

Eric Gill

Malcolm Yorke

Eric Gill:

Eric Gill, Man of Flesh and Spirit Malcolm Yorke, 1981 [Eric Gill Archival Collection](#) Eric Gill, 1914 The collection consists of materials created and accumulated by Eric Gill as well as materials created and accumulated posthumously relating to Gill's life or by various presses in which he was involved Includes a large collection of Gill prints and original drawings as well as materials created by and relating to various presses with which Gill was involved or owned **Eric Gill**

Fiona MacCarthy, 1989 Eric Gill was a master typographer sculptor and wood engraver and a devoted family man and key personality in three Catholic art and craft communities He also believed in complete sexual freedom The author analyzes these apparent contradictions and considers Gill the man and the artist [Degenerate Moderns](#) E. Michael Jones, 1993 In this groundbreaking new book Jones shows how some of the major determining leaders in modern thought and culture have rationalized their own immoral behavior and projected it onto a universal canvas The main thesis of this book is that in the intellectual life there are only two ultimate alternatives either the thinker conforms desire to truth or he conforms truth to desire In the last one hundred years the western cultural elite embarked upon a project which entailed the reversal of the values of the intellectual life so that truth would be subjected to desire as the final criterion of intellectual value In looking at recent biographies of such major moderns as Freud Kinsey Keynes Margaret Mead Picasso and others there is a remarkable similarity between their lives and thought After becoming involved in sexual license early on they invariably chose an ideology or art form which subordinated reality to the exigencies of their sexual misbehavior **Eric Gill-Autobiography**

Eric Gill, 1969-04 **Eric Gill** Eric Gill, 1982 *A Holy Tradition of Working* Eric Gill, 1983 This book is an anthology drawn from the work of Eric Gill a well known sculptor wood and stone carver letterer engraver typeface designer and graphic artist Besides his work in the arts Gill was also a radical religious and social philosopher for whom life was more than art because it was the highest art the art of being human His interests were never theoretical and his view of life was holistic involving the whole person in a unity of art work and spiritual values This volume is a wonderful glimpse into one of the 20th century's most creative minds **Eric Gill, a Man of Letters** Eric Gill, Typocrafters (Group), 1995 **Eric Gill, the Sculpture** Judith Collins, Eric Gill, 1998-01-01 A prolific engraver sculptor letter cutter and typographer and a prominent figure in the development of British art Eric Gill 1882-1940 chose to be remembered on his grave simply as a stone carver He carved his first figural sculpture in 1909 and his distinctive serene figures have since become familiar landmarks appearing in numerous churches and on village war memorials on buildings such as the BBC's Broadcasting House in London and in public and private collections throughout the world The expressive simplicity of Eric Gill's sculpture derives in part from his practice of carving directly from the block reviving a tradition largely neglected since the Middle Ages From slender crucifixes and tender Madonnas to lithe animals and voluptuous lovers his figures overflow with what the critic Roger Fry identified as an unquenchable will to live a will which sprang from a deep conviction of the interdependence of the spiritual

and the sensual sides of life **Eric Gill** Eric Gill, Barbican Art Gallery, 1993 A Tribute to Eric Gill Betty Clark, Eric Gill, 1976 Eric Gill Eric Gill, 1979 *Eric Gill* Donald Attwater, 2019-04-30 From the Preface My aim has been no more than to give a summary exposition of Eric Gill's ideas and the convictions that lay behind them primarily with the object of encouraging my readers to turn to Gill's own writings and study them for themselves *Eric Gill* Eric Gill, Alan J. Horne, Richard Landon, Guy Upjohn, Thomas Fisher Rare Book Library, University of Toronto. Library, 1991 *The Oxford Dictionary of the Christian Church* Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader **Queer Kinship after Wilde** Kristin Mahoney, 2022-10-06 *Queer Kinship after Wilde* investigates the afterlife of the Decadent Movement's ideas about kinship desire and the family during the modernist period within a global context Drawing on archival materials including diaries correspondence unpublished manuscripts and photograph albums it tells the story of individuals with ties to late Victorian Decadence and Oscar Wilde who turned to the fin de siècle past for inspiration as they attempted to operate outside the heteronormative boundaries restricting the practice of marriage and the family These post Victorian Decadents and Decadent modernists engaged in translation travel and transnational collaboration in pursuit of different models of connection that might facilitate their disentanglement from conventional sexual and gender ideals *Queer Kinship after Wilde* attends to the successes and failures that resulted from these experiments the new approaches to affiliation inflected by a cosmopolitan or global perspective that occurred within these networks as well as the practices marked by Decadence's troubling patterns of Orientalism and racial fetishism Eric Gill Anthony Hoyland, 1994 *ERIC GILL NUPTIALS OF GOD* by ANTHONY HOYLAND ERIC GILL 1882 1940 is one of the major erotic artists of the 20th century and one of the key British modern artists Gill is still a controversial figure in art His personal life was notorious for its sexual relationships Wyndham Lewis called his work excellent and ribald while influential critic Roger

Fry one of Gill's supporters said Gill's sculpture was the outcome of a desire to express something felt in the adventure of human life. For Eric Gill, eroticism was a vital part of life and should be openly displayed in art. He moved from nudes to Madonnas easily and simply; sex and religion were part of the same mystery for him. Eric Gill built eroticism into most of his depictions of people. Quite mad on sex, Gill wrote of Jacob Epstein the sculptor in his diary December 9 1913. The statement might equally apply to Gill. He thought of sex a lot to put it mildly. Eric Gill has become a familiar figure in British modern art and life. He certainly looked the part of the Bohemian artist with his little skull caps, imitation monk's habits, artist's smocks, and his penchant for bare feet and sandals, an early hippy. Yep. In his Fabian Society Arts and Crafts and socialist period, Gill was described in Blackfriars 1941 by John Middleton Murry, a key member of D. H. Lawrence's circle, as a silent figure in a shabby mackintosh who rolled his own cigarettes. Gill the Monk Saint Gill. For Eric Gill, eroticism was a vital part of life and should be openly displayed in art. He moved from nudes to Madonnas easily and simply. The problematic and erotic relation between life and art, between the human beloved and the art object, is vividly expressed in the way Eric Gill started working in sculpture. By far the most common subject in Eric Gill's sculpture was religious and Christian: the nudes, acrobats, contortionists, and divine lovers may receive more attention in art criticism, but the religious and Catholic sculptures are more numerous. There are Depositions, St. Sebastian's, Annunciations, Crucifixions, Holy Faces, Mary Magdalene's, angels, crucifixes, memorials, headstones, altarpieces, many Madonna and Childs, and of course the Stations of the Cross series. Fully illustrated, featuring many lesser-known works by Eric Gill as well as the works of his contemporaries and from the history of erotic art. With bibliography and notes. 232 pages. ISBN 9781861713223. www.crmoon.com **Eric Gill** Anthony Hoyland, 1998
