Es Hayyim

Elliot R. Wolfson

Es Hayyim:

World Soul James Wilberding, 2021 Many philosophers and scientists over the course of history have held that the world is alive It has a soul which governs it and binds it together This suggestion once so wide spread may strike many of us today as strange and antiquated in fact there are few other concepts that on their face so capture the sheer distance between us and our philosophical inheritance But the idea of a world soul has held so strong a grip upon philosophers imaginations for over 2 000 years that it continues to underpin and even structure how we conceive of time and space The concept of the world soul is difficult to understand in large part because over the course of history it has been invoked to very different ends and within the frameworks of very different ontologies and philosophical systems with varying concepts of the world soul emerging as a result This volume brings together eleven chapters by leading philosophers in their respective fields that collectively explore the various ways in which this concept has been understood and employed covering the following philosophical areas Platonism Stoicism Medieval Indian or Vedantic Kabbalah Renaissance Early Modern German Romanticism German Idealism American Transcendentalism and contemporary quantum mechanics and panpsychism theories In addition short reflections illuminate the impact the concept of the world soul has had on a small selection of areas outside of philosophy such as harmony the biological concept of spontaneous generation Henry Purcell psychoanalysis and Gaia theories

Language, Eros, Being Elliot R. Wolfson, 2009-08-25 This long awaited magisterial study an unparalleled blend of philosophy poetry and philology draws on theories of sexuality phenomenology comparative religion philological writings on Kabbalah Russian formalism Wittgenstein Rosenzweig William Blake and the very physics of the time space continuum to establish what will surely be a highwater mark in work on Kabbalah Not only a study of texts *Language Eros Being* is perhaps the fullest confrontation of the body in Jewish studies if not in religious studies as a whole Elliot R Wolfson explores the complex gender symbolism that permeates Kabbalistic literature Focusing on the nexus of asceticism and eroticism he seeks to define the role of symbolic and poetically charged language in the erotically configured visionary imagination of the medieval Kabbalists He demonstrates that the traditional Kabbalistic view of gender was a monolithic and androcentric one in which the feminine was conceived as being derived from the masculine He does not shrink from the negative implications of this doctrine but seeks to make an honest acknowledgment of it as the first step toward the redemption of an ancient wisdom Comparisons with other mystical traditions including those in Christianity Buddhism and Islam are a remarkable feature throughout the book They will make it important well beyond Jewish studies indeed a must for historians of

comparative religion in particular of comparative mysticism Praise for Elliot R Wolfson Through a Speculum That Shines is an important and provocative contribution to the study of Jewish mysticism by one of the major scholars now working in this field Speculum *Jewish Passages* Harvey E. Goldberg, 2003-10-17 Goldberg's breadth of knowledge is particularly impressive Here is a scholar who has read everything and has produced a rich first rate book that is both comprehensive and accessible making Jewish customs meaningful even to non specialists A scholarly achievement that is also a great bar mitzvah gift with tremendous value for anyone in Jewish Studies including rabbis and members of synagogue study groups Jack Kugelmass Irving and Miriam Lowe Professor and Director Jewish Studies Program at Arizona State University Sweeping in its reach and richly informative in its details Jewish Passages offers a treasury of wonderfully interesting information This is a work that will not be lost Samuel C Heilman author of When a Jew Dies
