Eric Williams And The Making Of The Modern Caribbean:

Eric Williams and the Making of the Modern Caribbean Colin A. Palmer, 2006 Colin Palmer presents a guide to understanding the influential West Indian scholar and politician Eric Williams **The Legacy of Eric Williams** Colin A. Palmer, 2015 This is the first comprehensive historical assessment of the career of Eric Williams the scholar and statesman Born in Trinidad and Tobago in 1911 Eric Williams published his classic work *Capitalism and Slavery* in 1944 and several other books thereafter A historian of outstanding talent Williams s scholarly work has been the subject of various international conferences He introduced a new era in the study of slavery focusing less on the oppressive conditions of that odious system of labour and more on its role in the construction of Western capitalism Historians are still animated by Williams s conclusions and the questions he posed are still relevant to our mature understanding of the ways in which the African slave trade and slavery shaped the economies of a variegated group of societies Eric Williams was also the head of government of Trinidad and Tobago from 1956 to 1981 He became the premier of his country in 1961 and its first prime minister in 1962 He died in 1981 after dominating the politics of his country for a quarter of a century This volume also includes analyses of Williams s enormous contributions to the making of the modern Caribbean as a statesman and a scholar

The Legacy of Eric Williams Tanya L. Shields, 2015-06-02 The Legacy of Eric Williams provides an indispensable and significant understanding of Eric Williams s contributions to the now independent nation of Trinidad and Tobago and his impact on the broader international understanding of the Caribbean This book stands out because of its simultaneous investigation into Eric Williams as a scholar intellectual a political leader and most importantly a key postcolonial figure Most previous studies have treated these as separate arenas The essays here confront the relevance of postcolonialism in understanding Williams s role both in post independence Trinidad and Tobago and in newer understandings of Caribbean globalization The volume divides into three broad sections Becoming Eric Williams Political Williams and Textual Williams Becoming Eric Williams provides background on Williams and the Caribbean s ontological quest addressing what it means to be West Indian and Caribbean Political Williams engages with his policies and their consequences describing the impact of Williams s political policies on several areas integration color stratification and labor and public sector reform Williams s far reaching political influence in these aspects cements his legacy as one of the main public intellectuals responsible for creating the modern Caribbean Textual Williams examines his scholarly contributions from a more traditional academic perspective These sections allow for a comprehensive understanding of Williams as a man a scholar and a politician *The Influence of Small States on Superpowers* Richard L. Bernal, 2015-07-22 The conventional wisdom is that small developing countries exert limited if any influence on the foreign policy of superpowers in particular the United States This book challenges that premise based on the experience of the small developing country of Jamaica and its relations with the United States It raises the question if the foreign policy of the United States can be influenced by even a small developing country

should Washington be worried **Base Colonies in the Western Hemisphere, 1940-1967** S. High, 2008-12-22 This book examines the social economic and political aftermath of the famous Anglo American destroyers for bases deal of 2nd September 1940 that saw fifty obsolete U S destroyers exchanged for base colonies in Trinidad Bermuda Newfoundland and the Bahamas *Diasporas* Professor Kim Knott, Doctor Sean McLoughlin, 2013-04-04 Featuring essays by world renowned scholars *Diasporas* charts the various ways in which global population movements and associated social political and cultural issues have been seen through the lens of diaspora Wide ranging and interdisciplinary this collection considers critical concepts shaping the field such as migration ethnicity post colonialism and cosmopolitanism It also examines key intersecting agendas and themes including political economy security race gender and material and electronic culture Original case studies of contemporary as well as classical diasporas are featured mapping new directions in research and testing the usefulness of diaspora for analyzing the complexity of transnational lives today *Diasporas* is an essential text for anyone studying working or interested in this increasingly vital subject **Globalization, Trade, and Economic Development** R. Bernal, 2013-12-18 This is the most in depth study of the economic partnership between the European Union and the CARIFORUM countries a group of fifteen small developing economies in the Caribbean The CARIFORUM EU Economic Partnership Agreement EPA is the first trade agreement of its kind as it is a new type of WTO compatible trade agreement between a group of developed countries and a group of developing countries As a principal negotiator for CARIFORUM Bernal s qualifications allow him to provide a unique perspective on the increasingly important topic of trade and economic development in the midst of globalization *Globalization Trade and Economic Development* comprehensively explores the components of the EPA from all angles explains how the agreement provides opportunities to strengthen and accelerate economic development and outlines the policies which can allow the CARIFORUM countries to seize these opportunities Bernal s explanation of the institutional arrangements for the conduct of the negotiations by CARIFORUM is invaluable to governments and regional organizations in developing countries for coordinating groups to advance common and joint positions in international negotiations **Spiritual Citizenship** N. Fadeke Castor, 2017-11-09 In *Spiritual Citizenship* N. Fadeke Castor employs the titular concept to illuminate how If Orisha practices informed by Yoruba cosmology shape local national and transnational belonging in African diasporic communities in Trinidad and beyond Drawing on almost two decades of fieldwork in Trinidad Castor outlines how the political activism and social upheaval of the 1970s set the stage for African diasporic religions to enter mainstream Trinidadian society She establishes how the postcolonial performance of If Orisha practices in Trinidad fosters a sense of belonging that invigorates its practitioners to work toward freedom equality and social justice Demonstrating how spirituality is inextricable from the political project of black liberation Castor illustrates the ways in which If Orisha beliefs and practices offer Trinidadians the means to strengthen belonging throughout the diaspora access past generations heal historical wounds and envision a decolonial future **Jah Kingdom** Monique A.

Bedasse,2017-08-11 From its beginnings in 1930s Jamaica the Rastafarian movement has become a global presence While the existing studies of the Rastafarian movement have primarily focused on its cultural expression through reggae music art and iconography Monique A Bedasse argues that repatriation to Africa represents the most important vehicle of Rastafari s international growth Shifting the scholarship on repatriation from Ethiopia to Tanzania Bedasse foregrounds Rastafari s enduring connection to black radical politics and establishes Tanzania as a critical site to explore gender religion race citizenship socialism and nation Beyond her engagement with how the Rastafarian idea of Africa translated into a lived reality she demonstrates how Tanzanian state and nonstate actors not only validated the Rastafarian idea of diaspora but were also crucial to defining the parameters of Pan Africanism Based on previously undiscovered oral and written sources from Tanzania Jamaica England the United States and Trinidad Bedasse uncovers a vast and varied transnational network including Julius Nyerere Michael Manley and C L R James revealing Rastafari s entrenchment in the making of Pan Africanism in the postindependence period

Across Colonial Lines Devyani Gupta,Purba Hossain,2023-02-09 Across Colonial Lines takes a multi perspective approach to the study of empire and commodities and encourages readers to look at commodity histories in alternative spatial and temporal contexts It offers a comparative understanding of commodities in the Venetian Portuguese Dutch French and British Empires Highlighting the interwoven character of multiple commodity networks this book situates commodities like gold coffee tea and indigo to name a few within pre existing networks of labour consumption and knowledge production It explores the nexus between the local and the global and highlights the role played by individual producers petty traders sailors and even consumers in creating regional circulations within a global political economy In this volume commodity networks are not just sites of production and trade but also of political control social organisation and consumption choices They provide the impetus for globalisation from as early as the thirteenth century Each chapter takes an individual commodity to illustrate the history of commodity transmission within imperial contexts From early modern Venetian commerce to the trade networks of the Eurasian world from the trading ambitions of British sailors to Portuguese global imperial ambitions from the cross imperial knowledge networks of indigo to the assertion of indigenous agency in Angola and from the commodification of labour to the experience of tourism in the Caribbean and Indian Ocean World Across Colonial Lines uses commodity networks as a lens to study empire building across varied yet connected geographies and chronologies

Urbane Revolutionary Frank Rosengarten,2010-06-30 In Urbane Revolutionary C L R James and the Struggle for a New Society Frank Rosengarten traces the intellectual and political development of C L R James 1901 1989 one of the most significant Caribbean intellectuals of the twentieth century In his political and philosophical commentary his histories drama letters memoir and fiction James broke new ground dealing with the fundamental issues of his age colonialism and post colonialism Soviet socialism and western neo liberal capitalism and the uses of race class and gender as tools for analysis The author examines the in depth three facets of James s work his

interpretation and use of Marxist Trotskyist and Leninist concepts his approach to Caribbean and African struggles for independence in the 1950s and 1960s and his branching into prose fiction drama and literary criticism Rosengarten analyzes James's previously underexplored relationships with women and with the women's liberation movement The study also scrutinizes James's methods of research and writing Rosengarten explores James's provocative and influential concepts regarding Black liberation in the Caribbean Africa the United States and Great Britain and James's varying responses to revolutionary movements With its extensive use of unpublished letters private correspondence papers books and other documents *Urbane Revolutionary* provides fresh insights into the work of one of the twentieth century's most important intellectuals and activists

guides **The Transformation and Decline of the British Empire** Spencer Mawby, 2015-10-11 The slow retreat of the British empire in the century after the First World War has had dramatic implications for Britain itself its former colonies and the global balance of power The Transformation and Decline of the British Empire provides a broad ranging and accessible introduction to the key debates and discussions about this process of imperial decline Drawing on the lively scholarship which has developed over the last 25 years it offers both new students and established scholars a guide to the existing literature on British decolonisation including subjects such as the rise of anti colonialism the impact of empire on British politics and culture the significance of migration the wars and insurgencies which accompanied the end of empire and the role which capital and labour played in imperial decline Mawby also examines the way in which the historiography has developed through conversations and debates between scholars the impact which present day concerns have on historical writing the significance of new documentary findings and the impact of theoretical considerations on current controversies

Monarchy and the End of Empire Philip Murphy, 2013-12-05 This unique and meticulously researched study examines the triangular relationship between the British government the Palace and the modern Commonwealth since 1945 It has two principal areas of focus the monarch's role as sovereign of a series of Commonwealth Realms and quite separately as head of the Commonwealth It traces how in the early part of the twentieth century the British government promoted the Crown as a counterbalance to the centrifugal forces that were drawing the Empire apart Ultimately however with newly independent India's determination to become a republic in the late 1940s Britain had to accept that allegiance to the Crown could no longer be the common factor binding the Commonwealth together It therefore devised the notion of the headship of the Commonwealth as a means of enabling a republican India to continue to give the monarchy a pivotal symbolic role and therefore to remain in the Commonwealth In the years of rapid decolonization which followed 1945 it became clear that this elaborate constitutional infrastructure posed significant problems for British foreign policy The system of Commonwealth Realms was a recipe for confusion and misunderstanding Policy makers in the UK increasingly saw it as a liability in terms of Britain's relations with its former colonies so much so that by the early 1960s they actively sought to persuade African nationalist leaders to adopt republican constitutions on independence The headship of the Commonwealth also became a cause for concern partly because it offered opportunities for the monarch to act without ministerial advice and partly because it tended to tie the British government to what many within the UK had begun to regard as a largely redundant institution Philip Murphy employs a large amount of previously unpublished documentary evidence to argue that the monarchy's relationship with the Commonwealth which was initially promoted by the UK as a means of strengthening Imperial ties increasingly became an source of frustration for British foreign policy makers *Paul Robeson* Gerald Horne, 2016-01-20 A world famous singer and actor a trained lawyer an early star of American professional football and a polyglot who spoke over a dozen languages These could be the crowning achievements of a life well lived yet for Paul

Robeson the higher calling of social justice led him to abandon both the NFL and Hollywood and become one of the most important political activists of his generation battling both Jim Crow and Joseph McCarthy Gerald Horne's biography uses Robeson's remarkable and revolutionary life to tell the story of the 20th century's great political struggles against racism against colonialism and for international socialism This critical and searching account provides an opportunity for readers to comprehend the triumphs and tragedies of the revolutionary progressive movement of which Robeson was not just a part but perhaps its most resonant symbol

Black Resistance in the Americas D.A. Dunkley, Stephanie Shonekan, 2018-11-02 All across the US in the last few years there has been a resurgence of Black protest against structural racism and other forms of racial injustice Black Resistance in the Americas draws attention to this renewed energy and how this theme of resistance intersects with other communities of Black people around the world This edited collection examines in depth stories of resistance against slavery narratives of resistance in African American Afro Caribbean and Afro Latin American Literature resistance in politics education religion music dance and film exploring a range of new perspectives from established and emerging researchers on Black communities The essays in this pivotal book discuss some of the mechanisms that Black communities have used to resist bondage domination disempowerment inequality and injustices resulting from their encounters with the West from colonization to forced migration

W. Arthur Lewis and the Birth of Development Economics Robert L. Tignor, 2020-06-23 W Arthur Lewis was one of the foremost intellectuals economists and political activists of the twentieth century In this book the first intellectual biography of Lewis Robert Tignor traces Lewis's life from its beginnings on the small island of St Lucia to Lewis's arrival at Princeton University in the early 1960s A chronicle of Lewis's unflinching efforts to promote racial justice and decolonization it provides a history of development economics as seen through the life of one of its most important founders If there were a record for the number of firsts achieved by one man during his lifetime Lewis would be a contender He was the first black professor in a British university and also at Princeton University and the first person of African descent to win a Nobel Prize in a field other than literature or peace His writings which included his book *The Theory of Economic Growth* were among the first to describe the field of development economics Quickly gaining the attention of the leadership of colonized territories he helped develop blueprints for the changing relationship between the former colonies and their former rulers He made significant contributions to Ghana's quest for economic growth and the West Indies desire to create a first class institution of higher learning serving all of the Anglophone territories in the Caribbean This book based on Lewis's personal papers provides a new view of this renowned economist and his impact on economic growth in the twentieth century It will intrigue not only students of development economics but also anyone interested in colonialism and decolonization and justice for the poor in third world countries

Forbes Burnham Linden F. Lewis, 2024-01-12 It is virtually impossible to understand the history of modern Guyana without understanding the role played by Forbes Burnham As premier of British Guiana he led the country to independence in 1966 and spent two decades

as its head of state until his death in 1985. An intensely charismatic politician, Burnham helped steer a new course for the former colony but he was also a quintessential strongman leader, venerated by some of his citizens yet feared and despised by others. Forbes Burnham: The Life and Times of the Comrade Leader is the first political biography of this complex and influential figure. It charts how the political party he founded, the People's National Congress, combined nationalist rhetoric, socialist policies, and Pan-Africanist philosophies. It also explores how, in a country already deeply divided between the descendants of African slaves and Indian indentured servants, Burnham consolidated political power by intensifying ethnic polarizations. Drawing from historical archives as well as new interviews with the people who knew Burnham best, sociologist Linden F. Lewis examines how his dictatorial tendencies coexisted with his progressive convictions. Forbes Burnham is a compelling study of the nature of postcolonial leadership and its pitfalls.

Women and Resistance in the Early Rastafari Movement Daive Dunkley, 2021-10-13. Winner of the Barbara T. Christian Literary Award. *Women and Resistance in the Early Rastafari Movement* is a pioneering study of women's resistance in the emergent Rastafari movement in colonial Jamaica. As D. A. Dunkley demonstrates, Rastafari women had to contend not only with the various attempts made by the government and nonmembers to suppress the movement but also with oppression and silencing from among their own ranks. Dunkley examines the lives and experiences of a group of Rastafari women between the movement's inception in the 1930s and Jamaica's independence from Britain in the 1960s, uncovering their sense of agency and resistance against both male domination and societal opposition to their Rastafari identity. Countering many years of scholarship that privilege the stories of Rastafari men, *Women and Resistance in the Early Rastafari Movement* reclaims the voices and narratives of early Rastafari women in the history of the Black liberation struggle.

Eric Williams And The Making Of The Modern Caribbean: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Eric Williams And The Making Of The Modern Caribbean : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Eric Williams And The Making Of The Modern Caribbean : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
