Erotic Poems:

Erotic Love Poems of Greece and Rome Stephen Bertman, 2005 A taste of amour in the ancient world newly translated From the famous erotic poetry of Sappho to love scenes from Homer s The Iliad as well as works from such eminent Roman poets as Virgil and Catullus this enthralling collection taps into a range of passionate timeless emotions

The Erotic Poems Ovid, 2004-04-29 This collection of Ovid s poems deals with the whole spectrum of sexual desire ranging from deeply emotional declarations of eternal devotion to flippant arguments for promiscuity In the Amores Ovid addresses himself in a series of elegies to Corinna his beautiful elusive mistress The intimate and vulnerable nature of the poet revealed in these early poems vanishes in the notorious Art of Love in which he provides a knowing and witty guide to sexual conquest a work whose alleged obscenity led to Ovid s banishment from Rome in AD 8 This volume also includes the Cures for Love with instructions on how to terminate a love affair and On Facial Treatment for Ladies an incomplete poem on the art of cosmetics

Erotic Poems e. e. cummings, 2010-01-26 E E Cummings s erotic poems and drawings gathered in a single volume Many years ago the prodigious and famously prolific E E Cummings sat in his study writing and thinking about sex His private brooding gave way to poems and drawings of sexual and romantic love that delight and provoke Here collected for this first time in a single volume are those erotic poems and sketches culled from Cummings s original manuscripts by the distinguished editor George James Firmage from 16 may i feel said he i ll squeal said she just once said he it s fun said she may i touch said he how much said she a lot said he why not said she *Love, Sexy And Erotic Poems*

Michaela Iacoe, 2015-05-04 The poetry or lyric genre is one of the seven traditional arts for which human language is used for aesthetic purposes that is it portrays something where everything can happen depending on the author s imagination as the player Poetry according to the common way of speaking means two things art that teaches and the work done with art Art is poetry poem work the poet craftsman The sense of poetic message can be although it is the aesthetic form to define a text as poetry Poetry comprises metaphysical aspects and the possibility of these elements transcend the factual world This is the land that it is truly of the poet In a broader context poetry appears also identified with the art itself which is not without reason as every art is also a form of language although not necessarily verbal It is the art of write poetry that allows us to express what is inside of us Thus this book presents some erotic content of poems of the author imagination

Ovid's Erotic Poems Ovid, 2014-09-16 The most sophisticated and daring poetic ironist of the early Roman Empire Publius Ovidius Naso is perhaps best known for his oft imitated Metamorphoses But the Roman poet also wrote lively and lewd verse on the subjects of love sex marriage and adultery a playful parody of the earnest erotic poetry traditions established by his literary ancestors The Amores Ovid s first completed book of poetry explores the conventional mode of erotic elegy with some subversive and silly twists the poetic narrator sets up a lyrical altar to an unattainable woman only to knock it down by poking fun at her imperfections Ars Amatoria takes the form of didactic verse in which a purportedly mature and experienced narrator

instructs men and women alike on how to best play their hands at the long con of love Ovid's Erotic Poems offers a modern English translation of the Amores and Ars Amatoria that retains the irreverent wit and verve of the original Award winning poet Len Krisak captures the music of Ovid's richly textured Latin meters through rhyming couplets that render the verse as playful and agile as it was meant to be Sophisticated satirical and wildly self-referential Ovid's Erotic Poems is not just a wickedly funny send up of romantic and sexual mores but also a sharp critique of literary technique and poetic convention
