Epidemic Of Courage:

Epidemic of Courage Lon G. Nungesser, 1986 Facing AIDS in America **From Outrage to Courage: The Unjust and Unhealthy Situation of Women in Poorer Countries and What They are Doing About It** Anne Firth Murray, 2013 From sex selective abortions to millions of girls who are disappeared from 90 million girls who do not go to school to HIV AIDS spreading fastest among adolescent girls women face unique health challenges writes Anne Firth Murray In this searing cradle to grave review Murray tackles health issues from prenatal care to challenges faced by aging women Looking at how gender inequality affects basic nutrition Murray makes clear the issues are political more than they are medical In an inspiring look From Outrage to Courage shows how women are organizing the world over Women s courage to transform their situations and communities provides inspiration and models for change From China to India from Indonesia to Kenya Anne Firth Murray takes readers on a whirlwind tour of devastation and resistance from amazon com desc **THE POWER OF SHE** Unknown, Uncover the extraordinary impact of women throughout history in The Power of She Story of 51 Famous Women in History Who Have Changed the World This inspiring book reveals how individual acts of courage create profound ripple effects transforming societies across centuries and continents From ancient queens like Cleopatra and Hatshepsut who redefined leadership to scientific pioneers like Marie Curie and Tu Youyou whose breakthroughs saved millions and fearless activists such as Rosa Parks and Ida B Wells who fought for justice each narrative showcases transformational courage action despite fear Explore the lives of literary visionaries business empire builders and global leaders who shattered barriers and reshaped the world The Power of She is more than a collection of biographies it s a blueprint for your own potential demonstrating that your actions matter more than you think Discover how these remarkable women navigated resistance innovated against the odds and built legacies that continue to inspire Their stories prove that you don t need to be famous to create ripples you just need to be willing Find your place in this lineage of change makers and unlock your own power to transform your world *The Contagious Power of Thinking* David R. Hamilton, PHD, 2011-02-05 Wouldn t it be great if instead of catching a nasty cold we could catch our friend s good mood or our colleague s healthy habits You don t need to be on the Internet to be connected We are all part of interconnected networks whether we re aware of it or not Everything you think say and do can be felt by people on the other side of the world The Contagious Power of Thinking provides astonishing scientific evidence to show how habits attitudes emotions and even kindness spread rapidly outwards from person to person through personal contact Learn the fascinating facts behind how infants feel their mother s emotions how more than 25% of your happiness is due to the happiness of your friends how your brain reads the emotions of others and reproduces the feeling in you and how your best friend s sister s hairdresser can make you fat In this book David Hamilton explores the amazing implications of this phenomenon and suggests that a small group of committed people really can change the world
