Eros Anti Eros:

A Dwelling Place for Wisdom Raimon Panikkar, 1995-01-01 Religious philosopher Panikkar sees wisdom as our universe our world our Mother Earth and as a source of happiness and joy a dwelling place where people are blessed Here he discusses wisdom in the context of four different areas an existential feminine approach a less fragmented anthropology its most ancient meaning in philosophy and the preservation of its identity *City Lights Books* Ralph T. Cook, Lori A. Cook, 1992 Since 1955 City Lights Bookshop in San Francisco has published over 230 titles and its 1 500 authors include Jack Kerouac James Joyce Ernest Hemingway Hilda Doolittle Allen Ginsberg Goethe Walt Whitman Gregory Corso and Karl Marx Provides complete information on all City Lights publications from 1955 through 1990 **Eros** Harold Jaffe, 1990-06-01 Eros collides with Anti Eros in these menacingly comic fictions in which physical love and desire are policed by a high tech militarist media manipulated society The calculated silences and disinformation surrounding the AIDS epidemic *Why Are You So Attracted to Narcissists?* Molly Sheldon, What was the first horror story Was it the story of Narcissus and Echo Was Echo the first victim of a monster Was she driven to suicide The world lives under the curse of malignant narcissism These mind vampires suck the life out of everyone they drag into their shared fantasy They ruin lives They sacrifice everyone to themselves They would rather the whole world change than that they should change They believe themselves gods They think the whole world should dance to their tune and then fall on their knees to worship them And what of poor Echo Come and explore Echo s tale of woe Hear her own words Hear her try to understand her plight Why did she make herself a victim of a man Was she condemned to be punished for her love Did she love too much No one loves with the intensity of an Echo Except Narcissus of course Narcissus loved himself to death And he took Echo with him This is a tale like no other It has it all men too obsessed with themselves and women too obsessed with the men in their lives Here we let Echo speak for herself She explains exactly what happened to her She lost her mind to love It s the oldest story And it s a story being repeated everywhere to this very day Look around you on social media You will see countless Echoes fluttering around malignant narcissists and doing anything for them Narcissus these days is always a cult leader And his Echoes are just as obsessed as ever **Terror-dot-gov** Harold Jaffe, 2005 As in Harold Jaffe s two previous docufiction collections *False Positive* and *15 Serial Killers* the author of *Terror Dot Gov* selects then treats his texts such that the reader is incapable of distinguishing between fact and fiction That ambiguity permits Jaffe to cunningly tease out the contradictions and subtexts of official news or information and torque it into what it so often is fundamentally jingoism xenophobia and propaganda Jaffe s subject in *Terror Dot Gov* is not the everywhere represented illicit terrorism so much as licit institutionalized terrorism and he assaults his subject from multiple angles razor sharp satire precisely cadenced rhetoric faux reportage and unsituated dialogues Jaffe s term referring to his trademark talking heads with perfect pitch The result is virtuosic and paradoxical a prodigious display of firepower in the cause of peace **The Literary Terrorism of Harold Jaffe** Eckhard Gerdes, 2004 Harold Jaffe s acts of

literary terrorism work to wrestle control of the future of literature away from the dominant culture This book celebrates that effort Jaffe is an acute observer of the painful conditions under which we are forced to live on a daily basis And like any harbinger of ill he is sometimes mistaken for its creator But he is not He is clearing out space that has been polluted for too long His acts of literary terrorism are acts that reclaim literature and art fiction from its cooption by fast food wielding advocates of disposability what has been disposed by the dominant political culture has too often been literary artists Those who have benefited have seldom been literary artists Jaffe has worked brilliantly to save literature from its unwitting complicity in the elimination of readers who dare question authority The writing in this volume whether by Jaffe his former students and colleagues or works inspired by his lead helps blast us out of our complacency and reclaim space we should never have relinquished Innovation and renovation are inextricably linked *Postmodern Politics for a Planet in Crisis* David Ray Griffin, Richard A. Falk, 1993-01-01 This book argues that the planetary crisis which has been produced by modernity demands a postmodern politics especially in the United States the chief embodiment and exporter of modernity What is needed is an America that promotes a new world order that is genuinely new one based on a concern for the human race as a whole and on a sustainable relationship between the human species and the rest of the biosphere John B Cobb Jr Richard Falk David Ray Griffin Wes Jackson Frank Kelly Frances Moore Lapp Joanna Macy Douglas Sloan Jim Wallis and Roger Wilkins write about various dimensions of this postmodern politics including its educational aims morality time consciousness and ecological sensibility its agricultural and other environmental policies its truly democratic process and a postmodern presidency This book provides the most complete prescription yet for the kind of presidential leadership we need and the kind of transformation in the body politic necessary to evoke and complement such leadership Pocket Full of Loose Razorblades John Edward Lawson, 2005 This collection highlights dark surrealism at its most experimental and absurd depths The texts are perception altering and soul poisoning humorous in the way that accidental amputation and spontaneous combustion are From the man who works at the foot fungus factory to the man who lives in a giant rectum Pocket Full of Loose Razorblades will leave you wondering where you misplaced your sanity Bio John Edward Lawson is an author and editor living just outside Washington D C His poetry collections include *The Horrible* and *The Scars* are Complimentary His novel *Last Burn in Hell* was published in 2005 John is editor in chief of Raw Dog Screaming Press and *The Dream People* webzine and has also been editor of several anthologies including *Tempting Disaster* and *Sick An Anthology of Illness* 15 *Serial Killers* Harold Jaffe, 2003 Exploring dangerous territory Jafee uses illustrations letters monologues interviews and unsituated dialogues to bring to life some of the most infamous serial killers of all time **FrC 16.6 Nausikrates - Nikostratos** Anna Lamari, 2023-06-12 This book is a fully fledged commentary on the fragments of the Greek comic poets Nausikrates and Nicostratus By reconstructing the text and providing metrical linguistic and detailed philological analysis it makes the work of these neglected authors accessible to all those interested in Greek drama and classical literature at large
