Erasing Pain Mathew H. M. Lee, Mathew H. M. Lee, M.D., Mary F. Bezkor, M.D., George Walsh, 2002-09-18 Millions of Americans suffer from acute and chronic pain. Often they feel helpless, unable to accurately describe and overcome their suffering. Instead of treating their pain effectively, many are subjected to unnecessary surgery or drugs with damaging side effects. The Rusk Institute for Rehabilitation Medicine is known as one of the best pain treatment centers in the world. Now the director of the Rusk Institute, Dr. Mathew H. M. Lee, has teamed up with his colleague Dr. Mary F. Bezkor to write this easy-to-read and authoritative book on pain. As you learn about the benefits and drawbacks of each therapy, you and your doctor will be able to create a pain management program tailored to your specific needs. **American Book Publishing Record**, 2002. *New York Magazine*, 1991-11-18. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **New York Magazine**, 1991-11-11. The selection of medical providers for inclusion in this book was based in part on opinions solicited from physicians, nurses, and other health care professionals. The author and publishers cannot assure the accuracy of information provided to them by third parties, since such opinions are necessarily subjective and may be incomplete. The omission from this book of particular health care providers does not mean that such providers are not competent or reputable. America's Top Doctors, 2003. Each year millions of Americans are affected by critical and life-threatening illnesses and injuries. At such

times many people realize that the medical care available within their local community may not be able to meet their needs and they seek out the very best medical care the nation has to offer But how does a patient or a family identify the nation s top medical specialists and hospitals Castle Connolly Medical Ltd surveyed over 230 000 physicians including medical school deans residency program director and chiefs of service and asked them to nominate the top doctors in their specialties Then our physician led research team reviewed the credentials of all physicians considered for inclusion before making a final selection The result is America s Top Doctors a directory of more than 4 000 of the nation s top referral specialists These physicians practice at the nation s leading medical centers and specialty hospitals and they are the doctors patients seek when they need the very best medial care Also included in the guide is a narrative explaining how to find a top doctor or hospital as well as detailed descriptions of some of the outstanding programs and services offered by many of the nation s leading hospitals The Guide also includes useful appendices descriptions of all medical specialties and a listing of health medical resources The book is fully indexed including a subject index and doctor name and location index Additionally specific chapters describe how to utilize the resources of the NIH and how to access clinical trials America s Top Doctors is a consumer guide not a who s who and is researched and published by experienced medical and healthcare professionals Castle Connolly Guides are designed to help consumers find the best healthcare and are a trusted source of information for thousands of book buyers and web users each year The company s founders were the chairman and the president of one of the nation s leading private medical colleges
