Evelyn Gajowski, Phyllis Rackin

Erotic Models:

Critical Models Theodor W. Adorno, 2005 *Critical Models* combines two of Adorno's most important postwar works *Interventions* and *Catchwords* And addresses issues such as the dangers of ideological conformity the fragility of democracy educational reform the influence of television and radio and the aftermath and continuity of racism

Modeling Life Sarah R. Phillips, 2012-02-01 This is a book about life modeling Unlike the painter whose name appears beside his finished portrait the life model posing nude perhaps for months goes unacknowledged Standing at a unique juncture between nude and naked between high and low culture between art and pornography the life model is admired in a finished sculpture but scorned for her or his posing Making use of extensive interviews with both male and female models and quoting them frequently Sarah R. Phillips gives a voice to life models She explores the meaning that life models give to themselves and to their work and seeks to understand the lived experience of life models as they practice their profession Throughout history people have romanticized life models in an aura of bohemian eroticism or condemned them as strippers or sex workers *Modeling Life* reveals how life models get into the business managing sexuality in the studio what it means to be a muse and why their work is important

Cultural Typologies of Love Victor Karandashev, 2022-09-01 This timely volume offers an integrative approach and a culturally diverse view of love conceptions experiences and expressions building on both individual and cultural typologies of love It comprehensively presents cultural and cross cultural studies on how culture affects love and offers a systematic description of types and cultural models of love The comprehensive reviews of methodology and findings provide a solid empirical basis for the creation of formal typologies This book will be useful for researchers interested in cross cultural studies of love across many disciplines Its accessible language also makes it ideal for undergraduate and graduate students Readers will gain a comprehensive understanding of Cultural conceptions of love and methods for their research Multiple perspectives in the studies of love across world cultures Cultural models and typologies in an international perspective Cultural models and typologies from an interdisciplinary scientific perspective

Power Play in Latin Love Elegy and its Multiple Forms of Continuity in Ovid's >Metamorphoses José Manuel Blanco Mayor, 2017-02-20 Conceived as a necessary reconsideration of the pristine elegiac question in Ovid's *Metamorphoses* this book intends to offer an analysis of the function of elegiac discourse within Ovid's magnum opus from the perspective of metapoetics To that end the author undertakes in the first section a close re-reading of some relevant passages of Latin love elegy From a prism that takes into account the characteristically elegiac multivocality the genre reveals itself as an agonistic discourse in which the poet dramatises his metaliterary power relation with the puella who is unveiled as the synthesis of the distinct sub products of his poetic activity Thereupon the author proceeds to scrutinise how elegiac elements are assimilated and transformed as they become integrated within the framework of Ovid's poem of changing forms Far from being a mere stylistic ornament the presence of an elegiac register in many erotic passages tells us about Ovid's stance towards love as a metapoetic trope By

reworking elegiac tradition to the point of transforming it into a novum corpus the poet ultimately substantiates the mutability of generic categories

Violette Leduc Alex Hughes,1994 This study which reads Leduc's narratives from a feminist and psychoanalytic perspective has a double focus Part One scrutinizes the intricacies of her treatment of feminine bonding seeking to bring new insights inspired inter alia by theorists such as Melanie Klein Freud and Luce Irigaray to bear on her representations of mother daughter and lesbian relations Part Two examines Leduc's use of language in *Therese et Isabelle* probing the extent to which this novella contains examples of feminist and/or feminine discourse By exploring Leduc's lyrical evocation of feminine homosexuality from both a gender-related and a more traditional formalist standpoint the writer exposes the limitations of a purely feminist approach to her work

The Merry Wives of Windsor Evelyn Gajowski,Phyllis Rackin,2014-09-19 *The Merry Wives of Windsor* has recently experienced a resurgence of critical interest At times considered one of Shakespeare's weaker plays it is often dismissed or marginalized however developments in feminist ecocritical and new historicist criticism have opened up new perspectives and this collection of 18 essays by top Shakespeare scholars sheds fresh light on the play The detailed introduction by Phyllis Rackin and Evelyn Gajowski provides a historical survey of the play and ties into an evolving critical and cultural context The book's sections look in turn at female community female agency theatrical alternatives social and theatrical contexts desire sexuality nature and performance to provide a contemporary critical analysis of the play

Kubrick's Mitteleuropa Nathan Abrams,Jeremi Szaniawski,2024-10-01 Stanley Kubrick was arguably one of the most influential American directors of the post World War II era and his Central European Jewish heritage though often overlooked greatly influenced his oeuvre Kubrick's *Mitteleuropa* explores this influence in ways that range from his work with Hungarian and Polish composers Bela Bartok Gyrgy Ligeti and Krzysztof Penderecki to the visual inspiration of artists such as Egon Schiele Gustav Klimt and other central European Modernists Beyond exploring the *Mitteleuropa* sensibility in Kubrick's films the contributions in this volume also provide important commentary on the reception of his films in countries across Eastern Europe

The Invention of the Model Susan Waller,2017-07-05 Although mastery of the representation of the human figure was central to art making as early as the fifteenth century in Europe in the nineteenth century French imagination the artist's model became identified as a distinct social type and cultural trope This study of the artist's model in Paris between 1830 and 1870 incorporates three histories a social history of professional models a cultural history of models as social types and an art history of representations of the model in elite and popular visual culture It takes as its starting point the artist model transaction demonstrating that stereotypes of the model that figured in the public imagination were framed both by gender and ethnicity the book develops a nuanced typology of different types of models Interwoven with the analysis of the constructed identities of models are accounts of the lives of particular models and the histories of the urban population groups from which they emerged *The Invention of the Model: Artists and Models in Paris 1830-1870* is an adept exploration of a major issue in nineteenth century art which will be of

interest not only to art historians but also to social and French cultural historians Vernon Lee Patricia Pulham, Catherine Maxwell, 2006-04-12 This the first collection of essays on the aesthete and intellectual Vernon Lee offers a wide range of critical writings by scholars Key works are examined including *Euphorion* *Hauntings* *Fantastic Stories* and *Music and Its Lovers* New light is shed on Lee s relationships with contemporaries such as Lee Hamilton Pater and Wilde *Eroticism of More- and Other-than-Human Bodies* Grażyna Gajewska, 2020-09-09 Focusing on non human actors Gra yna Gajewska expands the discussion of eroticism in contemporary culture by bringing in material culture object studies and the anthropology of things She sets out from the assumption that things such as for instance attire underwear shoes or jewelry play an important role in arousing erotic imagination they are genuine participants in the process not mere signifiers of eroticism Their use does not denote only undeniable facts of everyday life associated with functionality the pragmatic or aesthetic aspect but also contribute to the shaping of human emotions fantasies and phantasms In her study Gajewska brings eroticism in contemporary culture to light through applying gender studies to new contexts animals robots virtual worlds even as she explores a new methodology the anthropology of things The Swimsuit Christine Schmidt, 2013-07-18 *The Swimsuit* Fashion from Poolside to Catwalk documents the modern swimsuit s trajectory from men s underwear and circus performance wear to its unique niche in world fashion It emphasizes the relationship between fashion media celebrity sport and the cultivation of the modern body This fascinating book provides an historical sociological and cultural context in which to view how the swimsuit and Australia the country that significantly influenced its modern form migrated from the cultural and colonial periphery to the centre of international attention In addition the book offers new perspectives on national histories of the swimsuit and investigates how traditional European fashion centers have opened up to new markets and modes of living bringing together influences from around the globe *The Swimsuit* is essential reading for students scholars and the general reader interested in fashion popular culture history media sport and gender studies *The Hateful and the Obscene* L. W. Sumner, 2004-01-01 In a series of landmark decisions since 1990 Canadian courts have shaped a distinctive approach to the regulation of obscenity hate literature and child pornography Missing from the debate however has been any attempt to determine whether the legal status quo can be justified by reference to a framework of moral political principles *The Hateful and the Obscene* is intended to fill that gap *The Hateful and the Obscene* is an interpretation of freedom of expression that combines serious philosophical thought with a focus on Canadian law thus offering the breadth capable of dealing with both obscenity and hate literature **Library of Congress Subject Headings** Library of Congress, 2002

Thinking the Difference Luce Irigaray, 2001-01-01 a good introduction to Irigaray s oeuvre *The Year s Work in Critical and Cultural Theory* Discusses how language religion law art science and technology have failed women and how concrete changes can be made to ensure that our culture belongs to both men and women **Leo Tolstoy** Ani Kokobobo, 2025-07-29 The Tolstoy that emerges from this volume is a thinker who resists easy answers explores contradictions and seeks deeper

reconciliation This collection presents him as an open ended conversation partner rather than a moral authority grappling urgently with dilemmas of identity human relationships colonial violence and integrity The Tolstoy I have always sought and hope is foregrounded here is one whose meanings remain open engaging in dialogue with both our present and an unknown future From his time he speaks to today s most pressing issues In an era of polarization and simplistic narratives Tolstoy offers a methodology of dissent and independent thought This is Tolstoy the dissenter whose voice is extraordinarily valuable for our time

Sexuality and Memory in Early Modern England John S. Garrison, Kyle Pivetti, 2015-11-19 This volume brings together two vibrant areas of Renaissance studies today memory and sexuality The contributors show that not only Shakespeare but also a broad range of his contemporaries were deeply interested in how memory and sexuality interact Are erotic experiences heightened or deflated by the presence of memory Can a sexual act be commemorative Can an act of memory be eroticized How do forms of romantic desire underwrite forms of memory To answer such questions these authors examine drama poetry and prose from both major authors and lesser studied figures in the canon of Renaissance literature Alongside a number of insightful readings they show that sonnets enact a sexual exchange of memory that epics of nationhood cannot help but eroticize their subjects that the act of sex in Renaissance tragedy too often depends upon violence of the past Memory these scholars propose re shapes the concerns of queer and sexuality studies including the unhistorical the experience of desire and the limits of the body So too does the erotic revise the dominant trends of memory studies from the rhetoric of the medieval memory arts to the formation of collective pasts

Woman's Body, Woman's Word Fedwa Malti-Douglas, 2019-01-15 Woman s voice and body are closely entwined in the Arabo Islamic tradition argues Fedwa Malti Douglas in this pioneering book Spanning the ninth through twentieth centuries and covering a wide range of texts from courtly anecdote to mystical and philosophical treatises from works of geography to autobiography this study reveals how woman s access to literary speech has remained mediated through her body Malti Douglas first analyzes classical texts both well known works like *The Thousand and One Nights* and others still ignored in the West in which the female voice often associated with wit or trickery of a sexual nature is subordinated to the male scriptor Showing how early Arabo Islamic discourse continues to influence contemporary Arabic writing she maintains that today feminist writers of novels short stories and autobiography must work through this tradition even if they subvert or reject it in the end Whereas woman in the classical period speaks through the body woman in the modern period often turns corporeality into a literary weapon to achieve power over discourse Fedwa Malti Douglas is Professor of Arabic and Comparative Literature at the University of Texas Austin Her books include *Structures of Avarice* *The Bukhala in Medieval Arabic Literature* Leiden and *Blindness and Autobiography* Al Ayyam of Taha Husayn Princeton Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

enduring paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Erotic Models: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Erotic Models : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
