Hayes,2021 Details Lawrence s reception of Melville and reveals his underacknowledged role in the Melville Revival while contributing to the history of the book and the study of the creative process *The Critical History of Edgar Allan Poe's The Narrative of Arthur Gordon Pym* Ronald C. Harvey,2015-12-22 The Critical History of Edgar Allan Poe s The Narrative of Arthur Gordon Pym A Dialogue with Unreason traces the complex scattered criticism of Poe s most anomalous work as it has steadily grown in prominence to a central position in the study of Poe and American literature The winding route the criticism of Pym has charted as convoluted as the narrative itself has been a history of disagreement at almost every level at which critics and scholars read texts including the nature and genre of the work the seriousness or levity of the author s intent and its stature as a work of genius hackwork or something in between The unique set of thematic and narrative problems the work poses has eluded every hermeneutic structure brought against it so far consistently undermining the very reading strategies it seems to invite The only comprehensive critical history and bibliography of Pym this study fills a large hole Poe scholars have long felt as it analyzes the ways in which critics and critical camps have attempted to confront rationalize contain or evade its novel and disturbing features In the process the criticism is correlated with the popular reception and the international response Because literary history has entangled no author with his work more than Poe ultimately this book is as much a study of Poe as of Pym At every point therefore this study embeds the critical response to Pym in the history of Poe studies in general as well as in the larger context of American literary theory and history Includes bibliography and index **Study Guide to Washington Square by Henry James** Intelligent Education,2020-09-12 A comprehensive study guide offering in depth explanation essay and test prep for Henry James Washington Square a simple tragicomedy that is based on a true story As a novel of the nineteenth century illustrates family conflict between a daughter and her unemotional father Moreover Washington Square s omniscient point of view and uncomplicated prose continues to entice readers This Bright Notes Study Guide explores the context and history of Henry James classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research
