Erotic Women 2:

Erotic Performance and Spectatorship Katy Pilcher, 2016-11-10 Erotic dance is one of the most contentious issues in feminist debates today and a source of fascination in media and popular cultural representations Yet why is it that we currently know so little about those who perform erotic dance for female customers or the experiences of these spectators themselves The result of a unique investigation within two of the UK's leisure venues *Erotic Performance and Spectatorship* seeks to rectify the aforementioned lack of insight Through vivid ethnographies of a lesbian leisure venue and a male strip show Pilcher's research advances key debates about the gender and sexual politics of erotic dance whilst simultaneously relating these to debates about the sex industry more widely This book also subverts previous assumptions that only women perform erotic dance and only men spectate Thus this book stands out amongst other academic accounts developing the debate beyond the established focus on erotic dance as either empowering or degrading This new contribution to the study of erotic dance which provides a fresh theoretical perspective combining queer and feminist theorising in addition to rich empirical evidence will appeal to academic researchers and both undergraduate and postgraduate students within the fields of sociology gender studies sexuality studies gay lesbian studies feminism and other neighbouring disciplines It will also be of interest to feminist and sex work activists policy makers and practitioners **The Emerging Lesbian** Tze-Lan D.

Sang, 2003-01-15 In early twentieth century China age old traditions of homosocial and homoerotic relationships between women suddenly became an issue of widespread public concern Discussed formerly in terms of friendship and sisterhood these relationships came to be associated with feminism on the one hand and psychobiological perversion on the other a radical shift whose origins have long been unclear In this first ever book length study of Chinese lesbians Tze lan D Sang convincingly ties the debate over female same sex love in China to the emergence of Chinese modernity As women's participation in social economic and political affairs grew Sang argues so too did the societal significance of their romantic and sexual relations Focusing especially on literature by or about women preferring women Sang traces the history of female same sex relations in China from the late imperial period 1600 1911 through the Republican era 1912 1949 She ends by examining the reemergence of public debate on lesbians in China after Mao and in Taiwan after martial law including the important roles played by globalization and identity politics *Lesbian Sex Scandals* Dawn Atkins, 1999 *Lesbian Sex Scandals* addresses the contradictory separation of lesbian sexuality from lesbian identity Readers will gain unique insight into the blending of feminism and lesbianism and see how it has sometimes failed in acknowledging the reality of lesbian sexual experiences As the contributors to this collection document sexual practices are often at the core of lesbian sexual identities communities and politics but are usually down played when exploring lesbian identity The contributors to *Lesbian Sex Scandals* address important real issues of sexual practice and sexual politics They explore important experiences questions and directions concerning lesbian sexuality giving you keen insight into the possibility for renewed lesbian

This book explores the arguments appeals and narratives that have defined the meaning of infertility in the modern history of the United States and Europe Throughout the last century the inability of women to conceive children has been explained by discrepant views that women are individually culpable for their own reproductive health problems or that they require the intervention of medical experts to correct abnormalities Using doctor patient correspondence oral histories and contemporaneous popular and scientific news coverage Robin Jensen parses the often thin rhetorical divide between moralization and medicalization revealing how dominating explanations for infertility have emerged from seemingly competing narratives Her longitudinal account illustrates the ways in which old arguments and appeals do not disappear in the light of new information but instead reemerge at subsequent often seemingly disconnected moments to combine and contend with new assertions Tracing the transformation of language surrounding infertility from barrenness to in fertility this rhetorical analysis both explicates how language was and is used to establish the concept of infertility and shows the implications these rhetorical constructions continue to have for individuals and the societies in which they live Song of Songs Adele Berlin,2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song s blending of the Jewish and the Greek is part of its literary virtuosity **The Routledge Handbook of Male Sex Work, Culture, and Society** John Scott,Christian Grov,Victor Minichiello,2021-03-20 Panoramic and provocative in its scope this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities male sexuality sexual health and sexual cultures This groundbreaking volume will have a powerful impact on our understanding of this challenging elusive subject While the internet has brought the previously hidden worlds of male sex work more starkly into public view academic research has often remained locked into descriptions of male sex workers and their clients as perverse Drawing from a variety of regions the chapters provide insights into the historical popular cultural social and economic aspects of sex work as well as demographic patterns health outcomes and policy issues This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon The book challenges myths and reconceptualizes male sex work as a discrete field Importantly it provides a vehicle for the voices of male sex workers and new and established scholars This richly detailed humane and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other The findings within have profound implications for how

governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work this handbook will be of great interest to scholars of criminology sociology gender studies and cultural studies and all those interested in male sex work *Magnús Eiríksson* Gerhard Schreiber Jon Stewart ,2017-03-06 The present volume is the first anthology devoted to the Icelandic theologian and religious author Magn s Eir ksson 1806 81 a forgotten contemporary of S ren Kierkegaard in Golden Age Denmark With his remarkably modern views thoughts and ideas of society politics and religion Eir ksson has taken on the role of a widely unknown pioneer in various contexts As early as in his debut book On Baptists and Infant Baptism 1844 Eir ksson made a name for himself as a devoted advocate of tolerance and freedom of thought and conscience in matters of religion Although Eir ksson s numerous and multifaceted writings provoked a wide spectrum of reactions by members of the Danish society the central figures at that time constantly took care to avoid engaging Eir ksson or his ideas in public debate and instead met him with lofty silence The present volume aims to end this silence which has continued after Eir ksson s death and it marks the beginning of a serious discussion of Eir ksson s works and ideas The articles featured in this anthology are written by international scholars from different fields With its strategic organization the collection covers the key topics of Eir ksson s writings and provides insights into his historical cultural background Understanding Eir ksson s polemics with his Copenhagen contemporaries such as Hans Lassen Martensen Henrik Nicolai Clausen N F S Grundtvig and S ren Kierkegaard on some of the main theological issues of the day sheds light on the period as a whole and provides a new perspective on the complex and diverse discussions concerning religion in the Golden Age *Confessions of a Radical Chicano Doo-Wop Singer* Ruben Guevara,2018-04-13 Prologue La Veinte a Santa Monica barrio Rub n Ladr n de Guevara Sr 1914 2006 1742 22nd Street Barrio La Veinte Santa Monica Palm Springs Cathedral City Las Vegas Binnie La Gatita Las Vegas breakup of the family Sue Dean Beverly Shindig with Tina Turner and Bo Diddley 1965 The Sunset Strip riots The southern belle LACC The New Revelations Gospel Choir Miss Santa Barbara Frank Zappa Ruben And The Jets Rock n Roll Angels 1972 1974 Miss Pamela the G T O s Girls Together Outrageously Miss Claremont Miss Chino The mutiny The movie star and Miss Blue Eyes We open for Zappa at Winterland San Francisco April 1973 Con Safos the album Mexico Hollywood The Whisky Eastside Revue Zyanya Records La gypsy The Star Spangled Banner America the Beautiful The Whisky Con Safos the band 1980 Miss Aztln Gotcha Zyanya Records Cristina D a de Los Muertos Chicano Heaven Born in East L A the movie HBO Cinemax special Performance art Mexico and France La quemada La rebel Jammin with Johnny Arts 4 City Youth UCLA Journey to New Aztln Miss San Francisco the enchantress Miss Mongolia Metropolitan State Hospital Trinity Elementary School Teaching at UCLA Miss Tokyo Mexam rica the CD The Eastside Revue a musical homage to Boyle Heights 1922 2002 Boyle Heights LA Times Collaborations with Josh Kun The Iraq war Collaborations with Nobuko Miyamoto Great Leap NCRR MPAC Manzanar

 Reflections on L A Myth, Ritual, and the Warrior in Roman and Indo-European Antiquity Roger D. Woodard, 2013-01-28
 This book examines the figure of the returning warrior as depicted in the myths of several ancient and medieval Indo
 European cultures In these cultures the returning warrior was often portrayed as a figure rendered dysfunctionally
 destructive or isolationist by the horrors of combat This mythic portrayal of the returned warrior is consistent with modern
 studies of similar behavior among soldiers returning from war Roger Woodard s research identifies a common origin of these
 myths in the ancestral proto Indo European culture in which rites were enacted to enable warriors to reintegrate themselves
 as functional members of society He also compares the Italic Indo Iranian and Celtic mythic traditions surrounding the
 warrior paying particular attention to Roman myth and ritual notably to the etiologies and rites of the July festivals of the
 Poplifugia and Nonae Caprotinae and to the October rites of the Sororium Tigillum **Official Gazette of the United
 States Patent and Trademark Office** ,2001 *Small Corpus Studies and ELT* Mohsen Ghadessy, Alex Henry, Robert L.
 Roseberry, 2001-01-01 Recent developments in this field of small corpus studies largely brought about by the personal
 computer have yielded remarkable insights into the nature and use of real language This book presents work by a number of
 leading researchers in the field and covers a series of topics directly related to language teaching and language research The
 ultimate aim of this book is to encourage the exploitation of small corpora by the ELT profession to make language learning
 more effective In addition to descriptions of the basic corpus analysis tools chapters in the collection cover syllabus and
 materials design comparisons of different genres descriptions of local and functional grammars compilation and use of
 learner corpora and making cross linguistic comparisons The message of this collection is that language use is purposeful
 and culture specific and that small corpus analysis is an effective method of linguistic investigation Preface by John Sinclair

cruelty or compassion Here scholars not only excavate these works for their formative and continuing cultural impact on communities identities and belief systems they select some of the most troubling topics that global communities continue to navigate Their analysis of both texts and their reception help explain how these texts promote norms and build collective identities Rejecting the notion of the sacred realm as separate from the mundane realm and beyond critical challenge this collection argues both implicitly and sometimes transparently for the presence of the sacred within everyday life and open to challenge The very rituals prayers and traditions that are deemed sacred interweave into our cultural systems in infinite ways Together these authors explore the dynamic nature of everyday life and the often brutal power of these texts over everyday meaning

Men, Women, Passion and Power Marie Maguire,2024-11-01 This completely revised edition of Men Women Passion and Power offers a new critique of conventional notions of masculinity and femininity Contemporary psychoanalytic debates about sexuality are explored revealing how the cultural idealisation of men is replicated in theory and clinical practice Illustrated with use of detailed and vivid case material this book demonstrates that it is only when the feminist perspective has been truly integrated into theory that the psychoanalytic project will realise its full radical potential Subjects covered include The power of female sexuality Race class and sexuality The fragility of male sexual identity Envy between the sexes Marie Maguire argues that examining these issues and gaining an awareness of how our assumptions are influenced by social inequalities can enrich the psychotherapeutic process and result in a more balanced psychological relation between the sexes Men Women Passion and Power will be of great interest to psychotherapists psychoanalytic practitioners and anyone with an interest in the integration of a feminist perspective into psychoanalytic theory
