Pelagius's Commentary on St Paul's Epistle to the Romans Pelagius, Theodore De Bruyn, 1993 The Pelagian controversy whether man is saved through predestination or by his own free will has proved one of the most enduring and fiercely contended issues of the Christian church and has secured Pelagius a lasting place within its history Few of Pelagius writings however have been preserved and until recently none was available in English translation This volume presents Pelagius commentary on Paul s Letter to the Romans for the first time in English The commentary one of thirteen on the Pauline Epistles dates from the time when Pelagius was active in Rome before he became embroiled in controversy But already there are adumbrations of the later debate and signs of different currents of thought in Italy and beyond In his introduction Theodore de Bruyn discusses the context in which Pelagius wrote the commentary and the issues which shaped his interpretation of Romans He also takes up questions about the edition of the commentary The translation is annotated with references to Pelagius contemporaries A new recension of Pelagius text of Romans is presented in an

appendix **Commentary on Paul's Epistle to the Romans** William Swan Plumer,1871 **Faith in Jesus and Paul**
 Maureen W. Yeung,2002 For the hundred years since W Wrede Paulus 1904 made the provocative claim that Paul should
 rightly be regarded as the second founder of Christianity scholars have debated vigorously on the relationship between Jesus
 and Paul Past studies on the Jesus Paul debate have largely been confined to either the literary or the theological level This
 study looks at the issue afresh by combining the historical and the theological approaches The discussion focuses on the
 issue of faith paying special attention to two groups of Jesus sayings Faith that can remove mountains and Your Faith has
 healed saved you and Paul s use of Gen 15 6 and Hab 2 4 The distinctive methodology of this study is to compare Jesus and
 Paul against the backdrops of the Jewish biblical tradition and Hellenistic parallels The picture of the Jesus Paul relationship
 that emerges is a most complex one To a great extent the similarity between Jesus and Paul is due to their common Jewish
 heritage The early Church plays a part in influencing Paul s concept of faith and Paul himself reinterprets the Jewish
 Scriptures in an innovative manner At the same time Paul is found to be greatly indebted to Jesus for his concept of faith The
 method of placing Jesus and Paul against the Jewish and Hellenistic backgrounds permits a fuller appreciation of the
 historical and theological continuities between Jesus and Paul than has hitherto been possible **The Epistle to the**
Romans Douglas J. Moo,1996-09-30 Paul s letter to the Romans has been called the quintessence and perfection of saving
 doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many
 issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar
 Douglas Moo provides a superb study of Paul s letter to the Roman Christians and restates the enduring message of Romans
 for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially
 expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the
 English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological
 meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul s teaching on
 such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts
 with the new perspective on Paul highlights Romans s emphasis on practical divinity and traces the theme of gospel
 throughout the epistle *An Intertextual Commentary on Romans, Volume 1* Channing L. Crisler,2021-06-18 An Intertextual
 Commentary on Romans is an exhaustive treatment of the hundreds of Old Testament citations allusions and echoes
 embedded in Paul s most famous epistle As many scholars have acknowledged to understand Paul s engagement with Israel s
 Scriptures is to understand Romans Despite this acknowledgment there is a dearth of reference works in which the primary
 focus is how the Old Testament impacts Paul s argument from Romans 1 1 to 16 27 This four volume commentary aims to
 provide just such a reference The interplay between Romans and its vast sea of Old Testament pre texts produces unstated
 points of resonance that illuminate Paul s rhetorical argument from the letter s opening to its closing doxology Volume 1

examines the Old Testament pre texts in Romans 1 1 4 25 Although the citations of Habakkuk 2 4 and Genesis 15 6 in this section of the letter often dominate intertextual discussions several other Old Testament pre texts though often overlooked support the intertextual subtext of the letter and thereby illuminate various features of Paul s argument In this commentary each of these pre texts is examined from a variety of perspectives The overarching aim of the commentary is to provide scholars interpreters and students with verse by verse analysis of how Israel s Scriptures impact almost every clause of Paul s most famous letter
