Eon Dream The Seven Sojourns Of Au Syen On:

Eon Dream Rob Payne, 2004-04-01 It was a dream a dream of darkness a dream of light Tis a tale beyond any mere human histories Yet too it whispers deep through the heart of all humanity Before the beginning of Creation there were two Spirit Tribes the Zaan and the Aeyas Like gods they were the keepers of life and all Creation Yet in time they began to think apart and quarrel over the meaning of existence But when it grew old their quarrel broke into a series of terrible wars which threatened to tear apart all Creation Now it came to pass from the ravages of these Primaeval Wars that one spirit the Aeyan Father Audon Niyth dreamt an awful dream Perceiving only sorrow and suffering he thought to save Creation from all its pain His thought grown dark with much time was to extinguish all things and lull them to a final rest and peace Niyth's first attempt to save Creation was a million year war of universal genocide It failed So Niyth turned away to an ancient legend A mystical entity known as the nylladiom Anyone who possessed this could destroy not only all things but even existence itself However Audon Niyth was kept from obtaining the nylladiom and he was cast away into the very heart of Creation From there the hell his evil works had fashioned for him Niyth would dream to bring the nylladiom to the emptiness of his blackened spirit So ends the dark prelude to *Eon Dream* But where it is a nightmare born of profound sorrow it becomes as well a hope of ultimate redemption For against the black designs of Audon Niyth Creation brings forth a child whose heart's innocence will overcome all evil On one level *Eon Dream* is the story of one small life that of the Zaan man child Au Syen On a deeper level it becomes an allegory for the human condition The stages of Au Syen's individual life symbolize those formative experiences common to all lives These experiences are embodied as the Seven Sojourns of Au Syen The first four of these sojourns comprise life lived out day by day in the world Au Syen enters the world a helpless infant the son of the incarnate spirit Ne Ri He grows from being a little boy deeply and innocently in love with the miracle and wonder of the world around him to an adolescent struggling to find who he is As a man he falls in love with a lovely girl with whom he makes a family and a home Yet sadly too he loses to death his beloved mother Ne Ri With the death of Ne Ri the Seven Sojourns turn to a new dimension One more cosmic and supernatural Beyond everything safe and familiar Au Syen embarks upon a perilous journey Along the way Au Syen the man learns to reshape himself to become Au Syen The Light Shining Beyond The Darkness whose destiny is to face evil and transform all reality Au Syen's journey is many dangers and hardships It is a wandering through a dark forest a climb over a bleak mountain and a trek across a burning desert Cold heat hunger thirst and loneliness all do their worst to break Au Syen's mind body and spirit But from his trials Au Syen emerges with a renewed vision of who he is A man deep of heart and soul whose strength of spirit is the love that will forever triumph over all evil Thus aware of himself as never before Au Syen enters the company of a weird and wondrous creature Xinj a sly and ancient being known as the Keeper of the Wisdom of the World When this Xinj invites Au Syen to know better his wisdom he grabs and swallows Au Syen alive Yet beyond this descent into the bowels of death Au Syen is reborn from the world of flesh

and blood into the spirit realm wherein abides the Dark Spirit Audon Niyth All around
