Boot Camp Jason Hardin, 2009-01 Boot Camp Where a soldier learns the basics Where he is equipped for the battles ahead Boot Camp is where he tests his weapons and learns to fight with discipline and honor Boot Camp is where careful deliberate time is taken to learn from the veterans of previous wars what obstacles confronted them where they met the enemy most importantly how did they succeed This book is the Boot Camp of the new IMAGE series of books for men We love the epic tales of warriors who have defied the odds proven to be larger than life at the decisive moment and led other men in efforts that have shaped the course of history But there is a greater story a grander adventure a divine chronicle of eternal magnitude in which you play your own part The means of shaping our lives into harmony with the glory of our Creator is furnished in Jesus And he invites you to join his ranks This is a great book to help us men live opposite of this world's model of a man Steve Arterburn Best Selling Author including Every Man's Battle Founder of Women of Faith Host of NewLife Live Hardin's first installment is an excellent explanation of what hinders most of us from being the men we imagine and God envisioned This book exposes our chief struggles and encourages us to overcome by God's strength and armor It's an outstanding start for a journey toward biblical manhood I'm a better man because of Boot Camp you will be too I can't wait for the journey to continue Edwin Crozier Author of Plugged In High Voltage Prayer Jason focuses like a laser beam on a theme that has been the defining passion of my own life for some years now Writing particularly but not exclusively for men he urges us to lift our vision to the extraordinary things that God can make possible in us through His Son Jesus Christ Our problem is not that we desire too much but that we settle for so little I was stirred deeply by this triumphant call to arms Jason has that unique combination of spiritual insight emotional maturity and literary zest that make a writer's work special This is a must read I will be impatient for the remaining volumes in the series Gary Henry Author of Diligently Seeking God and Reaching Forward
