Erotic Interludes Tales Told By Women:

Erotic Interludes Lonnie Barbach, 1995-05 Today erotic writing is no longer a male prerogative Now women are celebrating their own sensuality through a variety of forms including erotic fiction Here are twenty one pieces from women writers aged between twenty three and fifty eight exploring every aspect of female sexual experience married and single lesbian and heterosexual With insight with humour with outright eroticism they reaffirm every woman s right to the pleasures and adventures of sex *Erotic Interludes* Lonnie Barbach, 1987-01-01 **Erotic Interludes** Lonnie Barbach, 1998-06-01 *At Home with Pornography* Jane Juffer, 1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In *At Home with Pornography* Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women s changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography s transgressive aspects and start focusing on the place of porn and erotica in women s everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women s literary erotica and sexual self help videos for couples *At Home with Pornography* responds to these questions by viewing women s erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women s consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria s Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography *At Home with Pornography* will transform our understanding of women s everyday sexuality **Swoon: Great Seducers and Why Women Love Them** Betsy Prioleau, 2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore

and reveals who these master lovers really are and the arts they practice to ensnare women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they've finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova's conquests remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women's record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve

Before Pornography Ian Frederick Moulton, 2000 Before Pornography explores the relationship between erotic writing masculinity and national identity in Renaissance England Drawing on both manuscripts and printed texts and incorporating insights from modern feminist theory and queer studies the book argues that pornography is a historical phenomenon while the representation of sexual activity exists in nearly all cultures pornography does not The book includes analyses of the social significance of eroticism in such canonical texts as Sidney's Defense of Poesy and Spenser's Faerie Queene
