

EPISTLE TO WHITE CHRISTIANS

By FRED D. WENTZEL

Epistle To White Christians

Hussin A.Rothana

Epistle To White Christians:

Epistle to White Christians Fred D. Wentzel, 1948 *The Epistles for All Christians* David Smith, 2020-09-25 In *The Epistles for All Christians* David Smith argues that epistolary literature offers analogous evidence of circulation to the Gospels Since Richard Bauckham's edited volume *The Gospels for All Christians* was published in 1998 debate over the validity of the contributors' claims that the Gospels were written for all Christians has revolved around interpretation Smith brings circulation to bear on the conversation Studying ancient media practices of publication and circulation and using social network theory Smith makes a compelling case that if the evangelists did not expect their texts to circulate they would be atypical *The Seven Churches of Asia; an Exposition of the Epistles of Christ to the Seven Churches, Etc* Samuel WILLS (Baptist Minister.), 1852 **The Cursed Christ** B. Hudson McLean, 1996-01-01 In the first part of this study McLean deals with Paul's letters synchronically critiquing the traditional sacrificial interpretation of Paul's atonement theology and offering an alternative model previously unexplored in scholarship the argument is not genealogical but analogical drawing on the work of Jonathan Z. Smith In the second part McLean describes and builds on the method of John Hurd studying the development of Paul's soteriology diachronically Paul's letters are examined in chronological order and the sociological factors that contributed to each development are examined Finally Paul's soteriology is placed against the broader canvas of early Christianity especially the communities associated with Q and the Gospel of Thomas *A letter to the Wardens and Vestry of Christ Church, Cincinnati, in reply to their "Declaration and protest against the proceedings of Bishop Hobart and the Trustees of the General Theological Seminary of the Episcopal Church, in relation to the mission of Bishop Chase to England."* By a Presbyterian of the diocese of New-York Christ Church, Cincinnati (JESUS CHRIST), 1824 *The Social Worlds of Ancient Jews and Christians*, 2022-11-21 This volume contains fifteen essays in honor of L. Michael White whose work has been influential in exploring the social histories of ancient Jews and Christians within the Graeco-Roman world Following an introduction that highlights some of White's main scholarly contributions the essays are grouped into three topic areas Paul and his Legacy Social Relations and Material Culture The essays are united by an interest in reconstructing the social worlds of ancient Jews and Christians through careful analysis of literary sources and material culture in their most precise ancient contexts **Christianity and the Contest for Manhood in Late Antiquity** Nathan D. Howard, 2022-11-24 In this book Nathan Howard explores gender and identity formation in fourth-century Cappadocia where pro-Nicene bishops used a rhetoric of contest that aligned with conventions of classical Greek masculinity Howard demonstrates that epistolary exhibitions served as a locus for asserting manhood in the fourth century These performances illustrate how a culture of orality that had defined manhood among civic elites was reframed as a contest whereby one accrued status through merits of composition Howard shows how the Cappadocians' rhetoric also reordered the body and materiality as components of a maleness over which they moderated He interrogates fourth-century theological conflict as part of a rhetorical battle over

claims to manhood that supported the Cappadocians theology and cast doubt on non Trinitarian rivals whom they cast as effeminate and disingenuous Investigating accounts of pro Nicene protagonists overcoming struggles Howard establishes that tropes based on classical standards of gender contributed to the formation of Trinitarian orthodoxy *The Lutheran World Almanac and Annual Encyclopedia for ... ,1922* *The Lutheran World Almanac and Annual Encyclopedia for 1921- ,1922* **The Orthodox Christian World** Augustine Casiday,2012-08-21 Over the last century unprecedented numbers of Christians from traditionally Orthodox societies migrated around the world Once seen as an oriental or eastern phenomenon Orthodox Christianity is now much more widely dispersed and in many parts of the modern world one need not go far to find an Orthodox community at worship This collection offers a compelling overview of the Orthodox world covering the main regional traditions of Orthodox Christianity and the ways in which they have become global The contributors are drawn from the Orthodox community worldwide and explore a rich selection of key figures and themes The book provides an innovative and illuminating approach to the subject ideal for students and scholars alike **The Black Christ** Douglas, Kelly Brown,2019-04-24 In this classic work first published in 1994 Kelly Brown Douglas offers a compelling portrait of who Jesus is for the Black community Beginning with the early testimonies of the enslaved through the writings and thought of religious and literary figures voices from the Civil Rights and Black Power era including Martin Luther King Jr and Malcolm X up through the contemporary work of Black and Womanist theologians Douglas presents a living tradition that speaks powerfully to the message of our day Black Lives Matter **The Cotton Patch Gospel: Paul's Epistles** Clarence Jordan,2004 The Cotton Patch Gospel recasts the stories of Jesus and the letters of Paul and Peter into the language of the mid 20th century South Born out of the Civil Rights struggle these now classic translations of much of the New Testament bring the far away places of Scripture closer to home Gainesville Selma Birmingham Atlanta Washington D C As Jordan once wrote While there have been many excellent translations of the Scriptures into modern English they still have left us stranded in the long distant past We need to have the good news come to us not only in our own tongue but in our own time We want to be participants in the faith not merely spectators *The Letters to the Thessalonians* GENE L GREEN,2020-05-21 In this commentary Gene Green reads Paul s two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city s first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green s exposition shows the

Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance. Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns. Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters. Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study. By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing relevance of 1-2 Thessalonians for contemporary readers.

Letters to a Birmingham Jail Bryan Loritts, 2014-03-26 More than fifty years ago Dr Martin Luther King Jr wrote his Letter from a Birmingham Jail. Much has transpired in the half century since and progress has been made in the issues that were close to Dr King's heart. Thankfully the burning crosses biting police dogs and angry mobs of that day are long gone. But in their place passivity has emerged. A passivity that must be addressed. That's the aim of Letters to a Birmingham Jail. A collection of essays written by men of various ethnicities and ages this book encourages us to pursue Christ exalting diversity. Each contribution recognizes that only the cross and empty tomb of Christ can bring true unity and each notes that the gospel demands justice in all its forms. This was a truth that Dr King fought and gave his life for and this is a truth that these modern day drum majors for justice continue to beat.

NIVAC Bundle 7: Pauline Epistles Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award winning commentary is the ideal resource for today's preachers, teachers and serious students of the Bible giving them the tools, ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Family Readings on the Collects, Epistles, and Gospels of the Christian Year Douglas Cartwright Timins, 1869

Remnant Study Bible NKJV (New King James Version) with E.G. White Comments Remnant Publications, 2015-03-01 Many study Bibles are available today. The new Remnant Study Bible however is unique in ways that set it apart from all others. For example in the list below you'll notice that for the first time ever this Bible combines special comments by E. G. White with the text of the New King James Version. In addition this Bible is replete with a full array of Bible

study aids including a complete set of Chain Reference Bible Studies a section on Prophetic Symbols and sections on the prophecies of Daniel and on the Bible's teaching about the Sanctuary Of course this Bible also includes what any good study Bible offers such as book introductions and outlines an extensive concordance an abundance of cross references and wide margins for personal notes No other study Bible offers more features for personal Bible study and for sharing with others than does The Remnant Study Bible Power filled features include E G White Comments first time ever in the New King James Version Bible Chain References for Bible Studies clickable links Approximately 45 000 Scripture Cross References clickable links Book Introductions and Outlines Chapter Subtitles Parables and Miracles of Jesus Color Images of the Sanctuary and Prophetic Symbols Read the Bible in a Year Guide linked Version 1 2 now released **Orality and Literacy in Early**

Christianity Pieter Botha,2012-11-01 The history of the Jesus movement and earliest Christianity requires careful attention to the characteristics and peculiarities of oral and literate traditions Understanding the distinctive elements of Greco Roman literacy potentially has profound implications for the historical understanding of the documents and events involved Concepts such as media criticism orality manuscript culture scribal writing and performative reading are explored in these chapters The scene of Greco Roman literacy is analyzed by investigating writing and reading practices These aspects are then related to early Christian texts such as the Gospel of Mark and sections from Paul's letters **The Epistle of James and**

Eschatology Todd Penner,1996-05-01 The aim of this book is to challenge the common view that the epistle of James is a late Hellenistic Wisdom document that has little importance for our understanding of earliest Christianity The author undertakes two main projects first an examination of the various assumptions about date setting and content that have influenced how the letter of James has been interpreted and second a re reading of the letter that seeks to uncover the special character of the epistle by stressing the fusion of its eschatological framework with its ethical instruction The literary cultural and social contextualization of James that emerges sheds new light on this often neglected text and its place in early Christianity Black Theology, Slavery and Contemporary Christianity Anthony G. Reddie,2016-04-15 Black Theology

Slavery and Contemporary Christianity explores the legacy of slavery in Black theological terms Challenging the dominant approaches to the history and legacy of slavery in the British Empire the contributors show that although the 1807 act abolished the slave trade it did not end racism notions of White supremacy or the demonization of Blackness Black people and Africa This interdisciplinary study draws on biblical studies history missiology and Black theological reflection exploring the strengths and limitations of faith as the framework for abolitionist rhetoric and action This Black theological approach to the phenomenon of the trans Atlantic slave trade and the institution of slavery draws on contributions from Africa the Caribbean North America and Europe
