

EROTICA III

- With over 250 full-color illustrations
- Concentrates on the fun and joy of sex
- Features writers and artists of past centuries

This third anthology of erotica contains a magnificent selection of paintings, drawings, sculpture, photographs and literature to stimulate and amuse. The journey of discovery starts in the sixteenth century and continues down to our own, taking in such delights as the bawdy poetry of the Earl of Rochester, the explicit memoirs of Fanny Hill and the amusing recollections of the courtesan Clara Pearl, star of the belle époque. The sexual avant-garde seems to not be forgotten - Oscar Wilde, Jean Cocteau and Vladimir Lenin are all represented. The anthology concludes in our own day with the unabashed adventures of Henry Miller, Anais Nin and Erica Jong and an unusual love story by Nabokov's Indulgents.

Throughout, the literary extracts are complemented by carefully chosen illustrations.

The last of a trilogy, this selection brings the series to a triumphant conclusion in an elegant volume designed to appeal to both men and women.

Charlotte Hill and William Wallace are long-time writers and enthusiasts of erotica who collaborated successfully on the first and second illustrated anthologies, also published by Carroll and Graf. They have again made their selections with great care to ensure that this new volume captures the widest possible readership.

There were several contemporary photographs by Peter Beard, member of the Hudson River Art Club. The Photographs were acquired by the Victoria and Albert Museum, 1986.
