discussed together with the political social and economic contexts of the times      *Poster art from the golden age of Mexican cinema* Rogelio Agrasánchez,1997-01-01 This stunning collection is the first to focus solely on Mexico's rich cinematic Golden Age 1936-1957. It reproduces more than 200 posters all in full color from the extensive holdings of the Agrasánchez Archive of Mexican Cinema, the largest private collection of Mexican cinema in the world. Represented are the top films such as *Cuando los hijos se van* 1943 and *Rio Escondido* 1947 and the biggest stars including María Félix, Cantinflas, Dolores del Río, Jorge Negrete and Pedro Infante as well as lesser known films and actors. The posters are accompanied by an extensive bilingual introduction by film critic and historian Charles Ramirez Berg. It includes a contextualizing history of the Golden Age, a discussion of film publicity during that period and biographies of the poster artists. An analysis of the graphic design of the posters provides the reader with tools to better appreciate the images contained in the book.      Quince directores del cine mexicano Alejandro Medrano Platas,1999-01-01      **El arte de la ironía** Mabel Moraña, Ignacio M. Sánchez Prado,2007

Colección de ensayos escritos por destacados académicos de América Latina, los EE.UU. y Europa en la obra de Carlos Monsiváis, uno de los más importantes escritores e intelectuales públicos del siglo 20. México conocido sobre todo por su cronista urbano.      **Mexico's Cinema** Joanne Herschfield, David R. Maciel,1999-11-01 In recent years Mexican films have received high acclaim and impressive box office returns. Moreover, Mexico has the most advanced movie industry in the Spanish speaking world and its impact on Mexican culture and society cannot be overstated. *Mexico's Cinema: A Century of Film and Filmmakers* is a collection of fourteen essays that encompass the first 100 years of the cinema of Mexico. Included are original contributions written specifically for this title plus a few classic pieces in the field of Mexican cinema studies never before available in English. These essays explore a variety of themes including race and ethnicity, gender issues, personalities and the historical development of a national cinematic style. Each of the book's three sections, *The Silent Cinema*, *The Golden Age* and *The Contemporary Era*, is preceded by a short introduction to the period and a presentation of the major themes addressed in the section. This insightful anthology is the first published study that includes pieces by Mexican and North American scholars, including a piece by the internationally acclaimed essayist Carlos Monsiváis. Contributors include other acclaimed scholars and critics as well as young scholars who are currently making their mark in the area of film studies of Mexico. These authors represent various fields: community studies, film studies, cultural history, ethnic studies and gender studies, making this volume an interdisciplinary resource important for courses in Latin America and Third World cinema, Mexican history and culture and Chicano and ethnic studies.      *Culture and Customs of Mexico* Peter Standish, Steven M. Bell,2004-04-30 Mexico, with some 90 million people, holds a special place in Latin America. It is a large, complex hybrid, a bridge between North and South America, between the ancient and the modern, and between the developed and the developing worlds. Mexico's importance to the United States cannot be overstated. The two countries share historical, economic and cultural bonds that continue to evolve. This book offers students and general readers a deeper understanding of

Mexico's dynamism its wealth of history institutions religion cultural output leisure and social customs      **Latsploitation, Exploitation Cinemas, and Latin America** Victoria Ruétalo, Dolores Tierney, 2009-05-07 Exploring the much neglected area of Latin American exploitation cinema this anthology challenges established continental and national histories and canons which often exclude exploitation cinema due to its perceived low cultural status It argues that Latin American exploitation cinema makes an important aesthetic and social contribution to the larger body of Latin American cinema often competing with Hollywood and more mainstream national cinemas in terms of popularity      *Atlas del cine* André Z. Labarrère, 2009-11-13 Un panorama completo de toda la historia del cine desde sus comienzos hasta los inicios del siglo XXI

*The White Indians of Mexican Cinema* Mónica García Blizzard, 2022-04-01 The White Indians of Mexican Cinema theorizes the development of a unique form of racial masquerade the representation of Whiteness as Indigeneity during the Golden Age of Mexican cinema from the 1930s to the 1950s Adopting a broad decolonial perspective while remaining grounded in the history of local racial categories Mónica García Blizzard argues that this trope works to reconcile two divergent discourses about race in postrevolutionary Mexico the government sponsored celebration of Indigeneity and mestizaje or the process of interracial and intercultural mixing on the one hand and the idealization of Whiteness on the other Close readings of twenty films and primary source material illustrate how Mexican cinema has mediated race especially in relation to gender in ways that project national specificity but also reproduce racist tendencies with respect to beauty desire and protagonism that survive to this day This sweeping survey illuminates how Golden Age films produced diverse even contradictory messages about the place of Indigeneity in the national culture This book is freely available in an open access edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of Emory University and the Andrew W Mellon Foundation Learn more at the TOME website available at <https://www.openmonographs.org> It can also be found in the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/7153>
