Morris,2008-10-14 Morris presents an over the shoulder look at a major heart surgery center along with gripping accounts of how doctors think and judge each other what they believe is really driving up health care costs and the future of health care policy in America      *America, Goddam* Treva B. Lindsey,2023-08-08 One of the Best Nonfiction Books of 2022 Kirkus Reviews A righteous indictment of racism and misogyny Publishers Weekly A powerful account of violence against Black women and girls in the United States and their fight for liberation Echoing the energy of Nina Simone s searing protest song that inspired the title this book is a call to action in our collective journey toward just futures America

Goddam explores the combined force of anti Blackness misogyny patriarchy and capitalism in the lives of Black women and girls in the United States today Through personal accounts and hard hitting analysis Black feminist historian Treva B Lindsey starkly assesses the forms and legacies of violence against Black women and girls as well as their demands for justice for themselves and their communities Combining history theory and memoir America Goddam renders visible the gender dynamics of anti Black violence Black women and girls occupy a unique status of vulnerability to harm and death while the circumstances and traumas of this violence go underreported and understudied America Goddam allows readers to understand How Black women who have been both victims of anti Black violence as well as frontline participants are rarely the focus of Black freedom movements How Black women have led movements demanding justice for Breonna Taylor Sandra Bland Toyin Salau Riah Milton Aiyana Stanley Jones and countless other Black women and girls whose lives have been curtailed by numerous forms of violence How across generations and centuries their refusal to remain silent about violence against them led to Black liberation through organizing and radical politics America Goddam powerfully demonstrates that the struggle for justice begins with reckoning with the pervasiveness of violence against Black women and girls in the United States

**Conscious Change** Jean Kantambu Latting,V. Jean Ramsey,Stephanie Foy,Amy Foy Hageman,2025-07-30 Every day most of us interact with people of disparate backgrounds beliefs and experiences individuals who hold different expectations than we do of the people and world around them How does one navigate these often turbulent waters In Conscious Change nineteen authors describe how they have applied the principles of Conscious Change within multicultural diverse environments to overcome difficult and emotionally draining challenges and in doing so provide a road map to shifting one s own story when moving through similarly demanding situations in all areas of life These practical case studies reveal how transformational the Conscious Change tools can be leading to a stronger sense of one s personal capacity as a leader better interpersonal relationships and the beginnings of greater equity and inclusion Illuminating and instructive these stories are vivid illustrations of the skills today s leaders need in their multicultural organizations and settings where issues of diversity equity and inclusion are and will increasingly be front and center

Cultivating Democratic Literacy Through the Arts Pamela Hartman,Jeff Spanke,2024-03-01 This edited book includes chapters written by English Language Arts ELA teacher educators and practicing secondary teachers who examine their classroom experiences through an arts based habit of mind Rather than focusing exclusively on artistic approaches to ELA instruction these chapters collectively frame the teaching of English Language Arts as an art in itself As such the arts informed habits of mind discussed in this book refer more to sets of artistic dispositions than pedagogical methods In their unique ways each of these chapters argue that aesthetically charged ways of thinking allow preservice and practicing teachers to develop critical and creative thinking skills and purposely communicate to recognize that individual beliefs and

values are influenced by personal and social factors and to set goals for their own learning as well as the learning of their future students learning *Intimate Economies of Immigration Detention* Deirdre Conlon, Nancy Hiemstra, 2016-08-05

International migration has been described as one of the defining issues of the twenty first century While a lot is known about the complex nature of migratory flows surprisingly little attention has been given to one of the most prominent responses by governments to human mobility the practice of immigration detention *Intimate Economies of Immigration Detention* provides a timely intervention offering much needed scrutiny of the ideologies policies and practices that enable the troubling unparalleled and seemingly unbridled growth of immigration detention around the world An international collection of scholars provide crucial new insights into immigration detention recounting at close range how detention s effects ricochet from personal and everyday experiences to broader political economic social and cultural spheres Contributors draw on original research in the US Australia Europe and beyond to scrutinise the increasingly tangled relations associated with detention operation and migration management With new theoretical and empirical perspectives on detention the chapters collectively present a toolbox for better understanding the forces behind and broader implications of the seemingly uncontested rise of immigration detention This book is of great interest to those who study political economy economic geography and immigration policy as well as policy makers interested in immigration *Latina Bilingual Education Teachers* Yukari Amos, 2018-03-19 Using critical race theory and whiteness studies as theoretical frameworks this book traces two Latina bilingual education teachers in three different professional phases as paraprofessionals teacher candidates and certified teachers Grounded in a longitudinal case study this book sheds light on the effects of institutional racism when Latina o educational professionals attempt inclusion in white dominant organizations such as schools Revealing and analyzing the structural racism present in schools and the obstacles it creates for professionals of color the author exposes the racist practices that are hidden from view and offer practical solutions to combat them *The Political Economy of Maritime Safety* Ketil Djønne, 2023-08-25 This book offers unique insight into the public and private governance of international shipping from the 1970s through to the 2010s Focusing on the part played by maritime classification societies it highlights the role played by the European Union during this time and its influence in creating transnational maritime regulations The emergence of the Treaty of Rome and the European Parliament in enabling market liberalisation within the shipping industry on the one hand and more stringent maritime safety regulation on the other is examined alongside the common transport policy and enforcement of international maritime rules Particularly attention is given to the growth of the European Union s maritime presence the establishment of the European Maritime Safety Agency developments in flag state implementation and relations between the International Maritime Organization and the European Union This book presents a detailed guide to the European Union s role as a maritime safety regulator and the impact this has had on the shipping industry and its governance structure It will be relevant to researchers and policymakers interested in maritime and

transport economics as well as to students of European affairs and of international relations      **Third Culture Kids 3rd Edition** Ruth E. Van Reken, David C. Pollock, Michael V.
