Ephesians The Maturing Of The Saints:

Ephesians Bob Yandian,2016-08-02 Although the city of Ephesus is famous for its reckless living and idol worship the Ephesian church is deeply spiritual And so Ephesians unlike other epistles written to correct doctrinal error reveals to mature believers the positional truth of who they are in Christ It also expounds on practical applications of this positional revelation *Ephesians* Bob Yandian,1985 The Key of David Gary Robinson,2025-03-17 It took me thirty years of studying before I did it but I did write this book from the voice of God my Lord and Savior When God speaks I run to greet Him I wrote about 150 Bible studies in the last thirty years all with one finger and was about going to work for our in just teaching So I always ask God what He wants me to do next No answer It took two weeks I was sitting in my Bible room and I prayed for God to tell me what next And this soft voice said I want you to write a book on the key of David So I followed what our Father asked This book has the strait and narrow way If this book doesn't get you on your knees and pray to our Lord Jesus Christ for forgiveness of your poor sick flesh you cannot stop sinning without the Lord Jesus Christ Read the book and learn the key of David You can't go wrong Do you know why Read Revelation 3 7 and be blessed **Honor to the Great Head of the Church** Margarette W. Restoring the Fallen Tent Riaan Engelbrecht, 2023-01-26 It has been a while since the Lord spoke about restoring the tent of meeting To understand this we need to understand that before church there was the Temple and before the Temple there was the tent of meeting in the days of Moses The tabernacle of meeting evolved in the physical Temple built by Solomon which evolved among the Gentiles to be mostly church buildings With the stages of development especially among Gentiles the very essence of the tabernacle of meeting as in the days of Moses got lost among the sand of time The tabernacle in the wilderness was about God meeting with man and where man could enjoy the presence of the Lord By the shed Blood of the Lamb God's presence is now not contained within a physical structure for God now makes His home within man by the indwelling presence of the Holy Spirit Therefore as believers we have BECOME the tabernacle of meeting Through our interpretation of church the tabernacle today sadly remains a physical structure instead a spiritual one The church of today has evolved away from the foundational concept of divine interaction relationship and Covenant participation which forms the spiritual tabernacle house in service to God It is time to rediscover God's true intent and purpose for the Tabernacle and how we are to restore what has fallen and become lost over the centuries

Dunbar, 2009-05-22 The geographical extent of the orient and occident is a validation of the cultural and ideological differences that have existed with constancies between the two hemispheres throughout the eons of time Ideological pluralism has been the common practice of the inhabitants of both spheres but with unique manifestations Christianity along with other religions are warmly embraced and pragmatically characterized by the orientals and occidentals with reserved peculiarities Oriental Christians viewed pneumatology as being a significant part of their theological and liturgical lives while Occidental Christians see Christology as the primal substance in Christianity Although both groups have a history of singling out this distinction over the years theologians and theology have helped both sides understand the importance of both pneumatology and Christology in Christianity It is concertedly understood that neither of the two can be studied or taught without the other Their inseparable existence makes Christianity a complete whole The authors exploration and literary expedition through myriad of sources allow him to compile data relevant to understanding the importance of the Holy Ghost and Spiritual gifts within the Christian community Whether a secular or non secular intellectual you will find the information in this book to be rewarding resourceful and informative You will come across comments from some of humanitys and Christendoms finest and brightest academics in an eclectic form Join the author now on his literary expedition Welcome

Principles of the Kingdom of God Kenneth B. Alexander, 2013-05-22 Table of Contents Principles of the Kingdom of God Title Page Table of Contents Preface Introduction To Principles of the Kingdom of God God Is Real Who and What Is God Introduction Names of God In the Old Testament Names of God In the New Testament The Father The Son The Holy Spirit Oneness of the Trinity Man Body Soul and Spirit The Soul The Body The Spirit The Principle of Faith More Things About Faith The Principle of Hope The Principle of Love The Principle of Spirituality Transference and Appropriation How God Transfers His Nature to You The Way He Removes Sin The Principle of the Father s Family The Principle of Prophecy and Prophets The Principle of Salvation Becoming a Son of God The Body of Christ The Principle of Resurrection Life Hell Hades Gehenna Sheol Satan His Nature Purpose and Spiritual Warfare The Lord s Supper and the Last Supper The Principle of Worship The Second Coming of Jesus Christ The Principle of Authority Over Futility Creators of a New Age Principles of the Kingdom of God is the title of this Book This Book explores spiritual principles as opposed to the principles of this present age In everyday life we are well familiar with the principles that operate here on the earth We know that when a door is shut we must open it in order to pass through We know that touching a hot stove will cause pain and a burn Science is aware of the rules and boundaries of the laws of

physics and chemists know the results of mixing elements together to cause a certain result Although there are many of the scientific laws of nature currently unknown to mankind he continues to strive to find answers and to reconcile the scientific world of which we are aware using out five senses What science does not understand or is unwilling to admit there is a realm beyond the certainties of this physical realm that is incapable of scientific proof That realm is called The Spiritual Realm Most deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don t apply it to their everyday lives or scientific pursuits Some look on such things as foolishness as the Apostle Paul said But a natural unspiritual man does not accept the things of the Spirit of God for they are foolishness to him and he cannot understand them because they are spiritually appraised 1 Corinthians 2 14 However as this book will attempt to point out the spirit realm is very much a real place actually more real than our physical world The spirit world has its own set of rules and principles that govern it However its ways are past finding out by the natural mind of man and thus invisible to those without spiritual sight The Apostle Paul said in the Bible because the human mind is hostile toward God for it does not subject itself to the law of God for it is not even able to do so Romans 8 7 Thus our intellect is useless in knowing anything beyond what we can see or touch Just taking the most basic of the spiritual laws the 10 commandments for instance who can argue that we all would be a little better off if everyone was able to follow these basic rules There would be no crime therefore no expensive jails to confine criminals The family unit which has been broken down in this generation would stay intact as children would respect their parents there would be no adultery to break up the family and coveting would all together cease There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so There would be no greed war competition etc just to name a few Jesus said that if we were to pray at all we should pray to God
