Esoteric Transfers and Constructions Mark Sedgwick, Francesco Piraino, 2021-02-27 Similarities between esoteric and mystical currents in different religious traditions have long interested scholars This book takes a new look at the relationship between such currents It advances a discussion that started with the search for religious essences archetypes and universals from William James to Erasmus The universal categories that resulted from that search were later criticized as essentialist constructions and questioned by deconstructionists An alternative explanation was advanced by diffusionists that there were transfers between different traditions This book presents empirical case studies of such constructions and of transfers between Judaism Christianity and Islam in the premodern period and Judaism Christianity and Western esotericism in the modern period It shows that there were indeed transfers that can be clearly documented and that there were also indeed constructions often very imaginative It also shows that there were many cases that were neither transfers nor constructions but a mixture of the two

He was to be a warrior king who would raze kingdoms and burn cities to the ground. The Messiah has finally come and the world will never be the same. **God Is Love** Pope Benedict XVI, 2009-09-03 Everyone needs love. Everyone desires love. But not everyone understands love. In fact, love is probably the most misunderstood subject in history. In his first Encyclical, Pope Benedict helps to clarify the meaning of love. He examines the nature of various kinds of love: human love and divine love, eros, friendship, and charity. He writes beautifully and inspirationally of how man was made for love by the God who is love, the God who became one of us out of love, Jesus Christ. In the second part of the Encyclical, Benedict addresses the Church's practice of love. He examines the relationship between justice and charity, as well as the call of every Catholic to serve others in love. The Pope's love letter to mankind is remarkably accessible and timely. *God, Sex, and Gender* Adrian Thatcher, 2011-05-02 Engagingly and clearly written by a highly respected theologian, *God, Sex, and Gender* is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume. Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years. Discusses many topics including sexual difference, sexual equality, gender and power, the nature of desire, the future of marriage in Christian sexual ethics, homosexuality, and same-sex unions, the problems of sexual minorities, contraception in a time of HIV/AIDS, the separation of sexual experience from marriage, and offers new arguments for marriage and for chastity. Offers a consistent and engaging introduction at the cutting edge of theological inquiry, which is contemporary, undogmatic, questioning, and relevant to readers' experience, interests, and needs. Written lucidly and engagingly by an established and respected academic who has published widely in this area. **Essential Catholic Social Thought 2nd edition** Brady, Bernard V., 2017-10-12 Proclus and his Legacy Danielle Layne, David D. Butorac, 2017-02-06 This volume investigates Proclus' own thought and his wide-ranging influence within late Neoplatonic, Alexandrine, and Byzantine philosophy and theology. It further explores how Proclus' metaphysics and doctrines of causality influence and transition into Arabic and Islamic thought up until Richard Hooker in England, Spinoza in Holland, and Pico in Italy. John Dillon provides a helpful overview of Proclus' thought. Harold Tarrant discusses Proclus' influence within Alexandrian philosophy, and Tzvi Langermann presents ground-breaking work on the Jewish reception of Proclus, focusing on the work of Joseph Solomon Delmedigo (1591-1655), while Stephen Gersh presents a comprehensive synopsis of Proclus' reception throughout Christendom. The volume also presents works from notable scholars like Helen Lang, Sarah Wear, and Crystal Addey and has a considerable strength in its presentation of Pseudo-Dionysius, Proclus' transmission and development in Arabic philosophy, and the problem of the eternity of the world. It will be important for anyone interested in the development and transition of ideas from the late ancient world onwards. *The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics* Willem Jacobus Cardinal Eijk, 2025-09-10

Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In *The Bond of Love* Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church's faithful striving to live in the love and communion that is grounded in Christ
