the New York stock exchange Harriman began investing his own money in railway stocks and even married into a railroad family In 1881 he bought his first railroad company outright in upstate New York and his name soon became synonymous with railroad Volume 1 of this two volume biography includes Harriman s boyhood early life and the founding of the first Boys Club on the East Side of New York Also covered in detail is his entrance in the railroad industry and its reorganization and expansion across America Information on his pioneering expedition to Alaska is included as well      **The Life & Legend of E.H. Harriman** Maury Klein,2000 To Americans living in the early twentieth century E H Harriman was as familiar a name as J P Morgan John D Rockefeller and Andrew Carnegie Like his fellow businessmen Harriman 1847 1909 had become the symbol for an entire industry Morgan sto      *The International Interpreter* ,1922      **The Hour of Fate** Susan Berfield,2020-05-05 A riveting narrative of Wall Street buccaneering political intrigue and two of American history s most colossal characters struggling for mastery in an era of social upheaval and rampant inequality It seemed like no force in the world could slow J P Morgan s drive to power In the summer of 1901 the financier was assembling his next mega deal Northern Securities an enterprise that would affirm his dominance in America s most important industry the railroads Then a bullet from an anarchist s gun put an end to the business friendly presidency of William McKinley A new chief executive bounded into office Theodore Roosevelt He was convinced that as big business got bigger the government had to check the influence of the wealthiest or the country would inch ever closer to collapse By March 1902 battle lines were drawn the government sued Northern Securities for antitrust violations But as the case ramped up the coal miners union went on strike and the anthracite pits that fueled Morgan s trains and heated the homes of Roosevelt s citizens went silent With millions of dollars on the line winter bearing down and revolution in the air it was a crisis that neither man alone could solve Richly detailed and propulsively told *The Hour of Fate* is the gripping story of a banker and a president thrown together in the crucible of national emergency even as they fought in court The outcome of the strike and the case would change the course of our history Today as the country again asks whether saving democracy means taming capital the lessons of Roosevelt and Morgan s time are more urgent than ever Winner of the 2021 Theodore Roosevelt Association Book Prize Finalist for the Presidential Leadership Book Award

*Casting a Spell* George Black,2009-03-12 Thirty five million Americans one in eight like to go fishing Fly fishers have always considered themselves the aristocracy of the sport and a small number of those devotees a few thousand at most insist upon using one device in the pursuit of their obsession a handcrafted split bamboo fly rod Meeting this demand for

perfection are the inheritors of a splendid art one that reveres tradition while flouting obvious economic sense and reaches back through time to touch the hands of such figures as Theodore Roosevelt and Henry David Thoreau In *Casting a Spell* George Black introduces readers to rapt artisans and the ultimate talismans of their uncompromising fascination handmade bamboo fly rods But this narrative is more than a story of obscure objects of desire It opens a new vista onto a century and a half of modern American cultural history With bold strokes and deft touches Black explains how the ingenuity of craftsmen created a singular implement of leisure and how geopolitics economics technology and outrageous twists of fortune have all come to focus on the exquisitely crafted bamboo rod We discover that the pastime of fly fishing intersects with a mind boggling variety of cultural trends including conspicuous consumption environmentalism industrialization and even cold war diplomacy Black takes us around the world from the hidden trout streams of western Maine to a remote valley in Guangdong Province China where grows the singular species of bamboo known as tea stick the very stuff of a superior fly rod He introduces us to the men who created the tools and techniques for crafting exceptional rods and those who continue to carry the torch in the pursuit of the sublime Never far from the surface are such overarching themes as the tension between mass production and individual excellence and the evolving ways American society has defined experienced and expressed its relationship to the land Fly fishing may seem a rarefied pursuit and making fly rods might be a quixotic occupation but this rich fascinating narrative exposes the soul of an authentic part of America and the great significance of little things George Black s latest expedition into a hidden corner of our culture is an utterly enchanting illuminating and enlightening experience

technocratic coup being attempted is put down we can expect the centralization of power in a New World Order the return of slavery the privatization of the global commons and the transformation of society into a biodigital camp bringing an end to the rule of law and normalizing the use of eugenics and a systematic mass murder of dissidents     *History of the United States from the Compromise of 1850* James Ford Rhodes,1922     **The McKinley and Roosevelt Administrations, 1897-1909** James Ford Rhodes,1922     **History of the United States from the Compromise of 1850 to the End of the Roosevelt Administration: 1896-1909** James Ford Rhodes,1928     **1896-1909** James Ford Rhodes,1922
