Epitaph for a Loser James T. Doyle, 1988 When private investigator Paul Broder's ex wife pleads with him to find her missing brother his search turns up a crooked cop warring mobsters and a deadly scheme Chaos Theory of the Heart & Other Poems Mainly Since 1990 Lionel Abrahams, 2005 In the kaleidoscope that is Lionel Abrahams we find poet and wit lover and critic a voice speaking to us especially to poets with an inspirational clarity **Born Losers** Scott A. Sandage, 2006-04-30 This pioneering American cultural history connects everyday attitudes and anxieties about failure to lofty ideals of individualism and salesmanship of self Sandage's storytelling brings to life forgotten individuals who wrestled with The Loser the label and the experience in the days when American capitalism was building a nation of winners The Spanish Presence in Sixteenth-Century Italy Piers Baker-Bates, Miles Pattenden, 2016-02-17 The sixteenth century was a critical period both for Spain's formation and for the imperial dominance of her Crown Spanish monarchs ruled far and wide spreading agents and culture across Europe and the wider world Yet in Italy they encountered another culture whose achievements were even prouder and whose aspirations often even grander than their own Italians the nominally subaltern group did not readily accept Spanish dominance and exercised considerable agency over how imperial Spanish identity developed within their borders In the end Italians views sometimes even shaped how their Spanish colonizers eventually came to see themselves The essays collected here evaluate the broad range of contexts in which Spaniards were present in early modern Italy They consider diplomacy sanctity art politics and even popular verse Each essay excavates how Italians who came into contact with the Spanish crown's power perceived and interacted with the wider range of identities brought amongst them by its servants and subjects Together they demonstrate what influenced and what determined Italians responses to Spain they show Spanish Italy in its full transcultural glory and how its inhabitants projected its culture throughout the sixteenth century and beyond *Remembering Restoration Losers* Michael Wert, 2020-05-11 This book is about the losers of the Meiji Restoration and the supporters who promoted their legacy Although the violence of the Meiji Restoration is typically downplayed the trauma was real and those who felt marginalized from the mainstream throughout modern Japan looked to these losers as models of action Using a wide range of sources from essays by former Tokugawa supporters like Fukuzawa Yukichi to postwar film and lost decade manga Michael Wert traces the shifting portrayals of Restoration losers By highlighting the overlooked sites of memory such as legends about buried gold the awarding of posthumous court rank or fighting over a disembodied head Wert illustrates how the process of commemoration and rehabilitation allows individuals a voice in the formation of national history He argues that the commingling of local memory activists with nationally known politicians academics writers and treasure hunters formed interconnecting memory landscapes that promoted local figures as potential heroes in modern Japan **Malady of Art: FEAR** Jack White, 2010-03-29 *Malady of Art FEAR* is one of Jack White's most powerful art marketing books He grabs fear by the neck giving it a good

choking More artists are held back by fear than any other obstacle Claim victory over your apprehension Read Malady of Art FEAR and you will have a good grasp on how to deal with trepidation in your life opening the door to success in your art career **The Losers Club** Jeff Kinley,2009-08-30 We usually think of Bible characters as dressed with their Sunday best lookin good smelling of accomplishment and holding the posture of unshakeable faith We marvel at these flawless saints while thinking Wow I m not worthy Hey not so fast Believe it or not the most celebrated people in the Bible were plagued by doubt bad decisions and less than perfect reputations In a word most were losers And yet God had plans that would take them beyond their humble imperfect lives and dub them proud members of the losers club Losers Club is a real life look at famous Bible figures such as Moses Solomon David Thomas Rahab and others Each vignette reveals people who struggle with weak faith confusion and frustration people very much like you and me These stories will help you connect with these flawed heroes find encouragement in their stories and get inspired by God s love and care for losers Winners & Losers Bob Latham,2012-10-02 Whether your passion is football tennis ice hockey or one of many other sports this compilation lets you feel the sports experience rather than just observe it More at home out of the VIP or press box columnist Bob Latham brings you down among the fans and the athletes to experience the true essence of sports as he rants riffs and reflects on the heroism heartbreak excitement and humor in the world of sports From tips on how to become a professional sports team s number one fan to a recap of Muhammad Ali s seventieth birthday party from the Super Bowl to Wimbledon to Wrigley Field you ll feast on a tailgate party s worth of anecdotes Along the way learn valuable tips on how to be a sports tourist whether you re headed to Scotland Italy New Zealand New York City or a host of other places Join Bob as he makes a pilgrimage to sports meccas and legendary events around the world See it all through his vibrant color photographs of the people and places you ll discover from the cryogenics facility where Ted Williams is stored to the Jigger Inn overlooking the 18th hole at St Andrews Wrap up the experience as Bob recounts memories of his favorite Chicago Cubs fan a tribute to those who love and live the great world of sports **American Book Publishing Record** ,1988 Rock Record 7 Terry Hounscome,1997

Counterrevolution James H. Meisel,2018-02-06 The flow and counter flow of revolution and counterrevolution have become the norm of the twentieth century In this fascinating and well rounded volume the author illuminates the revolutionary process as it has developed from antiquity to the present day from the vantage points of political science history and sociology Meisel s work is presented in the form of twelve absorbing episodes in the history of Western civilization His remarkable for the detail with which he approaches a subject often difficult to define and even more difficult to explain He suggests a new and highly useful perspective of history by viewing it as a process of revolution and counterrevolution and their transitional stages As it is the nature of revolutions to fall short of their objectives and to enjoy only a brief heyday that becomes the stereotype accepted by posterity the author emphasizes their antithetical closing phases whose lessons posterity tends to forget Meisel s belief is that second echelon figures teach us more about the natural process

of revolution than the atypical men of destiny and he illustrates his account with many portrayals of comparative unknowns who lived through all the stages of revolution and counterrevolution But revolutions can also be aborted or be preceded by counterrevolutions as Meisel demonstrates by enlightening analyses of Mussolini's coup d'etat the origins of the Spanish Civil War and General de Gaulle's defeat of a potential army insurrection in behalf of French Algeria In this profound and wide ranging work Meisel achieves an admirable balance between theory action and biography The result is a unique survey of revolutionary history in which a sophisticated thinker provides on almost every page a deepening understanding of the problems of revolution for the scholar and student of political processes political theory and comparative politics The reader with a lively interest in the modus operandi of history will also find this book compelling reading *From the Bloody Heart* Oliver Thomson,2003-12-04 In early medieval Scotland bitter rivalry grew up between two immigrant families from Flanders in their struggle for the crown the Stewarts and the Douglases *From the Bloody Heart* covers the period from 1286 to what may be thought of as the final defeat of the Stewarts at Culloden in 1745 *Hollywood Winners & Losers A to Z* Mark Thise,2008-01-01 The ultimate film reference and trivia book *Hollywood Winners and Losers* features almost 900 separate entries for every actor and actress ever to be nominated for an Academy Award From icons to would be superstars and the forgotten faces that had only a moment in the sun every personality is listed here along with their best known films real names bios and little known facts More than just a reference guide or bet settler this is a perennial coffee table read perfect for film fans of all ages It simply cannot be beat *Fascinating Stories of Forgotten Lives* Charles R. Swindoll,2011-12-21 Join pastor and bestselling author Charles Swindoll as he explores the lives of 13 biblical hidden figures whose stories have remained in the shadows of history for long enough Somehow life has taught us poorly We're trained to think that the most significant people are star athletes actors and musicians the ones we applaud those whose autographs we seek or those who have worldly fame But Swindoll teaches us that most often the people really worth noting are those who turn from a nobody into a somebody but never receive credit *Fascinating Stories of Forgotten Lives* reminds us of a core truth success in God's kingdom and in the church depends upon faithful people the public rarely knows The Old Testament contains numerous fascinating stories of forgotten lives unsung heroes whose actions sacrifices or battles failed to ascribe them worldly applause These great lives however reveal significant people whom God honors in the pages of His Word and therefore deserve our serious attention and emulation From the misfortunes of Esau to the bravery of Abigail each of these unlikely heroes has four unique elements in common A selfless sense of devotion A mission A love of harmony A contagious joy Join Swindoll in this eighth volume of the bestselling *Great Lives from God's Word* series as he examines little remembered Bible characters and events helping you discover biblical principles and practical applications for living so that you can be who you already are in God's eyes a person of true significance ***The Losers*** Paul D. Bethel,1969 Communist subversion of Cuba and Latin America ***The IPINIONS Journal*** Anthony Hall,2006-04 Imagine the informed Thomas Friedman of the *The*

World is Flat the provocative Christopher Hitchens The Trial of Henry Kissinger and the witty Maureen Dowd Bush World producing daily commentaries on international current events And that is what Anthony Livingston Hall author of the The iPINIONS Journal weblog offers in this riveting review of the major events of 2005 So if you re tired of partisan talking points masquerading as informed debate this book is your refuge from those screaming pundits and political hacks This book is your opportunity to be provoked into thinking about the important events of our time from an objective and rational perspective Hall s refreshing world stems from his Caribbean heritage American education and genuine compassion all of which are reflected in his insightful articles
