

Eric Fischl Paintings

Eric Fischl

Eric Fischl Paintings:

Eric Fischl Eric Fischl, Peter Schjeldahl, 1988 This book includes catalogue information plus 77 of Eric Fischl's oil paintings from 1980 to 1987 35 of his works on paper and 12 seminal glassines **Eric Fischl** Eric Fischl, Galeries d'art Sir George Williams, Sir George Williams Art Galleries, 1983* **ERIC FISCHL**, 1985 Eric Fischl Eric Fischl, 2003 This catalogue accompanies the exhibition in the Kunstmuseum Wolfsburg 26 September 2003 4 January 2004 *Eric Fischl* Erika Billeter, 1990-01-01 Eric Fischl, Paintings Eric Fischl, Sir George Williams Art Galleries, 1983 Eric Fischl Eric Fischl, 2006 The show is a collection of 34 prints and drawings by Eric Fischl who is widely considered to be one of the most important American artists of the last 30 years Most of the prints drawings and watercolor and oil paintings on paper in the exhibition are studies of the human figure They represent Fischl's exploration of human relationships through depictions of male and female figures in various scenarios from studio settings to the mixing of seemingly unrelated figures within a composition Eric Fischl Eric Fischl, University of Akron, Emily H. Davis Art Gallery, 1981 **Eric Fischl - Art Fair Paintings** Eric Fischl, 2014-11 **Eric Fischl** Eric Fischl, 2012 Eric Fischl Early Paintings focuses on nine of Fischl's paintings from 1979 to 1989 and reintroduces the work that first established him as a postmodern Edward Hopper and significant American artist In these now classic voyeuristic scenes of American everyday life in backyard barbecues beach resorts and intimate interiors the seemingly banal takes on uncomfortable and at times ominous tones Eric Fischl Lynne Warren, Museum of Contemporary Art (Chicago), 1985 **Eric Fischl** Montreal. Concordia University. Sir George Williams Art Galleries, 1983 **Eric Fischl, 1970-2000** Eric Fischl, 2000 In his most recent paintings Fischl has turned to portraits of his intimate circle of friends including Mike Nicholas Steve Martin and his own wife the painter April Gornik These engrossing images have been accomplished with a mastery that has been compared to that of Caravaggio *Bad Boy* Eric Fischl, Michael Stone, 2013-05-07 In *Bad Boy* renowned American artist Eric Fischl has written a penetrating often searing exploration of his coming of age as an artist and his search for a fresh narrative style in the highly charged and competitive New York art world in the 1970s and 1980s With such notorious and controversial paintings as *Bad Boy* and *Sleepwalker* Fischl joined the front ranks of America's artists in a high octane downtown art scene that included Andy Warhol David Salle Julian Schnabel and others It was a world of fashion fame cocaine and alcohol that for a time threatened to undermine all that Fischl had achieved In an extraordinarily candid and revealing memoir Fischl discusses the impact of his dysfunctional family on his art his mother an imaginative and tragic woman who was an alcoholic who ultimately took her own life Following his years as a student at Cal Arts and teaching in Nova Scotia he describes his early years in New York with the artist April Gornik just as Wall Street money begins to encroach on the old gallery system and change the economics of the art world Fischl rebelled against the conceptual and minimalist art that was in fashion at the time to paint compelling portraits of everyday people that captured the unspoken tensions in their lives Still in his thirties Eric became the subject of a major

Vanity Fair interview his canvases sold for as much as a million dollars and The Whitney Museum mounted a major retrospective of his paintings *Bad Boy* follows Fischl's maturation both as an artist and sculptor and his inevitable fall from grace as a new generation of artists takes center stage and he is forced to grapple with his legacy and place among museums and collectors Beautifully written and as courageously revealing as his most provocative paintings *Bad Boy* takes the reader on a roller coaster ride through the passion and politics of the art world as it has rarely been seen before **Eric Fischl**

Eric Fischl, A. M. Homes, 2009 Collection of 200 of Eric Fischl's beach inspired works including paintings photographs watercolors charcoals with a short story by American novelist A M Homes **Eric Fischl** Eric Fischl, 1991 *Eric Fischl*

Bruce W. Ferguson, Jablonka Galerie, 2002 In these new paintings and watercolors by the consummate New York Neo Expressionist the same sparsely furnished room inhabited by various models sometimes alone sometimes accompanied appears again and again conveying a sense of wordly disconnection and disquietude consistent with Fischl's oeuvre Accompanied by a poem from Polish Nobel Laureate Wislawa Szymborska **Eric Fischl** Eric Fischl, Jean-Christophe Ammann, 2009 The paintings in Eric Fischl's Krefeld Project depict a middle aged couple in the throes of a long term relationship isolated but together bored but bound Made from photographs of hired models who inhabited a rented house for four days while the artist snapped more than 2 000 pictures the paintings show the couple before and after sex in the shower and brushing teeth on the toilet and on the phone According to essayist and poet Geoffrey Young Fischl shows flickers of desire but more frequently he notices the ways in which a couple exists in the same room without contact Hopperesque in their silence the pictures are so confidently and technically alive that even these models fronting as a couple are redeemed in their uncertainty acknowledged in their isolation encouraged in their effort to spark the flint to feel it all again the passion that is only rarely given to them **Eric Fischl** Eric Fischl, 2000 **Eric Fischl, 1970-2007** / Arthur C. Danto, Eric Fischl, Robert Enright, Steve Martin, 2008

Eric Fischl emerged in the 1980s as one of America's most important figurative painters His paintings many of which show a single intense moment compel the viewer to participate in a world of middle class suburban ambiguity and drama In Fischl's engaging distinctly American canvases narrative morality sexuality and psychology are preeminent This volume an expanded edition of *Eric Fischl 1970-2000* is the most comprehensive examination of this important contemporary painter More than 250 works selected in conjunction with the artist present the full scope of Fischl's career the formative work of the 1970s the breakthrough paintings of the 1980s including the controversial *Sleepwalker* and *Bad Boy* and the mature work often of a personal and contemplative nature of the 1990s and 2000s In his most recent paintings Fischl has turned to multipiece cycles *The Bed* *The Chair* series starting with *The Philosopher's Chair* canvases inspired by trips to Italy and India and the paintings Fischl terms them narrative fictions of the Krefeld Project These engrossing images have been accomplished with a mastery that has been compared to that of Caravaggio The introduction by philosopher and critic Arthur C Danto offers a perceptive study of Fischl's work over the course of four

decades Commentary drawn from interviews with the artist conducted by noted writer Robert Enright accompanies the paintings Finally a witty and personal afterword by Steve Martin best known as a gifted comic actor and author but also an astute collector of modern art discusses Barbeque a famed Fischl painting from his private collection
