**Find Your Story, Write Your Memoir** Lynn C. Miller,Lisa Lenard-Cook,2013-05-31 Every person has a story to tell but few beginners know how to uncover their story s narrative potential And despite a growing interest among students and creative writers few guides to the genre of memoirs and creative nonfiction highlight compelling storytelling strategies Addressing this gap the authors provide a guide to memoir writing that shows how an aspiring writer can use storytelling tools and tactics borrowed from fiction to weave personal experiences into the shape of a story *An Incomplete Memoir* Charles L. McGranaghan,2018-07-13 This book is a history of the first half of the author s long life Its content and episodes are intended for family member and close friend readers It may be of some assistance to those writing their memoirs This final and more detailed edition supersedes two previous editions **Memoir** Ben Yagoda,2009-11-12 From a critically acclaimed cultural and literary critic a definitive history and analysis of the memoir From Saint Augustine s Confessions to Augusten Burroughs s Running with Scissors from Julius Caesar to Ulysses Grant from Mark Twain to David Sedaris the art of memoir has had a fascinating life and deserves its own biography Cultural and literary critic Ben Yagoda traces the memoir from its birth in early Christian writings and Roman generals journals all the way up to the banner year of 2007 which saw memoirs from and about dogs rock stars bad dads good dads alternadads waitresses George Foreman Iranian women and a slew of other illustrious persons and animals In a time when memoir seems ubiquitous and is still highly controversial Yagoda tackles the autobiography and memoir in all its forms and iterations He discusses the fraudulent memoir and provides many examples from the past and addresses the ramifications and consequences of these books Spanning decades and nations styles and subjects he analyzes the hallmark memoirs of the Western tradition Rousseau Ben Franklin Henry Adams Gertrude Stein Edward Gibbon among others Yagoda also describes historical trends such as Native American captive memoirs slave narratives courtier dramas where one had to pay to NOT be included in a courtesan s memoir Throughout the idea of memory and truth how we remember and how well we remember lives is intimately explored Yagoda s elegant examination of memoir is at once a history of literature and taste and an absorbing glimpse into what humans find interesting one another **Performative Memoir** Theresa Carilli,Adrienne Viramontes,2021-03-31 In Performative Memoir The Methodology of a Creative Process Theresa Carilli and Adrienne Viramontes construct a new genre of writing performative memoir Drawing on scholarship in performance studies and autoethnography the authors outline a methodology for studying autoethnography performance and memoir in a new creative process Carilli and Viramontes then demonstrate the process by creating their own performative memoirs titled Loving Crazy and Mexican Love and perform a close reading of each memoir to show how these theories can be applied to our own personal experiences and trauma

Scholars of performance studies communication media studies cultural studies and trauma studies will find this book particularly useful

**Daniel Mendelsohn's Memoir-Writing** Sophie Vallas,2021-11-16 This volume of eight essays written by French scholars analyzes Daniel Mendelsohn's first three volumes of nonfiction *The Elusive Embrace* 1999 *The Lost* 2006 and *An Odyssey* 2017 and includes an illustrated interview 2019 in which Mendelsohn tackles various aspects of his work as a literary and cultural critic as a professor of classical literature as a translator and as a memoirist The essay discussing *The Elusive Embrace* 1999 argues that in addition to offering a subtle reflection on sexual identity and genres Mendelsohn's first volume already broadens his topic and patiently weaves links between ancient and present times feeding his meditation with his knowledge of Greek culture and myths a natural movement of back and forth which would become his signature *The Lost* 2006 his much acclaimed investigation on six members of his family who died during the period known as the Holocaust by bullets is analyzed as a close up on the disappearance of a whole world the unspeakability of which Mendelsohn addressed through intertwining several languages linguistic echoes and biblical references Finally Mendelsohn's recent *An Odyssey* 2017 is studied as a brilliant musing on teaching Homer's masterpiece while building up a memoir on his declining father sitting among his students and allowing Homer's universal questions and lessons to enlighten a father and son's last journey

**Serial Memoir** N. Stamant,2014-06-23 *Serial Memoir* chronicles the phenomenon of seriality in memoir a transition in life writing toward repeated acts of self representation in the later twentieth century Such a shift demonstrates a new way to understand and represent constantly shifting subjectivities and their ambivalent relationship to the concept and structure of the archive

**Renaissance Military Memoirs** Yuval N. Harari,2004 *Renaissance military memoirs* studied for what they reveal of contemporary attitudes towards war selfhood and identity This is a study of autobiographical writings of Renaissance soldiers It outlines the ways in which they reflect Renaissance cultural political and historical consciousness with a particular focus on conceptions of war history selfhood and identity A vivid picture of Renaissance military life and military mentality emerges which sheds light on the attitude of Renaissance soldiers both towards contemporary historical developments such as the rise of the modern state and towards such issues as comradeship women honor violence and death Comparison with similar medieval and twentieth century material highlights the differences in the Renaissance soldier's understanding of war and of human experience

*The Mother of Yiddish Theatre* Mikhl Yashinsky, 2025-07-24 Originally appearing in the Warsaw daily Der Moment 1926-7 this intimate selfportrait by pioneering Yiddish actress Ester Rokhl Kaminska 1870-1925 appears here for the first time in English As it moves through her life we see this towering artist and her art form emerge observing how Kaminska navigates the perilous move from shtetl to city stages illegal performances in unlikely venues around the Russian Empire and eventually earns the exultant acclaim of her public The memoirs richly disclose the texture of everyday life for working Jewish women and all the grit and hard won glamour of backstage or in her case back barn barrack barroom life An extensive introduction and notes by Mikhl Yashinsky provide historical context and an appraisal of Kaminska's epoch making talent

**War Memoirs 1917-1919** Wilfred R. Bion, 2018-05-08 Bion's War Memoirs is perhaps the most exceptional piece of autobiography yet written by a psychoanalyst The first section of the book is documentary consisting of the entire text of the diaries which the author wrote as a young man to record his experiences on the Western Front in 1917-1919 and this volume also includes the photographs and diagrams with which he illustrated his recollections The diaries are followed by two later essays in which he reflects upon his wartime experiences The author has long been renowned as one of the great psychoanalysts his career spanning much of the twentieth century and making him one of the most influential names in the field The author's war diary which he kept with him during combat covered his years fighting in France during the First World War He was just twenty years old when he began writing it War Memoirs constitutes the final part of the author's autobiography

*Flirtin' With the Monster* Ellen Hopkins, 2009-05-01 Where is the line between truth and fiction Why do love and addiction so often go hand in hand What does the real Kristina think about the way her story is told in Crank and Glass Crank and Glass have always been more than just stories Join their author Ellen Hopkins and a host of other writers as they delve deep into Kristina's story from the straight truth on the physical effects of methamphetamine addiction to the psychological consequences of keeping secrets and how Hopkins' books have encouraged so many teens to reveal theirs With an essay by Ellen's real life daughter the basis for the character of Kristina that tells her

version of the events that inspired the books along with perspectives from Scott Jake and 10 year old Hunter the baby from Crank Flirtin with the Monster is a compelling journey through the complexities of Hopkins beloved bestselling works

*Intersections in Healing* Lauren P. Cantwell-Jurkovic, 2024-04-01 Healthcare professionals and health science librarians need to know more than research practices and clinical knowledge to become transformational individuals and leaders in their field Empathy and compassion appreciation for the various social and cultural contexts of health care and illness and utilizing the contributions the arts humanities and humanistic social sciences can add depth and dimension to their work While librarians are not usually the healthcare professionals themselves they serve an important role in the development of healthcare professionals through their work in educational and or healthcare settings helping train others in the goals of the curriculum and in lifelong learning related habits of mind This book offers librarians an opportunity to learn about and develop approaches to the health humanities for their benefit and the benefit of their constituents and stakeholders as well as for impacting the future health care professionals of our global community In addition to foundational contents on the history of the health humanities this book approaches the health humanities from a wealth of angles including archives and special collections collection development privacy biases empathy skills development through writing and programming engagement and through consideration of special populations and more Beyond essential health humanities grounding and topical perspectives this book shares valuable pedagogical and instructional approaches and outreach strategies for bringing librarians into conversation with campus departments curricular pathways instructors goals and learners needs These modifiable adaptable techniques will allow readers to develop the confidence and tools they need to bring the health humanities to their institutions and will help the perspectives and skillsets of the health humanities flourish among the next generation of health care professionals **The Selected Works of Margaret Oliphant, Part II Volume 8** David
