Leadership Mosaic Daniel Montgomery, Jared Kennedy, 2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

Israel Galindo, 2004-11-30 Faced with crisis lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways In *The Hidden Lives of Congregations* Christian educator and consultant Israel Galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play Informed by family systems theory and grounded in a wide ranging ecclesiological understanding Galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and

shows how these work together to form the congregation's hidden life. He provides useful tools for diagnosing and understanding how one's congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission. *The Hidden Lives of Congregations* provides one of the most far-reaching looks into the invisible nature of faith communities written in recent years. For seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices; for experienced pastors it provides support for renewing ministry; for lay leaders and committees it offers insight to deepening mutual ministry. Israel Galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance. *Swimming with the Sharks* Jack Haberer, 2024-06-27 Building on a string of Haberer family harrowing encounters *Swimming with the Sharks* presents a framework for addressing the sharks among us: those on the other side of the divide in American church life. What is characterized as the separation between blue progressives and red conservatives is shown to be a sellout to a political model and a false witness about the facts and faith on the ground. Believers do see things differently but not in simplistic binary parties; rather in an overlapping set of five understandings of Jesus' heart and passion for God's mission in the world. Each is faithful, each is true, and yet when huddling in their enclaves of agreement, likeminded folks become stupid, duped by their shared blind spots. All five living together become iron sharpening iron. And while we still may diverge on hot button controversies, we do converge and indeed take flight through the Holy Spirit's filling, empowering, gifting, calling, and commissioning of every believer in a culture, a movement, a full spectrum revolution of mutual giftedness in mission. Practical implications get spelled out: e.g., less pastor-driven, more member-driven, and then conclude with blunt explications. Not all church consultants need to be ignored, but many do. And while we still may diverge on hot button controversies, we do converge and indeed take flight through the Holy Spirit's filling, empowering, gifting, calling, and commissioning of every believer in a culture, a movement, a full spectrum revolution of mutual giftedness in mission. **Do You Believe?** Nancy Ann McLaughlin, 2006 **The Scattering** Dwight Lee DuBois, 2015-11-05 Imagine being able to connect everything you do in life with God's dream of shalom. Imagine all God's people seeing their family responsibilities, work, and community involvement as ministry. Imagine congregations that equip and empower people for ministry not just in the church but in all they do. Imagine leaders and members finding a renewed sense of joy, purpose, and vitality as they give themselves away for the sake of the Gospel. Dwight DuBois not only imagines these life-giving outcomes in fresh and powerful ways; he shows readers how to create an environment that equips everyday saints to connect their faith with all of life. Based on the real-life struggles of pastors and members, *The Scattering* lays bare our preoccupation with the health of the institution and offers powerful new language for the church as being both gathered and scattered. This language breaks down unhelpful stereotypes and provides readers with hopeful and rewarding ways to interpret who we are and what we do as the church of Jesus Christ. *Pastoral Theology in the Baptist Tradition* R. Robert Creech, 2021-10-26 A veteran Baptist pastor

and ministry professor offers a distinctive free church vision for pastoral leadership attending to voices from the past four centuries as they speak about the practice of ministry The book contains theological reflection on current ministry issues among Baptists based on biblical and historical foundations and reflects a diversity of Baptist life across time and around the world including many different voices Each chapter contains reflection questions to help readers consider the implications of Baptist thinking *Seeking the Lost, Keeping Them, Making Them Disciples* Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord *The Impact of Church Consultancy* Ian G. Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies
