Dimitriou, Dieter Riemann, 2022-03-11      **Cleveland Journal of Medicine** , 1898      **Brain Recharge** Isabella

Brooks, AI, 2025-03-14 Brain Recharge offers a holistic evidence based approach to boosting cognitive function and mental energy through nutrition exercise and targeted cognitive exercises In today s fast paced world mental fatigue is increasingly common Did you know that specific nutrients support neurotransmitter synthesis protecting against oxidative stress while exercise stimulates blood flow and neurogenesis The book emphasizes that integrating these three areas can lead to sustainable improvements in mental clarity and focus The book begins by explaining brain function and the causes of mental fatigue It then explores vital nutrients various exercise types and cognitive exercises targeting memory attention and problem solving What sets this book apart is its practical framework for creating a personalized Brain Recharge program The book progresses by first laying a foundation of core principles then moves into specific nutritional and exercise components followed by cognitive exercises It concludes by providing a plan for integrating these elements into daily routines and monitoring progress empowering readers to take control of their cognitive well being      **District Nursing at a Glance**

Matthew Bradby, 2022-03-08 District Nursing at a Glance is the perfect study and revision guide for students and qualified nurses alike providing a concise yet thorough overview of community care and its implications for nursing practice A new addition to the market leading at a Glance series this dynamic and highly visual resource covers a wide range of fundamental topics from the historical and theoretical background of district nursing to practical information on prescribing mental health home assessment pain management end of life care and much more Beautifully illustrated throughout this portable and accessible guide Provides a clear picture of delivering care in a patient s own home and addresses many contemporary and emerging aspects of practice Covers stroke cancer diabetes epilepsy chemotherapy and other common diseases suffered by patients in the community setting Offers up to date information and advice on evidence based practice educational pathways and career development Discusses the use of mobile technology to support professional practice of caring for patients in their homes Includes summary boxes key points full references links to online resources and recommendations for practice to improve the learning experience District Nursing at a Glance is a must have revision guide and reference for pre registration nursing students particularly those in community clinical placements post registration students on district nursing courses and newly qualified district nurses and healthcare assistants      *The Essential Guide to the Internet for Health Professionals* Sydney Chellen, 2015-05-11 First published in 2003 Routledge is an imprint of Taylor Francis an informa company

**Selected Writings of John Hughlings Jackson: On Epilepsy and epileptiform convulsions** John Hughlings

Jackson,1931      **Neuroimaging in Epilepsy** Gregory Cascino,Clifford R. Jack,1996 A practical and well illustrated text on the techniques and procedures used in imaging in patients with epilepsy There exists no other textbook devoted solely to this topic The value of neuroimaging in patients with seizures is great Patients with partial or focal restricted to a certain portion of the brain require CT or MRI scans to determine whether a brain lesion is associated with the epilepsy PET scans help to elucidate some of the metabolic changes that occur during seizures Evaluation and management of patients with epilepsy now routinely incorporate imaging techniques whether or not the patient undergoes surgery Drs Cascino and Jack have edited a highly illustrated and authoritative text on the topic They have enlisted internationally known authors from the US Canada England and Australia In addition the book is being published under the auspices of the Mayo Foundation
