Equity And Excellence In Education For Development:

Education and Development: Equity and excellence in education for development James Lynch, Celia Modgil, Sohan Modgil, 1997 **International Handbook on Education Development in the Asia-Pacific** Wing On Lee, Phillip Brown, A. Lin Goodwin, Andy Green, 2023-11-20 The Springer International Handbook of Educational Development in Asia Pacific breaks new ground with a comprehensive fine grained and diverse perspective on research and education development throughout the Asia Pacific region In 13 sections and 127 chapters the Handbook delves into a wide spectrum of contemporary topics including educational equity and quality language education learning and human development workplace learning teacher education and professionalization higher education organisations citizenship and moral education and high performing education systems The Handbook is grounded in specific Asia Pacific contexts and scholarly traditions using unique country specific narratives for example Vietnam and Melanesia and socio cultural investigations through lenses such as language identity or colonisation while offering parallel academic discourse and analyses framed by broader policy commentary from around the world **Contemporary Issues in African Administration and Development Politics** ,1990 **Resources in Education** ,1994 Serves as an index to Eric reports microform Redefining Educational Leadership in Central Asia Mir Afzal Tajik, Tsediso Michael Makoele, 2024-03-21 Redefining Educational Leadership in Central Asia brings together the voices views experiences and reflections of educational leaders from both secondary schools and higher education institutions in Kazakhstan and Kyrgyzstan Handbook of Research on the Educator Continuum and Development of Teachers Zugelder, Bryan S., L'Esperance, Mark, 2022-06-24 In light of recent sociological events and the COVID 19 pandemic education has undergone an incredible change in both policy and delivery As a result many educators have sought different career paths It is essential to maintain a concentrated effort to retain educators however recruiting teachers into the profession is only one area of focus there must be intentional support for teacher development along the educator continuum in order to sustain the profession through institutional struggles The Handbook of Research on the Educator Continuum and Development of Teachers expands on the body of research related to the educator continuum with a holistic view of teacher development This book combines theory concepts and research studies that pinpoint facets of the educator continuum providing researchers with scholarly contributions that advance the profession Covering topics such as instructional coaching special educator career development and teacher retention this major reference work is a valuable resource for educational faculty and administration teacher colleges educators of K 12 and higher education pre service teachers government officials teacher education administrators libraries researchers and academicians **Connotative Learning** ,2004 **Equity Issues in Chinese Higher Education Policy** Hongzhi Zhang, 2024-06-14 Investigating the highly influential enrolment expansion policy in Chinese higher education this book outlines how educational equity issues were understood and addressed in the formulation and implementation of the policy and its impacts on the socio economic

fabric of China in the past decades Drawing on Chinese policy documents and interviews with government and university representatives Zhang examines the education system under the Mao era and the post Mao era and outlines the different approaches to equity that have characterized education in China in the 20th and 21st centuries Stephen Ball's policy cycle is used as a framework to analyse the various contexts text discourse and social practice in which policy is formed Zhang argues that education policy was not simply driven by concerns of equity but also by economic interests and political discourse Zhang further goes on to analyse how education policy was implemented by provincial governments and highlights the tension between central policy and on the ground implementation Bringing analysis of Chinese policy and research to a wider audience this text will interest education policymakers and academics in the field of educational equity and higher education research

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954, 2003 **Second International Handbook of Urban Education** William T. Pink, George W. Noblit, 2017-01-06

This second handbook offers all new content in which readers will find a thoughtful and measured interrogation of significant contemporary thinking and practice in urban education Each chapter reflects contemporary cutting edge issues in urban education as defined by their local context One important theme that runs throughout this handbook is how urban is defined and under what conditions the marginalized are served by the schools they attend Schooling continues to hold a special place both as a means to achieve social mobility and as a mechanism for supporting the economy of nations This second handbook focuses on factors such as social stratification segmentation segregation racialization urbanization class formation and maintenance and patriarchy The central concern is to explore how equity plays out for those traditionally marginalized in urban schools in different locations around the globe Researchers will find an analysis framework that will make the current practice and outcomes of urban education and their alternatives more transparent and in turn this will lead to solutions that can help improve the life options for students historically underserved by urban schools *Equity, Equality and Diversity in the Nordic Model of Education* Tove Stjern Frønes, Andreas Pettersen, Jelena Radišić, Nils Buchholtz, 2021-01-21 Does the Nordic model of education still stand by its original principles and safeguard education for all This Open Access volume is a carefully crafted collection of chapters that investigate the different aspects of equity equality and diversity across the education systems in the Nordic countries Based on data from various national and international large scale assessments the volume provides a better understanding of both the functions and foundations of the Nordic model along with how the concepts mentioned above are enacted in practice Across the chapters data from different national and international large scale assessment studies are used for cross and single country analyses on a variety of issues related to equity equality and inequality in diverse educational settings The investigations address different subject domains i.e. mathematics science reading age and grade groups but also issues related to teachers and the schools themselves In addition to these empirical chapters the book addresses the theoretical and methodological underpinnings of the ideas and tools embedded in the

phenomena of equity and equality and how they have met in the Nordic model of education

Effective Educational Programs, Practices, and Policies for English Learners Lilia Minaya-Rowe, 2014-10-01 The central issue of this volume is how to meet the linguistic and academic needs of the increasing numbers of English learners ELs At the center of educational turns is the role of school professionals in this Common Core Standards era Teacher education programs and professional development or pre service and in service programs for teachers of ELs are currently being reframed to reflect the new demands placed on all teachers in light of the new standards The expectation is that ELs can learn and their teachers possess the expertise to teach both discipline content and academic English at the same time The large numbers of ELs across the country have created a wide gap between what teachers have been trained to do and the skills they need to teach and reach them effectively This practical handbook brings together research policy and practice on teacher effectiveness pre service and in service programs in the context of student linguistic and cultural diversity Key features include Clearly articulated teacher training and professional development programs Coverage of Common Core curriculum and a variety of instructional programs and practices with research based tools to implement them and Policies to equitably and effectively prepare ELs academically and linguistically
