## Erasing Mrs Loomis:

**Erasing Mrs. Loomis** Mary K. Baxter, 2002-02 At age 58 Julia Loomis cannot bear another day married to Joe her husband of 35 years His verbal abuse and sarcasm destroy her self image while his anger controls her like a puppet on a string Divorce is not an option When Julia and Joe are visiting the Baltimore harbor with their daughter Lucy and grandson Julia disguises herself and disappears while her family is on tour She hopes her family will think she was abducted Under the new identity as Judy England she flies to Boise Idaho Lonely and scared she faces a future entirely under her control knowing she has little money and no job skills at all She finds a job in a bookstore owned by a former professor Evan Danner His assistant Misty Rogers has a handsome twin brother Nick Although much younger than Judy he is attracted to her Judy feels she is falling in love Good friend Evan disapproves Although Judy loves her new life she knows in her heart someday Joe will find her Back in New Jersey Joe is miserable He misses all the things Julia used to do for him and even his mistress Marie can't console him The Baltimore police can find no clues and even the expensive investigator Joe has hired has come up empty Then they get a break when a charge to Western Union shows up on Julia's Visa bill Although Judy loves her new life she knows in her heart that someday Joe will find her She has developed new strength and faith in herself however and when he does she is able to confront him with new confidence An attempted robbery at the book store forces the players in this drama to join forces and come to some surprising conclusions Supreme Court, *The Whisper* Aaron Starmer, 2015-03-17 Twelve year old Alistair Cleary has washed up on shore But where It seems to be Aquavania the magical realm where children create entire worlds from their imagination There's something wrong though The creators have disappeared and the worlds are falling apart All Alistair wants is to find his friend Fiona Loomis and go home Easier said than done Animals made of starlight a megalomaniacal boy king and astronauts who peddle riddles are hard enough to outwit but they're only the beginning To find Fiona Alistair must travel from world to world He must confront the mistakes of his past And he must face countless monsters including the soul stealing stalker that some people call the Riverman the merciless but misunderstood servant of Aquavania who refers to himself as the Whisper *Colorblind* Leah Harper Bowron, 2017-07-11 The time is 1968 The place is Montgomery Alabama The story is one of resilience in the face of discrimination and bullying Using the racially repugnant word nigger two Caucasian boys repeatedly bully Miss Annie Loomis the first African American teacher at the all white Wyatt Elementary School At the same time using the hateful word harelip the boys repeatedly bully Miss Loomis's eleven year old Caucasian student Lisa Parker who was born with cleft palate and cleft lip Who will best the bullies Only Lisa's mood ring knows for sure **Miriam's Well** Lois Ruby, 2015-07-21 A terminally ill teenager is forced to choose between her religion and her life Adam doesn't think much of it when Miriam faints in class She's an oddball a student who hardly talks never makes eye contact and wears clothes that seem straight out of the 19th century She says she's fine and he wants to believe her But when she passes out while they're working on an English assignment Adam takes Miriam to the last place

she wants to go the hospital Miriam has bone cancer She believes that God will heal her but if He doesn't she plans to let herself die Miriam is a member of a devout religious sect in which women have little power and medicine is strictly forbidden In order for Miriam to forgo treatment Adam's father sues the state on her behalf even as Adam himself tries to convince her to accept the doctors help As her illness rages on Miriam will teach Adam the meaning of love and faith and he will give her a reason to live
