

A stylized world map with a red line representing the equator. The map is rendered in shades of yellow, orange, and blue, with a textured, painterly appearance. The continents are outlined in a darker color, and the oceans are a lighter blue. The equator line is a vibrant red, passing through the center of the map.

**Following the Equator; A Journey Around the World** Mark Twain, 2023-09-14 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision Equator Thurston Clarke, 2014-09-09 Widely considered a jewel of contemporary travel literature Equator is Thurston Clarke's magnificent witty account of his solo journey along the earth's torrid midsection a grueling twenty five thousand mile odyssey that spanned three years and as many continents His was a perilous trek across an almost surreal landscape where a first class hotel appeared smack in the middle of a leper colony and a one time Pacific island paradise stood as a hideous bomb blasted testament to nuclear folly Along the way Clarke encountered the world's heaviest rat the earth's highest volcano and the king of a Micronesian island wearing flip flops and a novelty T shirt Throughout Clarke's unflagging sense of humor and wonder make Equator a classic of its kind *Following the Equator* Mark Twain,

discussed Twain's death on a lecture tour in Australia. The author makes numerous stops in mining regions of Australia including Stawell, Ballarat and Bendigo. In the latter stop Twain encounters Mr. Blank, the sole member of the Mark Twain Club of Corrigana, Castle Ireland. He is also the man who wrote the letter to Olivia about Twain's death. The travelers' next stop is briefly at Hobart, the capital of Tasmania, and then move on to several towns in New Zealand. In Nelson, the group learns of the Maungatapu Murders, the sole event of historical importance to occur in the town. After a quick stop in Auckland, the capital, Twain visits Wanganui where the Maori people and culture are discussed. The party returns to Australia to spend Christmas in Melbourne and New Year's at Adelaide before setting sail for Ceylon, India. The first stop in India is Bombay, which Twain finds to be a fabulous city of great contradictions: great wealth and extreme poverty, ornate palaces and ramshackle hovels. Twain gives a lengthy description of his interesting experiences while taking in Bombay, including a religious ceremony, the wedding of a 12-year-old girl, and a murder trial. The party takes the train to Baroda where Twain rides an elephant. A longer train ride to Allahabad, the City of God, follows where a religious ceremony is being held. Next stop is Benares, an important religious center where they take a cruise on the Ganges. The journey through India continues with stops in Calcutta, Darjeeling, and numerous other cities. At this point Twain relates the history of the Great Mutiny of 1857 in which the Indian people revolted against the British. Upon leaving India, the party heads for Durban, South Africa, after a brief stop at Mauritius and Mozambique. Brief stops at Johannesburg, Cape Town, and other towns round out the relatively brief South Africa portion of the book. The lecture tour here ends, and the travellers head back to Southampton, England. The personalities of the ship's crew and passengers, the poetry of Australian place names, and the success of women's suffrage in New Zealand, among other topics, are the focus of his wry humor and redoubtable powers of observation. Following the Equator is an evocative and highly unique American portrait of nineteenth-century travel and customs.
