Russell Bixler,1974 **Under the Spell** John David,2021-05-26 Truth our success in life is most heavily influenced by what we allow ourselves to think and believe not by circumstances or conditions as we often assume As a society our notions of existence of God if you believe of ourselves as physical beings and of what success is are distorted We perpetuate the lie that personal success has to do with achieving We are taught that in pursuing wealth and financial security or popularity and acceptance we will become okay when in fact it has the opposite effect We place our trust in worship acquiring things to be okay to fill the emptiness inside and give us a sense of security money possessions romance acceptance information personal power and as we either achieve or fail to reach our goals with these things we are quietly subconsciously perplexed that they do not work Our existence as a species our identity is one of the most important topics we could learn about and yet it is so perplexing that most of us avoid thinking about it altogether Every fear every one of our destructive behaviors all self doubt vanity guilt or emotional problems we have all greed pride selfishness violence and misuse of sexuality is directly tied to what we think and believe An inner dialog of fear unworthiness abandonment or shame can translate to debilitating defeat because it s not just thoughts and beliefs that paralyze a person but changes in the blood chemistry throughout the entire body within every cell For you and I everything boils down to what we allow or disallow to shape our reality This is where the ultimate use of free will occurs This book explores truths and some subtle but major misconceptions about existence about who or what God is about the principles that guide our universe about humans in relation to all of it and about perfect love It looks at what science psychology and the Bible actually say about us in contrast to the common notion s society projects What do you long for Do you want to feel complete and filled with purpose Would you like to live a balanced life and have healthy relationships with yourself with others and with money Do you want serenity peace of spirit mental and physical health Do you want to love others well and feel loved There remains today a fog of deception across society that keeps us from clearly seeing the truth My intention is to shine light on it to show people some things they are not aware of and how knowing it can make all the difference between being okay and not being okay *Baptist Commonwealth* ,1904 **A History of All**

2011 Canada Mary A. Ehle, Margaret Nutting Ralph, 2010-07-07 Heaven and Earth Michael Scantlebury, 2022-01-15

Whenever we today in this 21st Century read about heaven and earth in the Scriptures we need to be careful as to exactly what is being referred to And here are some reasons as to why this must be The original Bible was not written in our modern English which is a far different language than Hebrew and Greek the original languages of the Holy Scriptures Hence the reason for us to become avid students of the Word of God We living today are not the original recipients of Scripture and as such we need to understand what the original recipients understood when they first received that Word We must be willing to let the Bible interpret itself and not hang on to our theories for the Scriptures That the Bible speaks of at least four Heavens and three earths And as such we need to dig deep into the Word of God and find them and apply this understanding in our study Remember what the Scriptures say in Proverbs 25:2 It is the glory of God to conceal the word and the glory of kings to search out the speech With that said let us now take a deeper dive and journey into the Word of God with the intention of extracting much needed revelation concerning these Heavens and Earths
