Carazo, 2023-05-16 This volume adds to previous historical and political studies about *Gladiator* with essays about the movie's relation to pop culture and contemporary discourses It not only relates *Gladiator* to traditional cinema aspects such as heroism music acting studio culture and visual effects but it also connects the film to sports religion and the environment expanding the ways in which the film can be evaluated by modern audiences The volume can be read by individuals or in classroom settings especially as a recommended text for students studying the ancient world in film Structures of Epic Poetry Christiane Reitz, Simone Finkmann, 2019-12-16 This compendium 4 vols studies the continuity flexibility and variation of structural elements in epic narratives It provides an overview of the structural patterns of epic poetry by means of a standardized stringent terminology Both diachronic developments and changes within individual epics are scrutinized in order to provide a comprehensive structural approach and a key to intra and intertextual characteristics of ancient epic poetry **Spenser, Milton, and the Redemption of the Epic Hero** Christopher Bond, 2011-04-29 This book studies the interplay of theology and poetics in the three great epics of early modern England the *Faerie Queene* *Paradise Lost* and *Paradise Regained* Bond examines how Spenser and Milton adapted the pattern of dual heroism developed in classical and Medieval works Challenging the opposition between Calvinist allegorical Spenser and Arminian dramatic Milton this book offers a new understanding of their doctrinal and literary affinities within the European epic tradition *Essay on the Life and Poetry of Homer* Plutarch, 1996 This bilingual edition with introduction and brief

commentary makes accessible for the first time in English a text of great importance for the history and interpretation of Homer Although attributed to Plutarch the Essay is probably the work of a grammaticus of the second and third century and is the single most valuable source of evidence for the nature of the teaching of Homer in the schools of the Roman Empire Well represented in the manuscript tradition the Essay was used as prefatory material by Renaissance editors of Homer beginning with the editio princeps 1488 and so exercised a powerful influence on Renaissance and early modern readers who often refer to Plutarch as an authority on Homer The newly edited Greek text is presented with facing translation *The Just and the Lively* Michael Werth Gelber, 2002 Recognition is often considered a means to de-escalate conflicts and promote peaceful social interactions This volume explores the forms that social recognition and its withholding may take in asymmetric armed conflicts examining the risks and opportunities that arise when local state and transnational actors recognise misrecognise or deny recognition of armed non state actors By studying key asymmetric conflicts through the prism of recognition it offers an innovative perspective on the interactions between armed non state actors and state actors In what contexts does granting recognition to armed non state actors foster conflict transformation What happens when governments withhold recognition or label armed non state actors in ways they perceive as misrecognition The authors examine the ambivalence of recognition processes in violent conflicts and their sometimes unintended consequences The volume shows that while non recognition prevents conflict transformation the recognition of armed non state actors may produce counterproductive precedents and new modes of exclusion in intra state and transnational politics **The History of the Epic** A. Johns-Putra, 2006-07-11 This book presents a history of the epic from the classical age to the present day It deals not just with the well known epics of antiquity and the Renaissance but also pursues developments in more recent literature and film It offers an exploration of the changes that have taken place in the genre from Homer to Hollywood

Voice, Text, Hypertext Raimonda Modiano, Leroy F. Searle, Peter L. Shillingsburg, 2016-06-01 Voice Text Hypertext illustrates brilliantly why interest in textual studies has grown so dramatically in recent years For the distinguished authors of these essays a text is more than a document or material object It is a cultural event a matrix of decisions an intricate cultural practice that may focus on religious traditions modern underground literary movements poetic invention or the irreducible complexity of cultural politics Drawing from classical Roman and Indian to modern European traditions the volume makes clear that to study a text is to study a culture It also demonstrates the essential importance of heightened textual awareness for contemporary cultural studies and critical theory and indeed for any discipline that studies human culture **2025-26 NTA UGC-NET/JRF Political Science Solved Papers** YCT Expert Team , 2025 26 NTA UGC NET JRF Political Science Solved Papers 544 1095 E This book contains the previous year solved papers from 2012 to 2024
