Eric Linklater:

The Goose Girl and Other Stories Eric Linklater, 2011-09-28 Eric Linklater was one of the most respected and prolific Scottish writers of this century yet more than twenty five years have passed since his last collection of short stories was published This selection covers Linklater's entire writing life The settings are as various as the places where he lived Orkney India California Edinburgh and the Highlands the events that take place both fantastic and sensual in their depiction A strong seam of Scottish history and culture runs through much of Linklater's work The short stories include classics of the form such as *The Goose Girl* and *Kind Kitty* and wild variations on fairy stories medieval myths bawdy folktales Viking sagas and 1920s crime reports They derive from the magic of the world love beauty ambition drink and language Their exuberant invention and comic verve provide glorious evidence for George Mackay Brown's assertion that Linklater is one of Scotland's best story tellers ever

Ripeness is All Eric Linklater, 2013-04-16 When the celibate Major Gander C B T D sold out the family toffee business to American Candy Inc he was able to retire in comfort And when he dies from heart failure it was after a strenuous shoot at the Brackens Rife Meeting his gathered relatives found that the thought of his will moderated their grief considerably For they all felt well placed for at least a few thousand to help them cultivate their favourite virtues and vices But it was not to be so simple The Major they soon discovered had made his choice of legatee dependent on the most preposterous condition

Eric Linklater Allan Massie, 1999 Eric Linklater was one of Scotland's most popular 20th century writers known primarily for his fiction This biography of the award winning novelist and journalist seeks to reappraise the importance and significance of Linklater's life and work

Stories of Eric Linklater Eric Linklater, 1969-10-01 **The Merry Muse** Eric Linklater, 2011-09-28 A hitherto unknown pornographic manuscript of Robert Burns is found in the effects of a dead schoolmaster of impeccable reputation Max Arbuthnot an Edinburgh lawyer and a rich man who at the age of sixty has a rampant appetite for the pleasures of the flesh takes charge of it As the manuscript is lost found again stolen and variously shuttles back and forth the infection of its bawdiness creates havoc in Edinburgh Its ultimate fate is only decided after a series of bizarre adventures Part farce part satire on manners and social attitudes *The Merry Muse* sparkles from beginning to end It is the work of a master written at the height of his powers Linklater has created one of his most memorable characters in that solid and yet strangely vulnerable citizen the inimitable Max The New York Times This is one of those rare books of comedy in which the humor depends solidly on situation and character and not merely on wisecrack Chicago Daily Tribune

The Dark of Summer Eric Linklater, 2012-12-01 In the early years of the Second World War an army officer is sent to the Faroe Islands to investigate rumours of a collaboration with the Nazi regime in Norway What he finds changes lives not least his own No one who reads this book will forget the frozen corpse tied to a chair in an icehouse guarded by two drunken seamen or the raging storm which batters their ship as they carry the body to Shetland That's just the beginning As the tale takes grip the reader becomes haunted just as the characters are haunted by a sense of guilt and

betrayal One of the finest of Linklater's later deeper darker novels *The Dark of Summer* combines national and family histories as it sets out to understand the past redeem the corrosion of memory and find meaning in a world of divided loyalties

The Raft / Socrates Asks Why Eric Linklater, 2014-06-24 Are the people of Britain capable of serving the new world of writing with honour a new chapter of history The answer conclusively is Yes But Socrates in the third of the pieces has still to be satisfied that the Allies are truly conscious of their purpose A four fold rule of law is not enough the peace within that rule must not be an idle peace but creative If that is not explicitly our intention and desire then why are we fighting *The Raft* and *Socrates Asks Why* are imaginary conversations revolving around the political and military problems of WWII *The Raft* is set in the mid Atlantic where six survivors from a torpedoed ship discuss the position of Britain and the difficulties and moral dilemmas of a soldier's life *Socrates Asks Why* is a conversation between Socrates Voltaire Johnson and Lincoln where the Allies aim of peace and ending of the war is discussed and questioned These conversations were first published in 1942

The Stories of Eric Linklater Eric Linklater, 1969

A Terrible Freedom Eric Linklater, 2012-08-14 Eric Linklater's brilliant new novel tells the story of a double existence Evan Gaffikin sixtyish grumpy and bored with his dull commercial success discovers and develops his power to dream to dream in such depth and in such glowing reality that he is able to escape his extraordinary existence We learn of his double life as scenes from Gaffikin's real life alternate with his surrealistic vivid and often hilariously bawdy forays into the world of unreality As his dream world and its remarkable characters gradually get the upper hand the tension of the novel rises and the climactic sequence in a yacht off the Hebrides is mysterious and exciting *A Terrible Freedom* could perhaps be described as an idiosyncratic venture into the realm of science fiction but it may be preferable to see it as a conventional novel built with classical composure of unconventional material Either way it is a tour de force of imagination and narrative skills

A Man Over Forty Eric Linklater, 2011-09-28 Eric Linklater's command of language and situation and his gifts for humour and storytelling have seldom been better displayed than in *A Man Over Forty* first published in 1963 Edward Balintore is the archetypal television personality big loud and assertive given to reactionary sentiments and fits of explosive anger In a depth interview before the cameras he is driven to admitting a fear of being found out and collapses with what the doctors call overstrain and nervous tension Accompanied by his Watson or Sancho Panza Guy Palladis an elegant detached and well connected young man he sets out on a long and varied quest for peace and an earthly paradise Jamaica Ireland Greece all are sampled in turn and nearly accepted but in each some dissonant element from Balintore's past turns up and sends him on *The Furies* If it is indeed they who are pursuing him finally catch up with him in the Aegean in sight of Mount Athos appropriately enough for a man with a soul to save or sell This is a novel of great satirical and imaginative scope a picture of red blooded Dionysiac man bent on defying the solemn ones who plague him

The Impregnable Women Eric Linklater, 2011-09-28 The Next Great War begins and soon all Europe is involved The war lasts a year and then the women robbed of husbands and sweethearts and sons grow

doubtful of the benefits of military policy and begin to think that victory will come too late to do them any good But what can they do A remedy was discovered by Aristophanes about 2350 years ago It is re discovered and re applied And it is again successful This is an Aristophanic comedy and takes some Aristophanic liberties It is satirical when the author pleases and when he cares to be serious he is very serious indeed There is no monotony The story shifts from realism to wild burlesque from earnest appeal to uproarious extravagance The final scenes are in Edinburgh Aristophanes made his insurgent women seize the Acropolis here they take possession of Edinburgh Castle as tall an eminence and hold it against the infuriated men The fight for the Castle is the culminating incident in a vigorous and many sided novel **The Art of Adventure** Eric Linklater,1947 **The Wind on the Moon** Eric Linklater,2017-03-07 A Carnegie Medal winner this delightful fantasy will appeal to children who love Alice in Wonderland and The Wind in the Willows In the English village of Midmeddlecum Major Palfrey asks his two daughters to behave themselves while he is off at war Sighing Dinah says I think that we are quite likely to be bad however hard we try not to be and her sister Dorinda adds helpfully Very often when we think we are behaving well some grown up person says we are really quite bad It s difficult to tell which is which Sure enough the mischievous sisters soon convince a judge that minds must be changed as often as socks stage an escape from the local zoo thanks to a witch s potion that turns them into kangaroos and in the company of a golden puma and silver falcon set off to rescue their father from the tyrant of Bombardy A tale of hilarity and great adventure The Wind on the Moon is also a work of high seriousness after all life without freedom as the valiant puma makes clear is a poor poor thing The Faithful Ally, by Eric Linklater Eric Linklater,1954 A Spell for Old Bones Eric Linklater,1978-01-01 Juan in China Eric Linklater,2013-01-21 The earlier adventures of Juan Mosely a lineal descendant of Byron s Don Juan continue on an amorous adventure to China where he becomes involved in politics and welfare and deals with them in his own practical and fantastic way Witty and amusing Brilliant at times erratic original and for a somewhat sophisticated taste Kirkus Review **Ripeness is All. Eric Linklater** Eric Linklater,1952 **A Year of Space, a Chapter in Autobiography, by Eric Linklater** Eric Linklater,1953 The Orkney Edition of the Works of Eric Linklater.
