The Art of Comedy Writing Arthur Asa Berger, 2017-09-29 Just as a distinctive literary voice or style is marked by the ease with which it can be parodied so too can specific aspects of humor be unique Playwrights television writers novelists cartoonists and film scriptwriters use many special technical devices to create humor Just as dramatic writers and novelists use specific

devices to craft their work creators of humorous materials from the ancient Greeks to today's stand up comics have continued to use certain techniques in order to generate humor In *The Art of Comedy Writing* Arthur Asa Berger argues that there are a relatively limited number of techniques forty five in all that humorists employ Elaborating upon his prior in depth study of humor *An Anatomy of Humor* in which Berger provides a content analysis of humor in all forms joke books plays comic books novels short stories comic verse and essays *The Art of Comedy Writing* goes further Berger groups each technique into four basic categories humor involving identity such as burlesque caricature mimicry and stereotype humor involving logic such as analogy comparison and reversal humor involving language such as puns wordplay sarcasm and satire and finally chase slapstick and speed or humor involving action Berger claims that if you want to know how writers or comedians create humor study and analysis of their humorous works can be immensely insightful This book is a unique analytical offering for those interested in humor It provides writers and critics with a sizable repertoire of techniques for use in their own future comic creations As such this book will be of interest to people inspired by humor and the creative process professionals in the comedy field and students of creative writing comedy literary humor communications broadcast media and the humanities

Life Writing and the Southern Hemisphere Elleke Boehmer, Katherine Collins, 2024-11-14

Exploring lives lived written and narrated in and from the Global South the far South and the ultimate South Antarctica this book asks how life writing from southerly compass points impact both how we understand and read life narratives and ultimately how we perceive our planet Southern geographies histories and lives have often been overlooked and defined by northern perspectives *Life Writing and the Southern Hemisphere* redresses this North South alignment in its critical examination of life stories memoirs biographies and autobiographies from the southern hemisphere providing a countervailing and alternative perspective that will unsettle challenge and enrich the imaginative norms that inform life writing studies From Tierra del Fuego and Patagonia in South America through southern Africa to Australia and New Zealand and as far down as Antarctica this collection brings together writers and scholars in the oceanic humanities postcolonial Global South and polar studies and presents works on human animal and plant life captured in words music performance visual arts and photography Interdisciplinary and vast in its comparative range *Life Writing and the Southern Hemisphere* convenes a diversity of perspectives and positions that demonstrate that the south has rich internal knowledge sources of its own allowing us to better conceptualize the planet from below

Ernest Hemingway on Writing Larry W. Phillips, 2002-07-25 A collection of reflections on writing and the nature of the writer from one the greatest American writers of the 20th century Throughout Hemingway's career as a writer he maintained that it was bad luck to talk about writing that it takes off whatever butterflies have on their wings and the arrangement of hawk's feathers if you show it or talk about it Despite this belief by the end of his life he had done just what he intended not to do In his novels and stories in letters to editors friends fellow artists and critics in interviews and in commissioned articles on the subject Hemingway wrote often

about writing And he wrote as well and as incisively about the subject as any writer who ever lived This book contains Hemingway s reflections on the nature of the writer and on elements of the writer s life including specific and helpful advice to writers on the craft of writing work habits and discipline The Hemingway personality comes through in general wisdom wit humor and insight and in his insistence on the integrity of the writer and of the profession itself From the Preface by Larry W Phillips **Writing the Caribbean in Magazine Time** Katerina Gonzalez Seligmann,2021-08-27 This book demonstrates the material political and aesthetic dimensions of Pan Caribbean literary discourse in magazine texts by Suzanne and Aim C saire Nicol s Guill n Jos Lezama Lima Alejo Carpentier George Lamming Derek Walcott and their contemporaries Thus far the canonical centrality of literary magazines to Caribbean literature politics and social theory has been obscured Up against the global book industry Caribbean literary magazines have waged a guerrilla pursuit for the terms of Caribbean representation **Publications of the Modern Language Association of America** ,2006
