Equality Liberty And Perfectionism

Anna Elisabetta Galeotti

Equality Liberty And Perfectionism:

Equality, Liberty, and Perfectionism Vinit Haksar, 1979 This study deals with the concept of liberty and the foundations and implications of the egalitarian doctrine which posits that all human beings have equal right to respect and consideration *Equality, Liberty and Perfectionism* Virut Haksar, 1979 Liberal Perfectionism Alexandra Couto, 2014-08-19 Much of the recent literature on political perfectionism has focused on dealing with objections to this view This book adopts a different approach It attempts to highlight the intuitive appeal of liberal perfectionism by presenting a positive prima facie argument in its favour The book starts by clarifying the relation between political perfectionism a conception of politics and prudential perfectionism and ethical perfectionism a conception of the good life and a type of ethical theory It is crucial to start by selecting a plausible form of ethical perfectionism as it makes an important difference to the plausibility of the political conception based upon it Once appropriate distinctions are drawn and a plausible form of liberal perfectionism is endorsed many of the standard objections to perfectionism are shown to fail to reach their target Different arguments in favour of liberal perfectionism are then proposed and critically examined but the resilience of some pragmatic arguments against liberal perfectionism is conceded The book ends by showing that perfectionism can be surprisingly relevant for discussions of social justice and proceeds to draw a sketch of the perfectionist implications for questions of distributive justice *Perfectionism and Neutrality* George Klosko, Steven Wall, 2004-09-01 Over the past twenty years the debate between neutrality and perfectionism has been at the center of political philosophy Now *Perfectionism and Neutrality Essays in Liberal Theory* brings together classic papers and new ideas on both sides of the discussion Editors George Klosko and Steven Wall provide a substantive introduction to the history and theories of perfectionism and neutrality expertly contextualizing the essays and making the collection accessible to everyone interested in the interaction between morals and the state *The Contribution of Natural Law Theory to Moral and Legal Debate Concerning Suicide, Assisted Suicide, and Voluntary Euthanasia* Craig Paterson, 2001 **Living with One's Past** Norman S. Care, 1996 1 On Living With One's Past Peace of Mind and Effective Agency Hume Falk When the Past Is Problematic Some Cases Self Conception and Self Doubt Deliberate Wrongdoing Blackouts On What to Do On Unmanageable Internal Factors 2 Persona Moralism People Are Different Assumptions about Persons Stereotyping and Judging On Legal Punishment Basic Individuals and Social and Historical Particulars Normative Assumptions Sources of Normative Assumptions Independent Sources Summary Persona Moralism Self Imposed On Death On What to Do 3 Problematic Agency Persona Moralism Innocent Vicious In Between The In Control Agent Difficulties Vulnerabilities Observations Issues On What to Think about Persons 4 On Living With Others The Moral Problem of Personal Justice Justice Individualized A Note on the Subject of Justice Toleration without Equal Liberties Personal Fairness 5 On Recovery and Self Protection The Going On Problem On the Ideas of Recovery and Self Protection About the AA Program AA's Twelve Steps Notes Remarks on Peace of Mind

Liberalism Without Perfection Jonathan Quong, 2011 Liberalism without Perfection offers an introduction to the debate between liberal perfectionism and political liberalism This book is a new account and defence of Rawlsian political liberalism one of the most discussed but widely misunderstood and criticized theories in contemporary political theory

The Contribution of Natural Law Theory to Moral and Legal Debate Concerning Suicide, Assisted Suicide, and Euthanasia Craig Paterson, 2010-05-13 **The Modern Liberal Theory of Man** Gerald F. Gaus, 2019-11-19 First published in 1983 The primary argument of this book is that there is a coherent tradition of liberal thinking that extends from L S Mill through liberals like T H Green Bernard Bosanquet L T Hobhouse and John Dewey to John Rawls The author places Rawls within a longstanding tradition of liberal thinking while also arguing that Green and Hobhouse are not simply of historical interest but represent genuine and interesting attempts to develop a modern liberal theory It is argued that modern liberal theory centres on a conception of human nature that modern liberals have sought to harmonise the pursuit of individuality with participation in social and communal life Although the book focuses on six modern liberals the discussion proceeds topically rather than according to author thus highlighting similarities and disagreements and providing a comprehensive study of modern liberalism

The Routledge Companion to Social and Political Philosophy Gerald Gaus, Fred D'Agostino, Ryan Muldoon, 2024-11-26 The Routledge Companion to Social and Political Philosophy Second Edition is a comprehensive definitive reference work providing an up to date survey of the field charting its history and key figures and movements and addressing enduring questions as well as contemporary research Features unique to the Companion are as follows Extensive coverage of the history of social and political thought including separate chapters on the development of political thought in the Islamic world India and China as well as in modern Germany France and Britain A focus on the core concepts and the normative foundations of social and political theory A section devoted exclusively to distributive justice the central issue of political philosophy since Rawls Theory of Justice Several chapters on global justice and international issues The Companion's 74 commissioned chapters by leading scholars from throughout the world are divided into eight thematic sections The History of Social and Political Theory Political Theories and Ideologies Normative Foundations Distributive Justice The National State and Beyond Political Concepts Approaches and Issues in Social and Political Philosophy Expanded updated and revised throughout this Second Edition includes new chapters on Politics Philosophy and Economics PPE Political Epistemology Race and Ethnicity Power Foucault and New Diversity Theory

Toleration as Recognition Anna Elisabetta Galeotti, 2002-03-14 In this 2002 book Anna Elisabetta Galeotti examines the most intractable problems which toleration encounters and argues that what is really at stake is not religious or moral disagreement but the unequal status of different social groups Liberal theories of toleration fail to grasp this and consequently come up with normative solutions that are inadequate when confronted with controversial cases Galeotti proposes as an alternative toleration as recognition which addresses the problem of according equal respect to groups as well as equal liberty to individuals She offers an

interpretation that is both a revision and an expansion of liberal theory in which toleration constitutes an important component not only of a theory of justice but also of the politics of identity Her study will appeal to a wide range of readers in political philosophy political theory and law *The Blackwell Companion to Philosophy* Nicholas Bunnin, Eric

Tsui-James, 2003 An introduction to philosophy looks at key issues figures and movements in the field **The Oxford Handbook of Comparative Constitutional Law** Michel Rosenfeld, András Sajó, 2012-05-17 The field of comparative constitutional law has grown immensely over the past couple of decades Once a minor and obscure adjunct to the field of domestic constitutional law comparative constitutional law has now moved front and centre Driven by the global spread of democratic government and the expansion of international human rights law the prominence and visibility of the field among judges politicians and scholars has grown exponentially Even in the United States where domestic constitutional exclusivism has traditionally held a firm grip use of comparative constitutional materials has become the subject of a lively and much publicized controversy among various justices of the U S Supreme Court The trend towards harmonization and international borrowing has been controversial Whereas it seems fair to assume that there ought to be great convergence among industrialized democracies over the uses and functions of commercial contracts that seems far from the case in constitutional law Can a parliamentary democracy be compared to a presidential one A federal republic to a unitary one Moreover what about differences in ideology or national identity Can constitutional rights deployed in a libertarian context be profitably compared to those at work in a social welfare context Is it perilous to compare minority rights in a multi ethnic state to those in its ethnically homogeneous counterparts These controversies form the background to the field of comparative constitutional law challenging not only legal scholars but also those in other fields such as philosophy and political theory Providing the first single volume comprehensive reference resource the Oxford Handbook of Comparative Constitutional Law will be an essential road map to the field for all those working within it or encountering it for the first time Leading experts in the field examine the history and methodology of the discipline the central concepts of constitutional law constitutional processes and institutions from legislative reform to judicial interpretation rights and emerging trends **A Perfectionist Theory of Justice** Collis Tahzib, 2022-07-28 Many liberal political philosophers hold that the state should not impose or even promote any particular conception of the good life or human flourishing It should not for instance enact laws and policies designed to elevate citizens tastes to refine their sensibilities or to perfect their characters Instead the state should restrict itself to maintaining a fair framework of rights and opportunities within which all citizens can pursue their own beliefs about what constitutes a good life Against this backdrop Collis Tahzib develops a version of perfectionist political philosophy Whereas previous perfectionists have argued that the promotion of flourishing ways of life is permissible or legitimate Tahzib casts perfectionism as a doctrine of justice On this view the implementation of laws and policies designed to promote sound ideals of the good life ideals such as moral intellectual and artistic excellence is not merely a legitimate complement to

justice but an essential constituent of justice Over the years perfectionism has faced various objections that it is premised on values and judgements that are controversial within modern pluralistic societies that it is unduly restrictive of freedom or autonomy that it treats citizens as if they are children unable to run their own lives that it expresses the meddlesome mentality of a village busybody that it mistakenly assumes that there are objective truths about human flourishing and that it risks the abuse of power by incompetent overzealous or corrupt state officials These ideas represent some of the deepest most vibrant and most powerful strains in liberal thought In defending perfectionism against these charges the arguments in A Perfectionist Theory of Justice make a novel and important contribution to longstanding debates about the philosophical foundations of liberalism

Cultural Pluralism and Dilemmas of Justice Monique Deveaux, 2018-10-18 How should democratic societies define justice for cultural minority groups and how might such justice be secured This book is a nuanced and judicious response to a critical issue in political theory the challenge of according equal respect and recognition to minority groups and accommodating their claims for special cultural rights and arrangements Monique Deveaux contends that liberal theorists fail to grant enough importance to identity and the content of cultural life in their attempts to conceive of political institutions for plural societies She takes to task the spectrum of theories on pluralism from weak and strong theories of tolerance through neutralist liberalism to comprehensive liberalism and finally to arguments for deliberative politics that build on Jürgen Habermas's discourse ethics The solution proposed here is deliberative liberalism which incorporates both critically reconceived principles of deliberative democracy and central liberal norms of consent and respect Cultural conflicts in democratic societies include clashes involving Aboriginal peoples ethnic and linguistic minorities and recent immigrant groups in Europe North America and Australia Drawing on examples from several countries Deveaux concludes that genuine respect and recognition for cultural minorities requires full inclusion in existing institutions and the right to help shape the political culture of their own societies through democratic dialogue and deliberation

Foundations of American Constitutionalism David A. J. Richards, 1989-12-14 In writing the constitution the Founders combined a Lockean theory of politically legitimate power with the political science they had learned from Machiavelli Harrington Hume and Montesquieu to articulate a new conception of constitutional argument Examining the Founders humanist analytical methods and working assumptions this book combines history political philosophy and interpretive practice as it demonstrates an alternative exegesis of the Constitution It clarifies a wide range of interpretive issues of federalism enumerated rights religious liberty and free speech unenumerated rights the constitutional right to privacy and equal protection

Respecting Toleration Peter Balint, 2017 The question of toleration matters more than ever The politics of the twenty first century is replete with both the successes and all too often the failures of toleration Yet a growing number of thinkers and practitioners have argued against toleration Some believe that liberal democracies are better served by different principles such as respect of or recognition for people's ways of life Others argue that because the liberal state

should be entirely neutral or indifferent towards people's ways of life it can no longer be tolerant it has no grounds on which it can object and so there is nothing left to tolerate Respecting Toleration provides a new original and provocative take on the question of toleration and its application to the politics of contemporary diversity Peter Balint argues for both the conceptual coherence and normative desirability of toleration and neutrality He argues that it is these principles which best realise the basic liberal good of people living their lives as they see fit rather than appealing to principles of recognition or respect for difference While those who criticised liberalism's failings in dealing with the claims of diversity had justification it is the tenets of traditional liberalism that hold the answer Respecting Toleration argues that if one cares about people living divergent lives then it is liberal toleration that should be respected by legislators and policy makers and not people's differences

The Routledge Companion to Social and Political Philosophy Gerald F. Gaus, Fred D'Agostino, 2013 This comprehensive work provides an up to date survey of social and political philosophy charting its history and key figures and movements and addressing enduring questions as well as contemporary research

Free Speech and the Politics of Identity David A. J. Richards, 1999 Free Speech and the Politics of Identity challenges the scholarly view as well as the dominant legal view outside the United States that the right of free speech may reasonably be traded off in pursuit of justice to stigmatized minorities These views appeal to an alleged reasonable balance between two basic human rights the right of free speech and the right against unjust discrimination Compelling arguments of normative political theory and interpretative history show however that these rights are structurally linked the abridgement of one compromises the other To make this case David Richards offers an original political theory of toleration and of structural injustice that addresses the nature and scope of the right of free speech and the right against unjust discrimination its analytic focus is on the role played by members of subordinated groups in the protest of the terms of structural injustice the politics of identity advancing constitutional justice under law While the argument is developed on the basis of American constitutional experience from the antebellum period forward its normative force is brought to bear both in defending and criticizing some aspects of American law and in challenging the continuing legitimacy of laws against group libel obscenity and blasphemy under national legal systems including Germany France Britain Canada Israel India South Africa and others regional systems the jurisprudence of the European Court of Human Rights and public international law The book's innovative normative and interpretative methodology calls for a new departure in comparative public law in which all states responsibly address their common problems not only of inadequate protection of free speech but correlative failure to take seriously the continuing political power of such evils as anti-Semitism racism sexism and homophobia

Towards Justice and Virtue Onora O'Neill, 1996-08-28 Towards Justice and Virtue challenges the rivalry between those who advocate only abstract universal principles of justice and those who commend only the particularities of virtuous lives Onora O'Neill traces this impasse to defects in underlying conceptions of reasoning about action She proposes and vindicates a modest account of ethical

reasoning and a reasoned way of answering the question who counts then uses these to construct linked accounts of principles by which we can move towards just institutions and virtuous lives

The Enigmatic Realm of **Equality Liberty And Perfectionism**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Equality Liberty And Perfectionism** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.

Equality Liberty And Perfectionism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Equality Liberty And Perfectionism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Equality Liberty And Perfectionism has opened up a world of possibilities. Downloading Equality Liberty And Perfectionism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Equality Liberty And Perfectionism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Equality Liberty And Perfectionism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Equality Liberty And Perfectionism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Equality Liberty And Perfectionism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download Equality Liberty And Perfectionism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Equality Liberty And Perfectionism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Equality Liberty And Perfectionism is one of the best book in our library for free trial. We provide copy of Equality Liberty And Perfectionism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Equality Liberty And Perfectionism. Where to download Equality Liberty And Perfectionism online for free? Are you looking for Equality Liberty And Perfectionism PDF? This is definitely going to save you time and cash in something you should think about.
