Epstein Artist Against The Establishment:

Epstein Stephen Gardiner, 1993 **Sculpture, Sexuality and History** Jana Funke, Jen Grove, 2019-01-04 This book investigates the wide ranging connections between sculpture sexuality and history in Western culture from the eighteenth century to the present Sculpture has offered a privileged site for the articulation of sexual experience and the formation of sexual knowledge As historical objects sculptures also draw attention to the different ways in which knowledge about sexuality is facilitated through an engagement with the past Bringing together contributors from across disciplines including art history classics film studies gender studies history literary studies museum studies queer theory and reception studies the volume presents original readings of sculptural art in relation to antiquarianism aesthetics collecting cultures censorship and obscenity psychoanalysis sexology and the experience and regulation of museum spaces It examines how sculptural encounters were imagined and articulated in literature painting film and science As a whole the book opens up a new understanding of the ways in which sculptures as real or imagined objects have fundamentally shaped approaches to and receptions of the past in relation to sex gender and sexuality Chapters 8 and 10 of this book are available open access under a CC BY 4 0 license at link.springer.com

Mistress of Modernism Mary V. Dearborn, 2004-09-15 The life story of the bohemian socialite who rebelled against her famous family and became a renowned art collector Peggy Guggenheim was the ultimate self invented woman a cultural mover and shaker who broke away from her poor little rich girl origins to shape a life for herself as the enfant terrible of the art world Her visionary Art of This Century gallery in New York which brought together the European surrealist artists with the American abstract expressionists was an epoch shaking happening at the center of its time In *Mistress of Modernism* Mary V Dearborn draws upon her unprecedented access to the Guggenheim family friends and papers to craft a thorough biography that will appeal to art lovers interested in more than the paint Publishers Weekly With drive and clarity Dearborn charts Guggenheim s peripatetic life offering rich insight into Peggy s traumatic childhood in German Jewish New York her self education in the ways of art and artists her caustic battles with other art collecting Guggenheims and her legendary sexual appetites her lovers included Max Ernst Samuel Beckett and Marcel Duchamp to name just a few Booklist Here too is a poignant portrait of Peggy s last years as *ultima dogressa* the last female doge in her palazzo in Venice where her collection still draws thousands of visitors every year *Mistress of Modernism* is the first definitive biography of Peggy Guggenheim whose wit passion and provocative legacy Dearborn brings compellingly to life

Visual Shock Michael Kammen, 2009-04-22 In this lively narrative award winning author Michael Kammen presents a fascinating analysis of cutting edge art and artists and their unique ability to both delight and provoke us He illuminates America s obsession with public memorials and the changing role of art and museums in our society From Thomas Eakins s 1875 masterpiece *The Gross Clinic* considered too big bold and gory when first exhibited to the bitter disputes about Maya Lin s Vietnam War Memorial this is an eye opening account of American art and the battles

Mystic Leeway Frances Gregg, 1995-06-15 Who is Frances Gregg In her youth she was a poet in her own right a friend of Ezra Pound and an intimate of Hilda Doolittle and John Cowper Powys In our literary history particularly the history of Modernism she has been a mysterious presence Now with this publication for the first time of *The Mystic Leeway* we have Gregg s testament to her lovers her life her deeply troubled times and to Art Written over the three years before her tragic death in the bombing of Plymouth in 1941 this memoir marks the course of Gregg s journey both spiritual and physical through a passionate life With painful and amusing honesty Gregg records her experience of other icons of Modernism including William Butler Yeats May Sinclair Alice Meynell George Moore Jacob Epstein Walter Rummel and Louis Wilkinson

British Art and the First World War, 1914-1924 James Fox, 2015-07-30 The First World War is usually believed to have had a catastrophic effect on British art killing artists and movements and creating a mood of belligerent philistinism around the nation In this book however James Fox paints a very different picture of artistic life in wartime Britain Drawing on a wide range of sources he examines the cultural activities of largely forgotten individuals and institutions as well as the press and the government in order to shed new light on art s unusual role in a nation at war He argues that the conflict s artistic consequences though initially disruptive were ultimately and enduringly productive He reveals how the war effort helped forge a much closer relationship between the British public and their art a relationship that informed the country s cultural agenda well into the 1920s *The Concise New Makers of Modern Culture* Justin Wintle, 2008-11-28 A Who s Who of

Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms

The Social Life of Art Peter Stupples, Jane Venis, 2014-11-10 This study examines not only the objects and processes that make up the artworlds of human history but also the social and cultural circumstances the historicised contexts that bring about their making frame their functioning inform their properties and influence their effects both at the time of their creation and throughout their subsequent biographies In the short span that art has played a part in human life one may conceive of time as a social river with a strong current towards the capricious mainstream and eddies and quiet pools near the banks The current will flow faster in spate and slower in drought But it will be forever in motion It will be unpredictable Nothing will stop its inexorable force Art runs in that social river subject to the flow and chance of time

Haig and Kitchener in Twentieth-Century Britain Stephen Heathorn, 2016-04-22 Lord Kitchener and Lord Haig are two monumental figures of the First World War Their reputations both in their lifetimes and after their deaths have been attacked and defended scrutinized and contested They have been depicted in film print and public memorials in Britain and the wider world and new biographies of both men appear to this day The material representations of Haig and Kitchener were shaped used and manipulated for official and popular ends by a variety of groups at different times during the twentieth century The purpose of this study is not to discover the real individual nor to attack or defend their reputations rather it is an exploration of how both men have been depicted since their deaths and to consider what this tells us about the nature and meaning of First World War commemoration While Haig's representation was more contested before the Second World War than was Kitchener's with several constituencies trying to fashion and use Haig's memory the Government the British Legion ex servicemen themselves and bereaved families it was probably less contested but overwhelmingly more negative than Kitchener's after the Second World War The book sheds light on the notion of heroic masculinity questioning in particular the degree to which the image of the common soldier replaced that of the high commander in the popular imagination and explores how the military heritage in the twentieth century came into collision with the culture of modernity It also contributes to ongoing debates in British historiography and to the larger debates over the social construction of memory the problematic relation between what is considered heritage and history and the need for historians to be sensitive and attentive to the interconnections between heritage and history and their contexts
