## **Erotics And Politics Gay Male Sexuality Masculinary And Feminism:**

*Erotics and Politics* Tim Edwards, 2012-11-12 *Erotics and Politics* provides an interface between the study of sexuality particularly gay male studies and gender primarily feminism In doing so it covers a wide range of issues of concern to gay and feminist movements over the past twenty five years including gay liberational sexuality sado masochism pornography promiscuity personal relationships AIDS and postmodernity The central focus of attention throughout is the nature development and consequence of gay male sexuality and masculinity This book is unique in its coverage of a wide range of issues and connecting subjects which are typically examined separately Gay Male Pornography Christopher N. Kendall, 2004 The 2000 case of Little Sisters Book and Art Emporium v Customs Canada provided Canada's highest court with its first opportunity to consider whether the analysis set out in *R v Butler* in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom *Gay Male Pornography* rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice **The Lavender Vote** Mark Hertzog, 1996-08-01 Traces the influences of lesbian gay and bisexual voters in American elections In the half century since the Stonewall riots in New York City's Greenwich Village launched the national gay rights movement in earnest LGB voters have steadily expanded their political influence *The Lavender Vote* is the first full length examination of lesbians gay men and bisexuals as a factor in American elections Mark Hertzog here describes the differences in demographics attitudes and voting behavior between self identified bisexuals and homosexuals and the rest of the voting population He shows that lavender self identifiers comprise a distinctive voting bloc equal in numbers to Latino voters more liberal across the board on domestic social issues though not necessarily on economic or national security issues than non gay voters and extremely unified in high salience elections Further lavender voters contrary to popular belief are up for grabs between the two major parties Offering a clear and thorough explanation of LGB voting tendencies this volume will be must reading for elected officials candidates for office and

**Posting the Male** Daniel Lea, Berthold Schoene-Harwood, 2003 The essays collected in Posting the Male examine representations of masculinity in post war and contemporary British literature focussing on the works of writers as diverse as John Osborne Joe Orton James Kelman Ian Rankin Carol Ann Duffy Alan Hollinghurst Ian McEwan Graham Swift and Jackie Kay The collection seeks to capture the current historical moment of crisis at which masculinity loses its universal transparency and becomes visible as a performative gender construct Rather than denoting just one fixed polarised point on a hierarchised axis of strictly segregated gender binaries masculinity is revealed to oscillate within a virtually limitless spectrum of gender identities characterised not by purity and self containment but by difference and alterity As the contributors demonstrate rather than a gender in crisis millennial manhood is a gender in transition Patriarchal strategies of man making are gradually being replaced by less exclusionary patterns of self identification inspired by feminism Men have begun to recognise themselves as gendered beings and as a result masculinity has been set in motion
