Erotic Fantasies:

Sexual Behavior in the Human Female Alfred C. Kinsey, Wardell B. Pomeroy, Clyde E. Martin, Paul H. Gebhard, 1998-05-22
The groundbreaking Kinsey Report study on female sexuality from one of the most influential figures in American intellectual history The New York Times Originally published in 1953 the material presented in *Sexual Behavior in the Human Female* was derived from personal interviews with nearly 6 000 women from studies in sexual anatomy physiology psychology and endocrinology The study revealed the incidence and frequency with which women participate in various types of sexual activity and how such factors as age decade of birth and religious adherence are reflected in patterns of sexual behavior The authors make comparisons of female and male sexual activities and investigate the factors which account for the similarities and differences between female and male patterns of behavior and provide some measure of the social significance of the various types of sexual behavior It shocked the world in 1953 with its explicit revelations Countries banned it Churches berated it Some scholars scoffed but it was an instant success selling 270 000 copies in less than a month Kinsey made headlines around the globe with his findings on such things as masturbation sex before marriage and adultery CBSNews com

To Turn You on J. Aphrodite, 2003-01-01 A collection of 39 sex fantasies Not all of them are universal but everyone will turn on some women somewhere This collection was put together after intensive research among women women alone women in consciousness raising groups and women who make up what we tend to think of as puritanical America

Discovering Your Couple Sexual Style Barry W. McCarthy, Emily McCarthy, 2011-03-17 Winner of the 2009 Smart Marriages Impact Award Think all sex should be earth shattering The quality of most couple sex doesn't measure up to the much distorted image of the perfect romantic love passionate sex encounter portrayed in popular culture In *Discovering Your Couple Sexual Style* Sharing Desire Pleasure and Satisfaction renowned marital and sex therapist Barry McCarthy and his wife Emily McCarthy urge couples to ignore what they see on TV in books or online and discover their own unique sexual style The McCarthys offer three guidelines for sexual satisfaction develop positive realistic sexual expectations explore sensual and sexual options and communicate sexual desires With this foundation couples can take a straightforward survey to determine which of four couple sexual styles best fits their relationship Based on three years of research and treating more than 4 000 individuals and couples *Discovering Your Couple Sexual Style* provides information guidelines exercises and case studies that will help readers find their own sexual voice and develop a mutually satisfying sexual style Sexual Desire Disorders Helen Singer Kaplan, 2013-06-17 First published in 1995 Recent research indicates that there has been a steady increase in the number of patients seeking help with various sexual desire problems The *Sexual Desire Disorders* an exciting volume from one of the foremost authorities in the field of sex therapy and human sexuality explores in depth the human sexual response with emphasis on various therapeutic approaches to the treatment of sexual dysfunctions and particular disorders of sexual desire The book examines not only the historical perspectives of these disorders but the most

recent research thinking and acceptance of these problems as a real clinical phenomena This volume focuses primarily on the dysfunctional regulation of sexual motivation Dr Kaplan applies her comprehensive integrated psychodynamically oriented sex therapy approach when addressing the etiology clinical features and diagnostic criteria of these disorders The author also examines psychiatric disorders that can lead to a loss of sexual desire as well as some organic causes including medical conditions drugs and age Finally Sexual Desire Disorders presents over 30 case studies that cover treatment approaches for a wide variety of sexual desire disorders ranging from hyperactive sexual desire in a married bisexual man to a loss of sexual desire due to infertility treatment

The Sexual Century Ethel Spector Person,1999-01-01 Over the course of the past century sexual liberation has transformed the way in which most of us regard our bodies and live our sexual lives Now a preeminent psychoanalytic theoretician on sex and gender discusses what has gone into this unquiet revolution the roles played by sexologists and psychoanalysts antibiotics and birth control the liberation movements and Freud s insight that sex has as much to do with the mind as with the genitals In this collection of new and previously published papers Ethel Person writes of the centrality of sexuality to our identity She describes the role of fantasy in desire its different expression in the sexes and the way in which desire is inevitably intertwined with power Her classic papers on transvestism transsexualism and cross dressing homosexuals written with Lionel Ovesey help us to understand how gender and sex develop in all of us The public acceptance of the transsexual says Person is emblematic of the profound scientific and intellectual shifts that have taken place in the past hundred years The way that sex and gender develop and are experienced and expressed is the result not only of nature and nurture but also of the cultural zeitgeist its unspoken values and biases

Romantic Relationships Paul R. Robbins,2015-11-16 What is romantic love Are romantic relationships valuable Are most people romantic How do people meet the right person How important is physical attraction In a question and answer format this is a wide ranging look at romantic relationships in the 1990s Drawn from the body of research published in recent years about relationships over 90 of the most asked questions in the author s practice are answered here Issues covered include sexual harassment understanding your partner sex in the age of AIDS the effects of divorce handling anger and many other matters Written in everyday language the answers are easily understood by all This work provides answers to many of the most vexing problems affecting romance in the 1990s

The Sexual Self Michael S. Kimmel,2007 Abstract **Sexual Diversity** Silva Neves,2025-05-29 Sexual Diversity Being Human through Understanding and Acceptance is an in depth exploration of the vast diversity of sexual and erotic orientations including heterosexual lesbian gay bisexual and queer identities as well as erotic diversity from vanilla to kink and everything in between The book looks at the heteronormative norms prescribed by society and how these may be problematic for all populations including heterosexual people As part of diversity the book offers a frame of thinking based on intersectionality The work is a reference point to sexual and erotic diversities written in plain English and in a conversational style It attempts to offer a definition of the different identity terms

that can be confusing while acknowledging that language is fluid and changeable This helps us to be more aware of the language we use and how we can stay as adaptable and fluid as eroticism can be The content embraces inclusivity and helps us to learn to accept differences and to be more knowledgeable in the wide range of ways to live It enables us to challenge our pre conceived ideas and assumptions regarding sexuality and eroticism and to continue learning and staying curious about diverse communities cultures and subcultures in the sexuality and erotic arenas The concepts discussed are brought to life with stories from the consulting room and the world outside This is a gem of a book that not only teaches us so much but also offers us opportunities for self reflection It is an absolute must read for practising psychotherapists counsellors and psychoanalysts as well as other professionals in the social care environment and every human interested in learning more about the wide variety of sexuality and eroticism in the world *Human Sexuality* Vern L. Bullough, Bonnie

Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists Progress in Sexology Robert Gemme, 2013-03-08 As editor of the series Perspectives in Sexuality Behavior Research and Therapy I consider it a major scholarly achievement to publish selected proceedings of the Second International Congress of Sexology Never before have so many professional organizations supported such a conference or so many scholars from so many countries participated in such a conference Eighteen countries were represented over one hundred papers were presented The Congress and these proceedings mark an historical mile stone for sexology in international scientific cooperation The collaboration of so many researchers from diverse disciplines further illuminates the interdisciplinary approach The papers presented reflect the challenge accepted by scientists to compare varieties of techniques and programs to develop new theories and creative approaches in their investigations and to initiate scientific study of heretofore taboo areas of inquiry Clearly sexology has come of age It takes its place among the respected scientific disciplines This monumental achievement the Second International Congress of Sexology signals the emergence at the international level of Sexology as Science Richard Green ix Preface The Second International Congress of Sexology was held in Montreal Canada on October 28 31 1976 Researchers of international acclaim from eighteen countries presented progress reports in specialties as endocrinology neurophysiology infertility contraception sexual dysfunction ethics in sex research and sex education The Congress whose theme was international progress in sexology had as its scientific objective a wide range of subjects concerning the interdisciplinary study of sexology from many areas of the world *Sexual Murder* Louis B. Schlesinger, 2021-03-22 Sexual Murder Catathymic and Compulsive Homicides is the culmination of the author's 45 years of experience with and studying sexually motivated

homicide Sexual murders are generally of two types catathymic and compulsive Catathymic homicides are caused by a breakthrough of underlying sexual conflicts They can be unplanned explosive acute attacks or planned murders stemming from a chronic obsession with or disturbed attachment to the victim In compulsive homicides a fusion of sex and aggression results in a powerful internal drive which pushes the offender to seek out victims to kill and the killing itself is sexually gratifying These murders also may be planned or unplanned In compulsive homicides that are unplanned the urge breaks through and disrupts the offender's controls when a victim of opportunity crosses his path The compulsive offender who plans his crimes often eludes law enforcement and as a result he can have multiple serial victims over extended periods of time Both forms of sexual murder the catathymic and the compulsive are presented in this volume from a clinical descriptive perspective encompassing case studies with analysis Recent advances in empirical research in sexual murder including findings from the joint research project between John Jay College of Criminal Justice and the FBI Behavioral Analysis Unit in Quantico has published many important studies These include such topics as necrophilia foreign object insertions in sexual homicide ritual and signature and temporal patterns in serial sexual homicide mass murder crime scene staging in homicide and undoing symbolic reversal at homicide scenes All such research will be included and incorporated into this fully updated Second Edition including approximately fifty new clinical case studies
