Fowl, 2017-01-12 In this guide Stephen E Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians On the theological front Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus of the role of heavenly powers in the universe and of how the community of Christians is to engage with those powers Fowl also opens up the major identity questions Ephesians shows existed for early Christians how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy On the critical front Fowl provides an introduction to the key critical questions and issues such as whether this letter was actually written to a church in Ephesus and whether Paul the apostle was indeed the author of the letter Yet whilst there are demanding linguistic historical and cultural questions to be answered Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message The Journey of Following Jesus Ronald Squibb, Daniel McNaughton, 2022-09-01 THE JOURNEY OF FOLLOWING JESUS will help you develop the seven essential attributes of a disciple of Jesus Christ By reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach you will learn how to become a fully devoted follower of Jesus The Missions and Missional Purpose of Ephesians Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in
