Eros Island:

The Bleeding Island Stephen Heynes, 2016-05-24 Now you know Veluppillai Prabhakaran and his LTTE who held sway in the modern Srilanka are the products of certain unfortunate sociopolitical conditions which every sensible state should fight to avoid their germination If we do not learn from history the history teaches us in a cruel way This is the story of the enchanting South Asian Island Srilanka Of the intelligent enterprising and proud Tamils of the Island Of their sociopolitical equation with the Sinhalese partners Of the formidable LTTE and of their fearsome leader Prabhakaran who was also fearful for his life all the time This book also tells the inside stories of LTTEs birth growth and death Their violence assassinations and why and how they killed Padmanabha Rajiv Gandhi Amirthalingam Premadasa and Mahataya among many others The tale of their fund raising their affluence their Air Tigers their Sea Tigers their Black Tigers and their ultimate downfall Not the fall of the LTTE but of Srilankan Tamils hopes This is also the story of brave fighters and unscrupulous leaders Story of heroism and treachery History of mankind would not forgive us if we allow this to happen again in any form anywhere in earth Hypolympia; Or, The Gods in the Island, an Ironic Fantasy Edmund Gosse, 2019-12-20 Edmund Gosse s Hypolympia

Or The Gods in the Island is an imaginative exploration of the intersection between mythology and modernity presented through a richly ironic lens In this fantasy narrative Gosse intricately weaves together mythical figures and contemporary themes challenging the reader to consider the relevance of ancient beliefs in a rapidly changing world The novel s style is characterized by clever prose and vivid imagery establishing a landscape where gods and mortals interact in surprising ways offering a satirical reflection on Victorian society and its values Edmund Gosse a prominent literary critic and poet of the late 19th century was deeply influenced by the cultural shifts of his time Growing up in a family steeped in the religious and literary traditions Gosse often grappled with the tensions between faith and art This duality informs Hypolympia as he deftly critiques the complacencies of modern life through a recollection of classical mythology and its characters His extensive background in literature and his exposure to the evolving discussions surrounding religion and art make this work a pivotal commentary on his era For readers who appreciate a blend of wit erudition and fantastical storytelling Hypolympia Or The Gods in the Island is a must read Gosse s adept handling of satirical elements and mythological references provides both entertainment and profound insight making this work a compelling examination of the human condition that resonates with contemporary audiences
