## **Ernie Pyle Comes Ashore And Other Stories:**

Ernie Pyle Comes Ashore Edwin Hubert Randle, 1972      **The Soldier's Truth** David Chrisinger, 2023-05-30 Named a best book of 2023 by Booklist A beautiful reckoning with the life and work of the legendary journalist Ernie Pyle who gave World War II a human face for millions of Americans even as he wrestled with his own demons At the height of his fame and influence during World War II Ernie Pyle's nationally syndicated dispatches from combat zones shaped America's understanding of what the war felt like to ordinary soldiers as no writer's work had before or has since From North Africa to Sicily from the beaches of Anzio to the beaches of Normandy and on to the war in the Pacific where he would meet his end Ernie Pyle had a genius for connecting with his beloved dogfaced grunts A humble man himself plagued by melancholy and tortured by marriage to a partner whose mental health struggles were much more acute than his own Pyle was in touch with suffering in a way that left an indelible mark on his readers While never defeatist his stories left no doubt as to the heavy weight of the burden soldiers carried He wrote about post traumatic stress long before that was a diagnosis In *The Soldier's Truth* acclaimed writer David Chrisinger brings Pyle's journey to vivid life in all its heroism and pathos Drawing on access to all of Pyle's personal correspondence his book captures every dramatic turn of Pyle's war with sensory immediacy and a powerful feel for both the outer and the inner landscape With a background in helping veterans and other survivors of trauma come to terms with their experiences through storytelling Chrisinger brings enormous reservoirs of empathy and insight to bear on Pyle's trials Woven in and out of his chronicle is the golden thread of his own travels across these same landscapes many of them still battle scarred searching for the landmarks Pyle wrote about A moving tribute to an ordinary American hero whose impact on the war is still too little understood and a powerful account of that war's impact and how it is remembered *The Soldier's Truth* takes its place among the essential contributions to our perception of war and how we make sense of it      *The Day of Battle* Rick Atkinson, 2008-09-16 In the second volume of his epic trilogy about the liberation of Europe in World War II Pulitzer Prize winning author Atkinson tells the harrowing story of the campaigns in Sicily and Italy      *The Liberation Trilogy Box Set* Rick Atkinson, 2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II Rick Atkinson's *Liberation Trilogy* is now together in one ebook bundle From the War in North Africa to the Invasion of Normandy the *Liberation Trilogy* recounts the hard fought battles that led to Allied victory in World War II Pulitzer Prize winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters from the Allied leaders to rifleman in combat His accomplishment is monumental the *Liberation Trilogy* is the most vividly told brilliantly researched World War II narrative to date WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER      *Combat Loaded* Thomas E. Crew, 2007 The first authoritative history of any of the more than 350 attack transports or attack cargo ships of World War II *Combat Loaded Across the Pacific* on the USS *Tate* contains gripping combat narratives alongside the sometimes heartwarming

sometimes tragic details of daily life on board the ships of Transport Squadron 17 during the waning days of World War II Author Thomas E Crew interviewed over fifty veterans of the Tate including all her surviving officers Crew weaves a rich tapestry of voices combining it with extensive analysis of the Tate s daily action reports and ship s logs accented by lively letters of the period from private collections including previously unpublished accounts of the last days of famed war correspondent Ernie Pyle Crew also presents a rare unit level perspective of joint operations involving the infantry fighting ashore and the navy transports that sustained them with their vital combat cargo The resulting richly illustrated work presents perhaps the most comprehensive account to date of the experiences and courageous contributions of those who served on amphibious transports during World War II

**An Army at Dawn** Rick Atkinson, 2007-05-15 WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER In the first volume of his monumental trilogy about the liberation of Europe in World War II Pulitzer Prize winner Rick Atkinson tells the riveting story of the war in North Africa The liberation of Europe and the destruction of the Third Reich is a story of courage and enduring triumph of calamity and miscalculation In this first volume of the Liberation Trilogy Rick Atkinson shows why no modern reader can understand the ultimate victory of the Allied powers without a grasp of the great drama that unfolded in North Africa in 1942 and 1943 That first year of the Allied war was a pivotal point in American history the moment when the United States began to act like a great power Beginning with the daring amphibious invasion in November 1942 *An Army at Dawn* follows the American and British armies as they fight the French in Morocco and Algeria and then take on the Germans and Italians in Tunisia Battle by battle an inexperienced and sometimes poorly led army gradually becomes a superb fighting force Central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield Eisenhower Patton Bradley Montgomery and Rommel Brilliantly researched rich with new material and vivid insights Atkinson s narrative provides the definitive history of the war in North Africa

**The Making of a Professional** Henry Phillips, 2000-03-30 An examination of the life of General Manton S Eddy this study details his experiences in World War II as leader of the U S 9th Infantry Division through North Africa Sicily and France and subsequently as commander of XII Corps into the heart of Germany While much has been written about the top military leaders of this era there is little information about corps commanders whose missions were limited to doing battle and whose organizations were tailored exclusively for this task Eddy s career provides a model for the Army s most ambitious officers particularly those who like Eddy faced the challenge without family connections or the traditional West Point education He devoted his life to the U S Army enhancing his innate talents through the incorporation of a daily program of self education Eddy had an excellent grasp of the basic principles of military tactics and strategy He attained this art through home study and assiduous application at the Army s professional education institutions in particular at the Command and General Staff College where he served as an instructor for four years He focused on people quickly learning and applying basic skills to draw out their best efforts He came to know what to expect from them in the chaos and

under the pressure of combat This facilitated his development of strong mission oriented subordinates His personal goal was always to maximize all available power at the correct point for crushing his nation s enemies and to this end he was extraordinarily successful
