Erotic Communications George N. Gordon,1980 *Erotic Communications* George N. Gordon,1980 The Network Society Jan van Dijk,2012-05-14 The Network Society is now more than ever the essential guide to the past consequences and future of digital communication Fully revised this Third Edition covers crucial new issues and updates This book remains an accessible comprehensive must read introduction to how new media function in contemporary society **For Adult Users Only** Susan Gubar,Joan Hoff,1989 sophisticated provocative and thoroughly documented Strongly recommended Choice a welcome addition to the literature on this contentious issue Journal of Communication This book does an excellent job of portraying the complexity of the legal and philosophical debates among women about the status and effects of pornography and it is an important interdisciplinary scholarly contribution for that reason Signs In an attempt to advance our society's debate on pornography beyond the current political and legal stalemate these essays examine explicit portrayals of violence in pornography from multidisciplinary perspectives history literary criticism religious studies ethics political science film studies law and psychology *Advanced Spiritual Intimacy* Stuart Sovatsky,2014-05-14 A practical guide for both individuals and couples to transform sexual energy into spiritual and erotic fulfillment Explains how to awaken advanced stages of sexual development for spiritual intimacy and deep erotic satisfaction Includes illustrated instructions for exercises and techniques based on yoga kundalini breathing practices mantra chanting and chakra meditation Explores how this practice can deepen a life partnership enhance creativity heal emotional scars and awaken new understandings of gender Sexual development does not end in adolescence There are advanced stages of glandular emotional and erotic development based in the lifelong puberty of the spine Known in India as kundalini awakening these stages form the energetic basis of all yoga forms and deeper erotic aspirations They present an opportunity for couples and individuals to explore the consciousness expanding abilities of sexual energy as both spirituality and sexuality transform into what Michel Foucault called ars erotica far beyond the Freudian scientia sexualis sexuality of the Western world Offering a guide to the advanced stages of human sexuality and a passionately infused tantric yoga practice Stuart Sovatsky explains how to awaken the complete spinal puberty resulting in spiritual intimacy and orgasmic pineal maturity that far surpasses the gratifications of modern sexuality With illustrated instructions he reveals flow yoga asanas mantras and devotional breathing practices for solo kundalini yoga as well as couples yoga practices and chakra meditations to awaken the heart and the divinely eroticized mind He shares inspiring stories from those on this path about ever deepening life partnerships enriched family life enhanced personal creativity profound new understandings of conception masculinity femininity and gender itself as well as healing emotional scars of romantic breakups and sexual abuse Sovatsky shows that by transcending conventional Western sexuality and returning to the ars erotica beliefs of ancient India we can harness the divine energy glimpsed for only an instant by most people at the heart of all erotic yearning **Communication and Emotion** Jennings Bryant,David R.

Roskos-Ewoldsen, Joanne Cantor, 2003-05-14 This collection serves two important functions it synthesizes theory and research in the vital and vibrant area of communication and emotion and it highlights the scholarly work and contributions of Dolf Zillmann the preeminent contributor to this area of inquiry As one of the most productive and influential scholars in the annals of communication inquiry Zillmann is well known for his contributions in the areas of communication emotion media effects and aggression Editors Jennings Bryant David Roskos Ewoldsen and Joanne Cantor have collected groundbreaking essays from scholars active in the field all of whom studied under or worked with Zillmann during his exemplary career The contributions included here acknowledge the significance of Zillmann's work and identify many of the intellectual streams that contributed to his scholarship Utilizing both psychology and communication perspectives this volume covers the current literature in communication and emotion with a focus on key theories media effects and entertainment theory As a comprehensive synthesis of theory and research in communication and emotion it will be of great interest to scholars in communication theory cognitive and social psychology and psychophysiology With a concluding state of the art chapter by Dolf Zillmann himself this volume offers a thorough and distinctive examination of communication and emotion scholarship and it will serve as an invaluable resource for current and future generations of scholars **Media Sex** Barrie

Gunter, 2001-12 This book will provide a comprehensive review of what is known at the end of the 20th Century about the representation of sex on film television and video and how the public has responded to such material It proposes to show what impact sex on these *Working with Sexual Attraction in Psychotherapy Practice and Supervision* Biljana Rijn, Jasenka

Lukac-Greenwood, 2020-07-29 *Working with Sexual Attraction in Psychotherapy Practice and Supervision* addresses some of the challenges associated with sexual attraction in psychotherapy practice and supervision as well as within services and helps therapists supervisors and managers to navigate them with openness and self reflection The book focuses on practical and applied issues using a relational humanistic integrative theoretical approach as a backdrop for understanding Split into three parts it deals with issues related to clinical practice supervision and ethical issues Chapters support in depth exploration in all three arenas of practice and are completed by editors providing a reflective summary Enriched with case examples and research written by senior relational practitioners the book will be beneficial to therapists supervisors and service managers in the field of psychotherapy How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book One Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender

taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would

take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it *Television and Behavior* ,1982

Communication, Social Cognition, and Affect (PLE: Emotion) Lewis Donohew,Howard E. Sypher,E. Tory Higgins,2015-05-01 Originally published in 1988 the purpose of this book was to explore the interrelations among communication social cognition and affect The contributors selected by the editors were some of the best known in their fields and they significantly added to the knowledge of this interdisciplinary domain at the time In late April 1986 the authors met at a conference centre at the University of Kentucky They presented first drafts of their chapters and exchanged ideas Out of these interactions came this book which has a broad interest across several areas of psychology and communication While answering a number of questions the authors also posed others for future examination The Media Reader Hugh Mackay,Tim O'Sullivan,1999-06-22 Featuring key statements regarding the influence of the media in areas that include identity technology economics globalisation and surveillance The Media Reader presents ideas that stress its growing importance as a sector of the economy **Feminism And Philosophy** Nancy Tuana,Rosemarie Putnam Tong,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy **Feminism and Philosophy** is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields *Advertising and Violence* Nora J.

Rifon, Marla Royne, Les Carlson, 2014-12-18 Advertising and Violence identifies and analyzes the important issues related to violence in advertising and its overall effects on society The book is based on a widely cited special issue of the Journal of Advertising and includes eight new chapters that expand the book's coverage The objective of the book is to compile a compendium of current thinking perspectives theoretical viewpoints and research relevant to the violence and advertising interface The chapter authors all notable experts in the field take a multidisciplinary approach that incorporates perspectives from disciplines other than marketing in order to provide a broad based view of how advertising and violence coalesce and the policy implications of this juxtaposition **The ^AOxford Handbook of Entertainment Theory** Peter

Vorderer, Christoph Klimmt, 2021-02-12 This Handbook provides an overview of psychology based research on media entertainment that investigates how media users are drawn into and affected by entertaining media experiences The 41 chapters introduce field defining and emerging theories and demonstrate their application to old and new media and a wide range of media contents Feminism Unmodified Catharine A. MacKinnon, 1987 Catharine A MacKinnon noted feminist and legal scholar explores and develops her original theories and practical proposals on sexual politics and law These discourses originally delivered as speeches have been brilliantly woven into a book that retains all the spontaneity and accessibility of a live presentation Through these engaged works on issues such as rape abortion athletics sexual harassment and pornography MacKinnon seeks feminism on its own terms unconstrained by the limits of prior traditions She argues that viewing gender as a matter of sameness and difference as virtually all existing theory and law have done covers up the reality of gender which is a system of social hierarchy an imposed inequality of power Back cover **Cyberspace Romance** Monica

Whitty, Adrian Carr, 2017-09-16 Through examples of Whitty's own research on cyber relationships online dating cyber harassment and presentation of self online as well as drawing from other people's research the positive and negative aspects of online relating are presented This is an invaluable resource for anyone studying or conducting research on Internet relationships **Feeling, Thinking, and Talking** L. David Ritchie, 2022-09-15 The way the brain body and mind interact

with social structure to shape communication has so far not received the attention it deserves This book addresses this gap by providing a novel account of communication as a social biological and neurological force Combining theories from communication studies and psycholinguistics and drawing on biological and evolutionary perspectives it shows how communication is inherently both biological and social and that language and the neural systems that support it have evolved in response to a complex social environment It introduces a clear set of terms based on current research and illustrates key concepts using real life examples from everyday conversation speaking to a number of current debates around the evolutionary and biological basis of language and the relationship between language cognition and environment Thought provoking and engaging it will change the way we think about the relationship between communication and cognition

Research on the Effects of Television Advertising on Children, 1977 **We Did What?!** Timothy B.

Jay, 2016-11-28 This provocative guide profiles behaviors considered shocking throughout American history revealing the extent of changing social mores and cultural perceptions of appropriate conduct since the Colonial period The notion of what is offensive has evolved over time But what factors dictate decorum and why does it change This fascinating work delves into the history of inappropriate behavior in the United States providing an in depth look at what has been considered improper conduct throughout American history and how it came to be deemed as such The detailed narrative considers the impact of religion sexuality popular culture technology and politics on social graces and it features more than 150 entries on topics considered taboo in American cultural history Organized alphabetically topics include abortion body odors cannibalism and voyeurism as well as modern day examples like dumpster diving breast feeding in public and trolling Each entry defines the behavior in question provides an historical outline of the offensive behavior and discusses its current status in American culture Throughout the book clear connections between offenses and social values illustrate the symbiotic relationship between popular opinion and acceptable behaviors of the time
