**A Collection of Columns** Rick T. Rae, 2022-11-02

Book contains columns and observations published in various newspapers managed by Rick Rae during the course of his half century career in the business Book Review by Alice Queen of rockdalenewtoncitizen.com Rick Rae loves his family and loves his cars That much is clear from a reading of his second book A Collection of Columns a series of personal and observational essays the native of Canada whose newspaper management career spanned some 45 years has curated from a life well lived I've been writing columns here and there mostly internet stuff and a couple of folks noted that I've been writing them a long time and they're right I think I started back in 1974 said Rae 84 from his home in Loganville where he lives with Penny his wife of 62 years Several people suggested I package the best of them and put them in book form So I went ahead and did it Many of the pieces in Rae's new book detail his automotive obsession he bought the first of his 75 cars when he was 14 years old and a number of vacations taken by his family But the former publisher of the Rockdale Citizen Newton Citizen and Gwinnett Daily Post also delves into a host of other subjects including some inside baseball insights on the newspaper industry his thoughts on music and other significant and not so significant life moments Published by Indiana based AuthorHouse A Collection of Columns is Rae's follow up to his 2011 memoir Not Extinct Yet in which he details his many decades in newspapers Rae said he worried that the subject matter of some of the columns might seem a bit antiquated but he moved ahead with the project Unfortunately I've been at this so long that some of the columns are rather dated he said I love writing about personal experiences and the more I can get down on paper the better I'll like it although I'm getting kind of old I guess for personal experiences Two chapters particularly amusing to Rae were written in recent years for a Canadian publication for which he once worked One concerns teaming up with a co worker who was a successful pool shark and the other involved meeting a young singer who became one of country music's most beloved stars I wrote two recollection columns for a former employer in Canada they were about getting in a pool tournament and making more money than I had selling newspaper ads and also my meeting with Harold Jenkins who would later change his name to Conway Twitty he said I love to do that kind of stuff I've got a few of those in my background The book's final chapter was a column published in the Rockdale Citizen which by then had a companion paper in Newton County and the Gwinnett Daily Post on June 28 2006 the day he retired When asked if he had plans for any more books Rae said he's got something on the back burner that he might want to release One of my buddies in Canada who I grew up with is an author and makes a lot of money ghostwriting for Canadian politicians it seems like everybody in Canada wants to have a book out he said He suggested that I combine my

love of cars and my love of music and do some kind of book about cars and songs I've been thinking that might be a way to go. It's been in the back of my mind. One story that may well wind up in another book takes place during the time Rae managed a newspaper in the suburbs of Detroit and saw an up and coming performer that left an impression that remains today. I've never written about my times with Bob Seger when I worked in Pontiac, Mich. He said, "When I worked there every Friday we'd go across the road to a bowling alley that had a lounge and the guy playing there was Bob Seger. We'd listen to him until they shut the bar down at 2 in the morning; the whole newspaper used to come over and hear him perform."

Unbridled William Robert, 2022-02-14. A study of religion through the lens of Peter Shaffer's play *Equus*. In *Unbridled*, William Robert uses *Equus*, Peter Shaffer's enigmatic play about a boy passionately devoted to horses, to think differently about religion. For several years, Robert has used *Equus* to introduce students to the study of religion, provoking them to conceive of religion in unfamiliar, even uncomfortable ways. In *Unbridled*, he is inviting readers to do the same. A play like *Equus* tangles together text, performance, practice, embodiment, and reception. Studying a play involves us in playing different roles as ourselves and others, and those roles as well as the imaginative work they require are critical to the study of religion. By approaching *Equus* with the reader turning the play around and upside down, *Unbridled* transforms standard approaches to the study of religion, engaging with themes including ritual, sacrifice, worship, power, desire, violence, and sexuality, as well as thinkers including Judith Butler, Sigmund Freud, Karl Marx, Friedrich Nietzsche, and Jonathan Z. Smith. As *Unbridled* shows the way, themes and theories play out in *Equus*, challenges us to reimagine the study of religion through open questions, contrasting perspectives, and alternative modes of interpretation and appreciation.

Lucretius and the Transpadanes Louise Adams Holland, 2015-03-08. In the absence of tape recordings from antiquity, we have a limited knowledge of how classical Latin prose or verse sounded as it was rendered orally. Yet we do know that the spoken word varied greatly from place to place, regardless of how much uniformity the written language maintained. Louise Adams Holland considers the geographical basis for these linguistic differences and advances new arguments for the origin of Lucretius. She shows that he came from the same area of northern Italy, the Transpadane, as Catullus and Virgil, not from Rome, as the majority of his critics have contended. Originally published in 1979, *The Princeton Legacy Library* uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

*The Unicorn of Kilimanjaro* Robert Vavra, 1988. Vavra runs his spectacular photographic eye over East Africa in his continued search to understand the hold the mysterious unicorn has on man's imagination. He is the author of the international bestseller *Unicorns I Have Known* and the renowned photographer of *Equus Color*.

**Cowboy Away** Carly Kade, 2017-11-26. Cowboy McKennon Kelly's haunting past was a well
