The Last Romantic: A life of Eric Maria Remarque Hilton Tims, 2013-09-19 Few books have made so great an impact political or literary as Erich Maria Remarque's *All Quiet on the Western Front* the most famous of all anti war novels Startling in its realism intensely moving in its humanity banned and burned in Germany by the Nazis it was an international publishing sensation that has never been equalled and has remained a worldwide bestseller for more than seventy years But who was Remarque While the title of his masterpiece has entered the language as a catchphrase the name of the author is virtually unknown In this first British biography Hilton Tims peels away the veil of anonymity Remarque wove to protect his privacy to reveal a man whose life was one of the most romantic and anguished of the twentieth century Remarque was a self made man born into a poor family he moulded himself into a connoisseur of art whose collection became one of the finest in Europe and an author whose novels brought him wealth fame and vast readership He was also the lover of some of the world's most desirable women At the core of his life was a long lasting affair with Marlene Dietrich who helped him to flee from the Nazis as Europe went to war *Arch of Triumph* the bestseller he wrote while a stateless migrant in Hollywood was inspired by the ecstasy and torment Dietrich caused him Other lovers included Greta Garbo Dolores del Rio Maureen O Sullivan the Jane of the Tarzan films the tragic Lupe Velez the double Oscar winner Luise Rainer and Paulette Goddard who became his second wife Behind the glamour he was a troubled man haunted by the political fall out from his famous book an embittered exile from the Germany he loved tortured by the infidelities of his first wife and by the fate of his favourite sister who paid a terrible price in his name at the hands of the Nazis In Germany the country that reviled him for most of his life Remarque is today acclaimed as a literary giant The rest of the world has forgotten him Hilton Tims has succeeded in creating a potent and fascinating reminder

Lives of the Novelists Carl Rollyson, 2005-10 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation not only of the writer's

work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of action That literary biography is a kind of strip mining a pathography laying bare the subject's life to no good purpose is another canard this book demolishes The pieces here also expose the genre's weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors work Rollyson invents a term biographology in order to discuss the biographical tradition The Novels of Erich Maria Remarque Brian Murdoch, 2006 New view of Remarque's novels as a chronicle of the century yet more than a mere reflection of historical events Reading Biography Carl Rollyson, 2004 Most book reviewers know very little about the history or the art of biography Indeed if there is any art in biography it is the rare reviewer that acknowledges it or knows how to discuss it Usually the reviewer regards biography as an occasion to wax eloquent about what he or she thinks of the subject Little space if any is devoted to the biography's structure or style to the biographer's peculiar problems or to how the biography relates to others about the same subject Carl Rollyson a professional biographer and weekly columnist On Biography for The New York Sun explores the ramifications of authorized and unauthorized biographies investigates the relationship between biography and history biography and fiction biography and autobiography as well commenting on certain perennial biographical subjects such as Napoleon on sub genres such as children's biography and on the most recent developments in life writing Rollyson's aim is to reach not merely scholars but that vast general audience addicted to reading biography enhancing their pleasure by providing insight or you might say the inside word on how biographies are put together
