The Judge Stanley Graham,2019-05-16 Every day of his life Rick has regretted not following a business education and work The judge said in essence that he was cut out for that kind of work That was the judge s sage advice which Rick should have followed Still Rick found himself haunted by the words of an ancient novelist Bulwer Lyten The saddest words of tongue or pen are these few words It might have been Later in life Rick pondered the words of his stepfather You are not cut out for the life of a doctor of medicine That is it No ifs ands or buts This was the final naked truth that Rick had to live with but it seemed so arbitrary so man made so unreal yet it was the god awful truth He would have to adjust and prepare himself for a commercial education as he had already begun while working for the judge On the plus side Rick had inherited a fine library with a variety of books dealing with many subjects including medical ones such as anatomy and physiology He shared many of them with his half brother Martin Calvin Appleby As of this writing one year after the funeral of the judge the Applebys are still going strong in their three story mansion They always invite Rick to their parties and he usually attends He has met and courted his future wife and will be attending one of the Appleby parties where he shall announce our future engagement *Eight Ball Justice* William Hughes,2005-11 An explosion Two seconds later the report of a gunshot In a wisp Jake Braddock s entire life drastically changes One moment he is building a sandcastle with his family on a Miami public beach the next he is holding his wife s body and realizing that his infant son has been abducted In *Eight Ball Justice* Dade County Homicide Detectives Sherm Walters and Sebanstan Xollo initially assume these are simply revenge crimes The year before Jake then head of security at Miami International Airport played an important role in not only thwarting a bioterror attack on the airport but also capturing Osama bin Laden s eldest son One group When Sherm s close friend Dr Roxanne Shockley draws their attention to the suspicious death of a Middle Easterner they realize they are in a pissin match with the big boys Two groups Al Qaeda and another As they delve further into the crimes they find themselves pitted against seemingly invincible foes Dr Roxanne Shockley Foxy Roxy to her friends a forensic pathologist and romantic interest of Sherm s points them in the right direction early in their investigation Roxy s brother Mike Shockley a former Vietnam War Medal of Honor winner and Rhodes scholar helps the Sherm and Sebanstan see the entire scope of the crime It s more than they can fathom The investigation starts in Miami Florida and ends up in the Federally Administered Tribal Areas of Pakistan Along the way every effort is made to silence the duo as they dissect out the meticulously conceived stratagem of the operation The fate of all involved including Jake s infant son hangs in the balance until the tumultuous conclusion

of Military Justice United States,1950 **Liberty and Sexuality** David J. Garrow,2015-07-07 Pulitzer Prize winning author David J Garrow s stirring and essential history of the politics of abortion and America s battle for the right to choose In 1973 the Supreme Court handed down its landmark Roe v Wade decision legalizing abortion and more than forty years later the issue continues to spark controversy and divisiveness But behind this historic legal case lie the battles women fought to establish their rights to use contraceptives and choose to have an abortion Liberty and Sexuality traces these political and legal struggles in the decades leading up to Roe v Wade including the momentous 1965 Supreme Court ruling in Griswold v Connecticut that established a constitutional right to privacy Garrow personalizes the struggles by detailing the vital contributions made by dozens of crusaders who tirelessly paved the way This expansive and substantial work also addresses the threats to sexual privacy and the legality of abortion that have risen since Roe v Wade With abortion still a contentious subject on the national political landscape Liberty and Sexuality is not just a historical account of the right to choose but an indispensable read about preserving a freedom that continues to divide America **Doug and The Slugs** John

Burton,2023-11-03 John Burton is a co founding member of the notorious band Doug and The Slugs Introduced to Doug Bennett by John Wally Watson in the summer of 1977 Doug and the author quickly formed the personal and musical chemistry that led to the meteoric rise of the band from a basement Halloween party to national recognition in less than two years Doug and The Slugs 50 000 Slug Fans Can t be Wrong is a real page turner written in a conversational style and definitely the author s own voice There is humility and humour triumph and tragedy defeat and redemption in this compelling read of the legendary party band s rise fall and rise again The memoir has larger than life characters one would expect from the entertainment industry Especially interesting is the intel into how the records were made where they were made and with whom Burton s analysis of the finished recorded products and marketing is equally engaging for both readers familiar with and not familiar with the music business As you might expect there is insider information only someone with Burton s experience could share about some giants of the industry like Ritchie Cordell Levon Helm Sam Feldman and Denise Donlon From cover to cover Doug and The Slugs 50 000 Slug Fans Can t be Wrong is a good read The narrative is well illustrated by amusing and nostalgic photographs with captions throughout All in All Highly Entertaining *Journal* United States.
