**Erotic Faculties** Joanna Frueh, 2022-03-25 The erotic and the intellectual come together to create a new kind of criticism in the lushly written work of Joanna Frueh Addressing sexuality in ways that are usually hidden or left unsaid Frueh a noted performance artist and art historian explores subjects such as aging beauty love sex pleasure contemporary art and the body as a site and vehicle of knowledge Frueh's language is explicit graphic fragmented She assumes multiple voices those of lover prophet daughter mythmaker art critic activist and bleeding heart What results is an utterly original narrative that frees us from the false objectivity of traditional critical discourse and affirms the erotic as a way to ease human suffering Through personal reflection parody autobiography and poetry Frueh shows us what it means to perform criticism to personalize critical thinking Rejecting postmodern deconstructed prose she recuperates the sentimental proudly asserts a romantic viewpoint and disrupts academic and feminist conventions *Erotic Faculties* seeks to free the power of our unutilized erotic faculties and to expand the possibilities of criticism it is a wild ride and a consummate pleasure This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 [The Overflowing Milkmaid with Curved Feet](#) The London Surrealist Group, [Sexual Knowledge](#) Britta

McEwen, 2012 Vienna's unique intellectual political and religious traditions had a powerful impact on the transformation of sexual knowledge in the early twentieth century Whereas turn of the century sexology as practiced in Vienna as a medical science sought to classify and heal individuals during the interwar years sexual knowledge was employed by a variety of actors to heal the social body the truncated diseased and impoverished population of the newly created Republic of Austria Based on rich source material this book charts cultural changes that are hallmarks of the modern era such as the rise of the companionate marriage the role of expert advice in intimate matters and the body as a source of pleasure and anxiety These changes are evidence of a dramatic shift in attitudes from a form of scientific inquiry largely practiced by medical specialists to a social reform movement led by and intended for a wider audience that included workers women and children **Sacred Eroticism** Massimo Introvigne, 2024-03-06T00:00:00+01:00 Sacred eroticism has been an important if neglected feature of Western esotericism from the early modern era down to the present day Founded in Romania the Movement for Spiritual Integration into the Absolute MISA turned sacred esotericism into the central feature of a mass movement gathering some 30 000 students worldwide Based on extensive fieldwork and interviews the book explores the history of MISA from its origins to the COVID 19 pandemic presenting in detail its ideas about Tantra and eroticism It also discusses MISA's approach to visual arts and cinema including some of its members early incursions into the slippery world of adult movies The study concludes with a look at hostile reactions to MISA which have led to the issuing of arrest warrants against its founder amid a series of

criminal accusations which the movement rejects as fabricated by opponents      Eros and the Jews David Biale, 2023-09-01 Contradictory stereotypes about Jewish sexuality pervade modern culture from Lenny Bruce's hip eroticism to Woody Allen's little man with the big libido and even bigger sexual neurosis Does Judaism in fact liberate or repress sexual desire David Biale does much more than answer that question as he traces Judaism's evolving position on sexuality from the Bible and Talmud to Zionism up through American attitudes today What he finds is a persistent conflict between asceticism and gratification between procreation and pleasure From the period of the Talmud onward Biale says Jewish culture continually struggled with sexual abstinence attempting to incorporate the virtues of celibacy as it absorbed them from Greco Roman and Christian cultures within a theology of procreation He explores both the canonical writings of male authorities and the alternative voices of women drawing from a fascinating range of sources that includes the Book of Ruth Yiddish literature the memoirs of the founders of Zionism and the films of Woody Allen Biale's historical reconstruction of Jewish sexuality sees the present through the past and the past through the present He discovers an erotic tradition that is not dogmatic but a record of real people struggling with questions that have challenged every human culture and that have relevance for the dilemmas of both Jews and non Jews today Contradictory stereotypes about Jewish sexuality pervade modern culture from Lenny Bruce's hip eroticism to Woody Allen's little man with the big libido and even bigger sexual neurosis Does Judaism in fact liberate or repress sexual desire David Biale      A Marriage Made in Heaven Naomi Seidman, 2023-04-28 With remarkably original formulations Naomi Seidman examines the ways that Hebrew the Holy Tongue and Yiddish the vernacular language of Ashkenazic Jews came to represent the masculine and feminine faces respectively of Ashkenazic Jewish culture Her sophisticated history is the first book length exploration of the sexual politics underlying the marriage of Hebrew and Yiddish and it has profound implications for understanding the centrality of language choices and ideologies in the construction of modern Jewish identity Seidman particularly examines this sexual linguistic system as it shaped the work of two bilingual authors S Y Abramovitsh the grand father of modern Hebrew and Yiddish literature and Dvora Baron the first modern woman writer in Hebrew and a writer in Yiddish as well She also provides an analysis of the roles that Hebrew masculinity and Yiddish femininity played in the Hebrew Yiddish language wars the divorce that ultimately ended the marriage between the languages Theorists have long debated the role of mother and father in the child's relationship to language Seidman presents the Ashkenazic case as an illuminating example of a society in which mother tongue and father tongue are clearly differentiated Her work speaks to important issues in contemporary scholarship including the psychoanalysis of language acquisition the feminist critique of Zionism and the nexus of women's studies and Yiddish literary history This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published

**Love & Eroticism** Mike Featherstone, 1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists

sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism Love Erotici      **The Question of Women in Chinese Feminism** Tani Barlow,2004-03-25 Barlow documents the history of woman as a category in twentieth century Chinese history tracing the question of gender through various phases in the literary career of Ding Ling a major modern Chinese writer      **The Telling of the Act** Peter Maxwell Cryle,2001 This book tells how the diverting array of pleasures in eighteenth century libertine fiction gave way through a process of thematic drift and realignment to a powerfully linear story that actually defined sex and the gender roles pertaining to it Many of the key notions in modern talk about sex are in fact narrative ones climax foreplay and the sex act are all said to lie at the heart of human sexuality But The Telling of the Act questions whether these notions deserve to be thought of as timeless and in fact locates their emergence in the second half of the eighteenth century      **Asian Media Productions** Brian Moeran,2001-01-01 Working in the fields of anthropology and media and culture studies and on the basis of extensive hands on research the contributors have collaborated on a substantial volume on the social practices and cultural attitudes of people producing reading watching and listening to different kinds of media in Japan China Taiwan Indonesia Vietnam Singapore and India      The Secret Life of Oscar Wilde Neil McKenna,2009-03-05 Oscar Wilde said of himself I put all my genius into my life I put only my talent into my work Now for the first time Neil McKenna focuses on the tormented genius of Wilde s personal life reproducing remarkable love letters and detailing Wilde s until now unknown relationships with other men McKenna has spent years researching Wilde s life drawing on extensive new material including never before published poems as well as recently discovered trial statements made by male prostitutes and blackmailers about Wilde McKenna provides explosive evidence of the political machinations behind Wilde s trials for sodomy as well as his central role in the burgeoning gay world of Victorian London Dazzlingly written and meticulously researched The Secret Life of Oscar Wilde fully charts Wilde s astonishing odyssey through London s sexual underworld and paints a frank and vivid psychological portrait of a troubled genius      *People of the Body* Howard Eilberg-Schwartz,2012-02-01 By shifting attention from the image of Jews as a textual community to the ways Jews understand and manage their bodies for example to their concerns with reproduction and sexuality menstruation and childbirth this volume contributes to a revisioning of what Jews and Judaism are and have been The project of re membering the Jewish body has both historical and constructive motivations As a constructive project this book describes renews and participates in the complex and ongoing modern discussion about the nature of Jewish bodies and the place of bodies in Judaism      **Sexual Fiction** Maurice Charney,2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies New Accents is intended as a positive response to the initiative

offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study *Labor of Love* Moira Weigel,2016-05-17 An occasionally amusing and often provocative look at the work of wooing A lively tour of changing romantic mores The Economist Does anyone date anymore Today the authorities tell us that courtship is in crisis But when Moira Weigel dives into the history of sex and romance in modern America she discovers that authorities have always said this Ever since young men and women started to go out together older generations have scolded them That s not the way to find true love The first women who made dates with strangers were often arrested for prostitution long before hookup culture there were petting parties before parents worried about cell phone apps they fretted about joyrides and parking Dating is always dying But this does not mean that love is dead It simply changes with the economy Dating is and always has been tied to work Lines like I ll pick you up at six made sense at a time when people had jobs that started and ended at fixed hours But in an age of contract work and flextime many of us have become sexual freelancers more likely to text a partner u still up Weaving together over one hundred years of history with scenes from the contemporary landscape *Labor of Love* offers a fresh feminist perspective on how we came to date the ways we do This isn t a guide to getting the guy There are no ridiculous rules to follow Instead Weigel helps us understand how looking for love shapes who we are and hopefully leads us closer to the happy ending that dating promises **Religion, Feminism, and Idoloclasm** Melissa Raphael,2019-01-22

*Religion Feminism and Idoloclasm* identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy **Austria in the Nineteen Fifties**

Gunter Bischof,2020-03-09 In American history the 1950s are remembered as an affluent and harmonious decade Not so in Austria That nation emerged out of World War II with tremendous war related destruction and with a four power occupation

that would last for ten years until 1955 Massive American economic aid enabled the Austrian economy to start recovering in the 1950s and reorient it from East to West Unlike the United States however general affluence did not set in until the 1960s and 1970s even though Austria's dramatic baby boom enabled it to recover from the demographic catastrophe resulting from manpower losses of World War II This volume deals with these larger trends Stephen E Ambrose discusses American European relations and sets the larger international context for the Austrian scene Oliver Rathkolb retraces the changing importance of the Austrian question for the Eisenhower administration Michael Gehler presents an in depth analysis of the intriguing question of whether Austria's unification at the price of permanent neutrality might have been a model for Germany Franz Mathis and Kurt Tweraser look at economic reconstruction and the roles played by both the Austrian public industrial sector and the American Marshall Plan Karin Schmidlechner looks at the youth culture of the era Franz Adlgasser shows how Herbert Hoover's food aid was instrumental in the containment of communism in Hungary Beth Noveck analyzes Austrian political culture of the First Republic from the perspective of Hugo Bettauer Rolf Steininger presents an insightful historical overview of how the Austro Italian South Tyrol conflict was resolved after seventy five years of tension

**Humanity Divided** Manuel Duarte de Oliveira, 2021-09-20 With exacting scholarship and fecund analysis Manuel Oliveira probes through the lens of Martin Buber 1878 1965 the theological and political ambiguities of Israel's divine election These ambiguities became especially pronounced with the emergence of Zionism Wary indeed alarmed by the tendency of some of his fellow Zionists to conflate divine chosenness with nationalism Buber sought to secure the theological significance of election by both steering Zionism from hypertrophic nationalism and by a sustained program to revalorize what he called alternately Hebrew Humanism As Oliveira demonstrates Buber viewed the idea of election teleologically espousing a universal mission of Israel which effectively calls upon Zionism to align its political and cultural project to universal objectives Thus in addressing a Zionist congress he rhetorically asked What then is this spirit of Israel of which you are speaking It is the spirit of fulfillment Fulfillment of what Fulfillment of the simple truth that man has been created for a purpose Our purpose is the upbuilding of peace And that is its spirit the spirit of Israel the people of Israel was charged to lead the way to righteousness and justice

**Women, Epic, and Transition in British Romanticism** Elisa Beshero-Bondar, 2011-05-31 Women Epic and Transition in British Romanticism argues that early nineteenth century women poets contributed some of the most daring work in modernizing the epic genre The book examines several long poems to provide perspective on women poets working with and against men in related efforts contributing together to a Romantic movement of large scale genre revision Women poets challenged longstanding categorical approaches to gender and nation in the epic tradition and they raised politically charged questions about women's importance in moments of historical crisis

**The Contemporary Bauman** Anthony Elliott, 2013-10-08 This text covers Bauman's contribution to sociology and social theory This ideal teaching text analyzes Bauman's shift from a sociology of postmodernity to liquid modernity and provides a

critical assessment of the contemporary Bauman appraising his novel theory of liquid modernity in terms of its implications for self identity interpersonal relationships culture communications and the broad ranging institutional transformations associated with globalization In addition to various extracts from Bauman s work the book also contains a spirited reply from Zygmunt Bauman to both his sympathetic and unsympathetic critics Bauman concludes by providing a new perspectives on his theory of liquid modernity its differentiation from the modernity postmodernity debate and its relation to current developments in contemporary social theory

### **Erotic Revolution Introduction**

In today's digital age, the availability of Erotic Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Erotic Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Erotic Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Erotic Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Erotic Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Erotic Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Erotic Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Erotic Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Erotic Revolution books and manuals for download and embark on your journey of knowledge?
