Eric E. Williams Speaks Eric Eustace Williams,1993

**Eric Williams and the Making of the Modern Caribbean**

Colin A. Palmer,2009-06-01 Born in Trinidad Eric Williams 1911 81 founded the Republic of Trinidad and Tobago s first modern political party in 1956 led the country to independence from the British culminating in 1962 and became the nation s first prime minister Before entering politics he was a professor at Howard University and wrote several books including the classic *Capitalism and Slavery* In the first scholarly biography of Williams Colin Palmer provides insights into Williams s personality that illuminate his life as a scholar and politician and his tremendous influence on the historiography and politics of the Caribbean Palmer focuses primarily on the fourteen year period of struggles for independence in the Anglophone Caribbean From 1956 when Williams became the chief minister of Trinidad and Tobago to 1970 when the Black Power inspired February Revolution brought his administration face to face with a younger generation intellectually indebted to his revolutionary thought Williams was at the center of most of the conflicts and challenges that defined the region He was most aggressive in advocating the creation of a West Indies federation to help the region assert itself in international political and economic arenas Looking at the ideas of Williams as well as those of his Caribbean and African peers Palmer demonstrates how the development of the modern Caribbean was inextricably intertwined with the evolution of a regional anticolonial consciousness

**Eric E. Williams Speaks** Selwyn R. Cudjoe,1991-10-01

*Eric Williams and the Anticolonial Tradition*

Maurice St. Pierre,2015-03-05 A leader in the social movement that achieved Trinidad and Tobago s independence from Britain in 1962 Eric Williams 1911 1981 served as its first prime minister Although much has been written about Williams as a historian and a politician Maurice St Pierre is the first to offer a full length treatment of him as an intellectual St Pierre focuses on Williams s role not only in challenging the colonial exploitation of Trinbagonians but also in seeking to educate and mobilize them in an effort to generate a collective identity in the struggle for independence Drawing on extensive archival research and using a conflated theoretical framework the author offers a portrait of Williams that shows how his experiences in Trinidad England and America radicalized him and how his relationships with other Caribbean intellectuals along with Aim C saire in Martinique Juan Bosch in the Dominican Republic George Lamming of Barbados and Frantz Fanon from Martinique enabled him to seize opportunities for social change and make a significant contribution to Caribbean epistemology

The Legacy of Eric Williams Tanya L. Shields,2015-06-02 The Legacy of Eric Williams provides an indispensable and significant understanding of Eric Williams s contributions to the now independent nation of Trinidad and Tobago and his impact on the broader international understanding of the Caribbean This book stands out because of its simultaneous investigation into Eric Williams as a scholar intellectual a political leader and most importantly a key postcolonial figure Most previous studies have treated these as separate arenas The essays here confront the relevance of postcolonialism in understanding Williams s role both in post independence Trinidad and Tobago and in newer

understandings of Caribbean globalization The volume divides into three broad sections **Becoming Eric Williams** Political Williams and Textual Williams **Becoming Eric Williams** provides background on Williams and the Caribbean's ontological quest addressing what it means to be West Indian and Caribbean **Political Williams** engages with his policies and their consequences describing the impact of Williams's political policies on several areas integration color stratification and labor and public sector reform Williams's far reaching political influence in these aspects cements his legacy as one of the main public intellectuals responsible for creating the modern Caribbean **Textual Williams** examines his scholarly contributions from a more traditional academic perspective These sections allow for a comprehensive understanding of Williams as a man a scholar and a politician

**Colonialism** Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

**The Transformation and Decline of the British Empire** Spencer Mawby, 2015-10-11 The slow retreat of the British empire in the century after the First World War has had dramatic implications for Britain itself its former colonies and the global balance of power **The Transformation and Decline of the British Empire** provides a broad ranging and accessible introduction to the key debates and discussions about this process of imperial decline Drawing on the lively scholarship which has developed over the last 25 years it offers both new students and established scholars a guide to the existing literature on British decolonisation including subjects such as the rise of anti colonialism the impact of empire on British politics and culture the significance of migration the wars and insurgencies which accompanied the end of empire and the role which capital and labour played in imperial decline Mawby also examines the way in which the historiography has developed through conversations and debates between scholars the impact which present day concerns have on historical writing the significance of new documentary findings and the impact of theoretical considerations on current controversies

**Ideology, Politics, and Radicalism of the Afro-Caribbean** Jerome Teelucksingh, 2016-06-22 Afro Caribbean personalities coupled with trade unions and organizations provided the ideology and leadership to empower the working class and also hastened the end of colonialism in the Anglophone Caribbean

Colin Palmer's Trilogy on Imperialism in the

Caribbean, Omnibus E-Book Colin A. Palmer, 2014-03-01 This Omnibus E Book brings together all three of Colin A Palmer's books on the making of the modern Caribbean Included are *Freedom's Children* The 1938 Labor Rebellion and the Birth of Modern Jamaica This is the first comprehensive history of Jamaica's watershed 1938 labor rebellion and its aftermath The rebellion produced two rival leaders who dominated the political life of the colony through the achievement of independence in 1962 Alexander Bustamante a moneylender founded the Bustamante Industrial Trade Union and its progeny the Jamaica Labour Party Norman Manley an eminent barrister led the struggle for self government and with others established the People's National Party Palmer sheds new light on the nature of Bustamante's collaboration with the imperial regime the rise of the trade union movement the struggle for constitutional change and the emergence of party politics in a modernizing Jamaica Cheddi Jagan and the Politics of Power British Guiana's Struggle for Independence Palmer here tells the story of British Guiana's struggle for independence The work details the rise and fall of Cheddi Jagan from his initial electoral victory in the spring of 1953 to the aftermath of the British orchestrated coup d'etat that led to the suspension of the constitution and the removal of Jagan's independence minded administration Bringing the larger story of Caribbean colonialism into view this work shows how violence police corruption political chicanery racial politics and poor leadership delayed Guyana's independence until 1966 scarring the body politic in the process Eric Williams and the Making of the Modern Caribbean In this first scholarly assessment of Williams 1911-1981 founder of the Republic of Trinidad and Tobago's first modern political party and the nation's first prime minister Palmer explores his life as a scholar and politician and his tremendous influence on the historiography and politics of the Caribbean Palmer focuses especially on a 14 year period of independence struggles in the Anglophone Caribbean when Williams helped resolve regional disputes and promoted the creation of a pan Caribbean federation

**Du Bois's Dialectics** Reiland Rabaka, 2009-07-15 Du Bois's Dialectics is doubly distinguished from other books on Du Bois because it is the first extended exploration of Du Bois's contributions to new critical theory and the first book length treatment of his contributions to contemporary black radical politics and the developing discipline of Africana Studies With chapters that undertake ideological critiques of education religion the politics of reparations and the problematics of black radical politics in contemporary culture and society Du Bois's Dialectics employs Du Bois as its critical theoretical point of departure and demonstrates his and Africana Studies contributions to as well as contemporary critical theory's connections to critical pedagogy sociology of religion and reparations theory Rabaka offers the first critical theoretical treatment of the W E B Du Bois-Booker T Washington debate which lucidly highlights Du Bois's transition from a bourgeois black liberal to a black radical and revolutionary democratic socialist This book is primarily directed at scholars advanced undergraduate and graduate students working in and associated with Africana Studies American Studies Ethnic Studies and Cultural Studies

*"Mek Some Noise"* Timothy Rommen, 2007-04-11 Publisher description **Caribbean Literature and the Public Sphere** Raphael Dalleo, 2011-10-17 Bringing together the most exciting recent archival work in

anglophone francophone and hispanophone Caribbean studies Raphael Dalleo constructs a new literary history of the region that is both comprehensive and innovative He examines how changes in political economic and social structures have produced different sets of possibilities for writers to imagine their relationship to the institutions of the public sphere In the process he provides a new context for rereading such major writers as Mary Seacole Jos Mart Jacques Roumain Claude McKay Marie Chauvet and George Lamming while also drawing lesser known figures into the story Dalleo s comparative approach will be important to Caribbeanists from all of the region s linguistic traditions and his book contributes even more broadly to debates in Latin American and postcolonial studies about postmodernity and globalization

*Between the Bocas* Jak Peake, 2017-07-19 Situated opposite the mouth of the Orinoco River western Trinidad has long been considered an entrepôt to mainland South America Trinidad s geographic position seen as strategic by various imperial governments led to many heterogeneous peoples from across the region and globe settling or being relocated there The calm waters around the Gulf of Paria on the western fringes of Trinidad induced settlers to construct a harbour Port of Spain around which the modern capital has been formed From its colonial roots into the postcolonial era western Trinidad therefore has played an especial part in the shaping of the island s literature Viewed from one perspective western Trinidad might be deemed as narrating the heart of the modern state s national literature Alternatively the political threats posed around San Fernando in Trinidad s southwest in the 1930s and from within the capital in the 1970s present a different picture of western Trinidad one in which the fractures of Trinidad and Tobago s projected nationalism are prevalent While sugar remains a dominant narrative in Caribbean literary studies this book offers a unique literary perspective on matters too often perceived as the sole preserve of sociological anthropological or geographical studies The legacy of the oil industry and the development of the suburban commuter belt of East West Corridor therefore form considerable discursive nodes alongside other key Trinidadian sites such as Woodford Square colonial houses and the urban yards of Port of Spain This study places works by well known authors such as V S Naipaul and Samuel Selvon alongside writing by Michel Maxwell Philip Marcella Fanny Wilkins E L Joseph Earl Lovelace Ismith Khan Monique Roffey Arthur Calder Marshall and the largely neglected novelist Yseult Bridges who is almost entirely forgotten today Using fiction calypso history memoir legal accounts poetry essays and journalism this study opens with an analysis of Trinidad s nineteenth century literature and offers twentieth century and more contemporary readings of the island in successive chapters Chapters are roughly arranged in chronological order around particular sites and topoi while literature from a variety of authors of British Caribbean Irish and Jewish descent is represented
