Erotique Bottoms:

Picasso Érotique Pablo Picasso, 2001 The career of the greatest painter of the twentieth century was played out in the shadow of Eros and of Thanatos At the age of eight Picasso's first drawings already displayed a precocious interest in the female form and in the days leading up to his death he was still working obsessively on sketches of the female sex At the turn of the century the young Picasso created drawings and watercolors inspired by the bordellos of Barcelona which he frequented These works mix desire fascination but also comedy and the grotesque alongside the ever present fear of disease They would result seven years later in his masterpiece *Les Femmes d'Alger* (O.J.) The works in this ground breaking book include erotic drawings formal and informal sketches in notebooks hidden in drawers and private collections and occasionally paintings and sculptures Through all these works the essays by an international team of scholars analyse the primeval notion of desire in Picasso's work as well as his relation to voyeurism and exhibitionism to artist and model Whether through playful or hallucinatory forms Picasso's representation of the desiring and desired body has become a pivotal moment in the history of twentieth century art Produced to accompany a major exhibition in Paris Montreal and Barcelona **Picasso Erotique** is a unique examination of the central theme in Picasso's work

Queer Festivals Konstantinos Eleftheriadis, 2025-10-01 To what extent is queer anti-identitarian And how is it experienced by activists at the European level At queer festivals activists artists and participants come together to build new forms of sociability and practice their ideals through anti-binary and inclusive idioms of gender and sexuality These ideals are moreover channelled through a series of organisational and cultural practices that aim at the emergence of queer as a collective identity Through the study of festivals in Amsterdam Berlin Rome Copenhagen and Oslo **Queer Festivals Challenging Collective Identities in a Transnational Europe** thoughtfully analyses the role of activist practices in the building of collective identities for social movement studies as well as the role of festivals as significant repertoires of collective action and sites of identitarian explorations in contemporary Europe

Ravishing in Red Madeline Hunter, 2010-01-26 From acclaimed New York Times bestselling author Madeline Hunter comes a dazzling tale of untamed passion the first in a delicious quartet of regency romances Armed with her cousin's gun Audrianna travels to an inn in Brighton to confront the mysterious Domino a man who claims to have information that could clear her deceased father's once good name But the handsome man of commanding sensuality who shows up is not the Domino at all but Lord Sebastian Sommerhays one of her father's persecutors And when the gun accidentally fires the secretive situation suddenly becomes mortifyingly public There is only one way out of the scandal that erupts and so these two passionate and headstrong adversaries find themselves joined in a marriage of necessity Expecting a practical alliance Audrianna quickly discovers she is helpless to resist Sebastian's seductive persuasions as he teaches her the meaning of desire But she remains determined to exonerate her father even if it

means risking her life her marriage and her heart **Madeleine Hunter Collection** Madeline Hunter,2012-09-04 The masterful New York Times bestselling author Madeline Hunter offers a quartet of delicious Regency historical romances revolving around the ladies of the Rarest Blooms a London flower business where passion blossoms Her books are so addictive they should come with a surgeon general s warning Publishers Weekly Booklist Ravishing in Red Provocative in Pearls Sinful in Satin Dangerous in Diamonds **Verbatim** ,1991 **Mis-reading the Creative Impulse** Adrianna M. Paliyenko,1997 Building on work by Aristotle Jacques Lacan and Harold Bloom Adrianna M Paliyenko s richly textured study revises our previous understanding of Arthur Rimbaud s 1854 1891 indirect artistic influence on Paul Claudel 1868 1955 Paliyenko s analysis answers to critical readings that rely on speculative spiritual affinities and text surface similarities in identifying Claudel as Rimbaud s artistic follower She traces the two writers development of the poetic subject striving to map Claudel s creative corrections or revisions of Rimbaud s work In redirecting discussion of Rimbaud s work she develops a Bloomian paradigm of how creative artists strive for originality by correcting or revising their predecessors *Later Queens of the French Stage* Hugh Noel Williams,1906 Readers with a taste for theatrical history will find this no less amusing than a novel Through the biographies of these now forgotten yet acclaimed in their time actresses presents a view of aspects of the society of eighteenth century France particularly the court and its interactions with the theatrical world

L'élément érotique dans la caricature Eduard Fuchs,1912 [Disturbing Attachments](#) Kadji Amin,2017-08-31 Jean Genet 1910 1986 resonates perhaps more than any other canonical queer figure from the pre Stonewall past with contemporary queer sensibilities attuned to a defiant non normativity Not only sexually queer Genet was also a criminal and a social pariah a bitter opponent of the police state and an ally of revolutionary anticolonial movements In *Disturbing Attachments* Kadji Amin challenges the idealization of Genet as a paradigmatic figure within queer studies to illuminate the methodological dilemmas at the heart of queer theory Pederasty which was central to Genet s sexuality and to his passionate cross racial and transnational political activism late in life is among a series of problematic and outmoded queer attachments that Amin uses to deidealize and historicize queer theory He brings the genealogy of Genet s imaginaries of attachment to bear on pressing issues within contemporary queer politics and scholarship including prison abolition homonationalism and pinkwashing *Disturbing Attachments* productively and provocatively unsettles queer studies by excavating the history of its affective tendencies to reveal and ultimately expand the contexts that inform the use and connotations of the term queer **Queer Sexualities in French and Francophone Literature and Film** ,2015-07-14 The steady development of queer theory over the last two decades has provided useful analytical tools and the will to dismiss the watchdog of heteronormativity Modes of reading have evolved as this volume of FLS amply attests Following Bill Edmiston s introduction to the volume a concise and informative history of queer theory the fifteen articles reveal not surprisingly significant diversity One deals with queerness in the context of medieval writing where allegorical and euphemistic expression were understood to be irreconcilable

Another treats translations in Early Modern France of an Ovidian fable that had an inconvenient lesbian dimension Rousseau's fixation on his bottom e.g. for spankings points to a queer streak while Gautier's *Mademoiselle de Maupin* enhances the theme of sexual misidentity with ornamental figures The queerness of Sand's *La Mare au diable* emerges in the course of a contrasexual reading A musicologist investigates the possibility of a lesbian esthetics of music in a work by Erik Satie while a literary scholar finds evidence of Proust's outing in Jean Santeuil Other articles address the sense of gender transformation wrought by sodomy a revised view on the writing subject in Jean Genet's fiction the queerness of heterosexuality in the works of Michel Houellebecq and recurring motifs in recent fiction produced by gay Paris Two of the articles treat activism and esthetics in film

Burlesque, Yoga, Sex and Love Anne Key, 2015-10-23 In *Burlesque Yoga Sex and Love* award winning author Anne Key invites us to walk along the glittery rhinestone encrusted path of self discovery as she confronts and transcends the established norms for middle aged women Set in picturesque Albuquerque New Mexico this memoir explores what it means to connect the body mind and spirit through the practices of yoga and burlesque By the end of the book you will find yourself traveling outside the shadowy corners of fear and toward a brighter light where there is freedom to be found in accepting yourself and in learning to love what you find

Shakespeare, les feux de l'envie René Girard, 2014-04-01 De Shakespeare Ren Girard nous propose une lecture neuve inspiree de la theorie dont il est le prelateur mimetique ou theorie de la triangularite du desir Mais loin d'appliquer Shakespeare les principes du mimetisme il s'attache a montrer que Shakespeare etait un mimeticien avant la lettre et que toute la theorie mimetique etait contenue dans les premieres pieces dans son oeuvre theatrale Au del de Shakespeare Ren Girard nous interroge sur nous memes sur la dimension tragique de nos desirs et nous propose un tableau la fois sombre et plein d'esperance de l'humanite de toujours et de l'humanite d'aujourd'hui Par ailleurs il fait oeuvre de poliste et s'attaque la critique litteraire contemporaine mais son livre est moins un retour la tradition que l'apparition d'un classicisme critique nouvelle maniere face un modernisme extenu
