Jordan,2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David s love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John s Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition The essays most of which are in print here for the first time are by Saul M Olyan Mary Ann Tolbert Daniel Boyarin Laurence Paul Hemming Steven Greenberg Kathryn Tanner Susan Frank Parsons Eugene F Rogers Jr and Mark D Jordan *Defending Same-Sex Marriage* Martin Dupuis,William A. Thompson,Traci C. West,2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral

action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States **Worship for the Whole**

We Were Baptized Too Marilyn Bennett Alexander, James Preston, 1996-01-01 Within the liturgy congregations pledge to accept love forgive and nurture the newly baptized member. The church however often lives out this covenant selectively forcing its gay and lesbian members into silence alienation and doubt. *We Were Baptized Too* challenges the church to take seriously its understanding of baptism and communion as a means of grace justice and liberation.

New Feminist Christianity Mary E. Hunt, Diann L. Neu, 2012-01-01 Powerful insights from ministers theologians activists leaders artists and liturgists who are shaping the future. Christianity has been a source of the oppression of women as well as a resource for unleashing women's full humanity. Feminist analysis and practice have recognized this. Feminist Christianity is reshaping religious institutions and religious life in more holistic inclusive and justice focused ways. From the Introduction Feminism has brought many changes to Christian religious practice. From inclusive language and imagery about the Divine to an increase in the number of women ministers. Christian worship will never be the same. Yet even now there is a lack of substantive structural change in many churches and complacency within denominations. The contributors to this book are the thought leaders who are shaping and being shaped by the emerging directions of feminist Christianity. They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world. Taken together their voices offer a starting point for building new models of religious life and worship. Topics covered include feminist Theological Visions Scriptural Insights Ethical Agendas Liturgical and Artistic Frontiers Ministerial Challenges.

Ritley, 2001-09 As outsiders gay men and lesbians challenge the church to be inclusive of all God's children the central message of the gospel God has drawn us to this difficult place they write in order to reveal God's grace to us and in us and through us. Basing their book on retreats they have presented to churches and seminaries Countryman and Ritley explore what it means to affirm not merely accept being gay or lesbian as well as Christian. Written primarily for the lesbian gay community and for their families and communities they explore the ways in which the gay and lesbian community can appropriate and re tell the biblical story and find confidence in their unique spiritual journey and gifts. This pro active and self affirming book provides new hope for those who feel that it is impossible to be gay or lesbian as well as Christian.
