

The background of the slide is a complex, abstract fractal-like pattern. It features a central vertical axis with two primary regions of swirling, concentric patterns that resemble vortices or eyes. These regions are filled with intricate, multi-colored lines (including shades of blue, green, yellow, and red) that spiral inward toward two small, solid black dots, one in each vortex. The overall shape of the pattern is roughly triangular, with the base at the bottom and the apex at the top. The colors are most vibrant in the central regions and fade into a dark, almost black, background towards the edges.
